Seconded By [Signature] Date Tuesday, October 22, 2019

WHEREAS the Junction Creek Waterway Park (JCWP), established in 1991, is Greater Sudbury's unique non-motorized trail system that connects the urban community;

AND WHEREAS the JCWP serves as a path to promote active living, healthy lifestyle and is a gateway to the natural environment, a corridor for civic engagement, and as a route toward economic growth;

AND WHEREAS the 2.2 km section of the JCWP which connects the Downtown to the Flour Mill is used extensively at all times of day, and its users would benefit from the installation of lighting to further promote its safe and extended use;

AND WHEREAS Council for the City of Greater Sudbury supports that "protecting and expanding the existing pedestrian and bicycle network in the City is essential to creating quality of place" and will encourage people to choose active transportation over driving, thereby reducing our carbon footprint and traffic congestion;

AND WHEREAS municipalities across Ontario are implementing initiatives to encourage active transportation as a viable alternative to private automobile for short-distance trips and as a method of promoting a more active and healthy lifestyle;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs staff to prepare a business case to install lighting along the 2.2 km section of the JCWP trail from the Downtown to the Flour Mill for Council's consideration during the 2020 budget deliberations.
