CC2019- 348

Seconded By

Date Tuesday, November 26, 2019

WHEREAS by-law 2016-145, being the by-law of the City of Greater Sudbury for the Licensing, Regulating and Governing of Vehicles for Hire, requires that Private Transportation Company (PTC) owners provide evidence that a Vehicle for Hire is a model year not more than ten (10) years prior to the year of application or renewal;

AND WHEREAS some Vehicles for Hire are so well maintained that their condition does not reflect their model years, and could continue to be safely operated and transport passengers;

AND WHEREAS the PTC which maintains its vehicles in such excellent condition should have the opportunity to license a vehicle beyond ten (10) model years prior to the year of application or renewal, which could diminish the financial burden of having to replace vehicles unnecessarily;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs staff to review the need for PTC Vehicles for Hire to be a model year not more than ten (10) years prior to the year of application or renewal, and provide recommendations for a specific category of License that allows a Vehicle for Hire which is a model year more than ten (10) years prior to the year of application or renewal to operate, and bring that report back to City Council for its consideration by March of 2020.

Date Tuesday, November 26, 2019

WHEREAS with the greatest of all due respect, the budget preparation and review process currently in use prevents Council from doing in-depth review of budget considerations;

AND WHEREAS the process is based on a top-down budget process that is industrially reserved for prefeasibility and feasibility evaluations;

AND WHEREAS budgets for approval of funds and control of spending are industrially prepared using a bottom-up process also known as zero-based budgeting;

AND WHEREAS cost over-runs have become a common annual occurrence;

AND WHEREAS asset maintenance deferrals have reduced asset values to an unspecified value;

AND WHEREAS the current budget process prevents Council from exercising their duties as required under Section 224 of the Ontario Municipal Act where those requirements include: (d.1) to ensure the accountability and transparency of the operations of the municipality, including the activities of the senior management of the municipality; (e) to maintain the financial integrity of the municipality;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs that Council deliberations of the 2020 budget be deferred to the first quarter of 2020;

AND BE IT FURTHER RESOLVED that the City of Greater Sudbury directs that staff prepare a zero-based budget and present it to Council at the January 14th, 2020 Finance and Administration Committee meeting.

Date Tuesday, November 26, 2019

WHEREAS the Operations Committee approved the winter maintenance plan for the Active Transportation Network as outlined in the report entitled "Annual Active Transportation Winter Maintenance Plan" from the General Manager of Growth and Infrastructure, by Resolution OP2019-19 as amended, and which was adopted by City Council resolution CC2019-331;

AND WHEREAS further amendments to the list have been identified by Councillors Vagnini and Cormier in their respective Wards;

THEREFORE BE IT RESOLVED THAT the City of Greater Sudbury amends resolution OP2019-19 to add the following:

"That Nickel Street in Copper Cliff and Geneva Street in Sudbury be added to the list of deletions for sidewalk winter maintenance and that Godfrey Drive, between Park Street and Creighton Road, be added to the list of additions for sidewalk winter maintenance."
