OP2020- 01

Seconded By

Date

Monday, January 13, 2020

THAT the City of Greater Sudbury reduces the speed limit on Panache Lake Road from Municipal Road 55 to 210 metres north of Suihkola Road to 70 km/h from 80 km/h;

AND THAT the City of Greater Sudbury directs staff to prepare a by-law to amend Traffic and Parking By-Law 2010-1 in the City of Greater Sudbury to implement the recommended changes, as outlined in the report entitled "Maximum Speed Limit – Panache Lake Road", from the General Manager of Growth and Infrastructure, presented at the Operations Committee meeting on January 13, 2020.

## Operations Committee Resolutions

Moved By [Signature] No. OP2020- 02

Seconded By [Signature] Date Monday, January 13, 2020

WHEREAS lake water quality is of great importance to the City of Greater Sudbury and the management of road salt is important to minimizing impact to lake water quality;

AND WHEREAS according to the 2018 Salt Optimization Plan the preferred solution to manage road salt storage within the Ramsey Lake intake protection zone is to redevelop the existing site using best management practices, for example, building a dome for the pickled sand and salt storage and provide indoor loading;

AND WHEREAS the Depot Master Plan proposes to build new types of salt/sand domes that will capture salt runoff and divert it from returning to surrounding water bodies and create a more efficient operational environment for handling materials and loading plows;

AND WHEREAS detailed design work of all depot upgrades has commenced;

AND WHEREAS due to its proximity to the Ramsey Lake intake protection zone, the sand/salt dome retrofit or replacement at the Frobisher Depot should be the priority;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs staff to provide a report to the Operations Committee by the second quarter of 2020, identifying the requirements to accelerate the retrofit/replacement of the sand/salt dome aspect of the Depot Master Plan and that the facility at the Frobisher Depot be prioritized as part of the process.
