WHEREAS the UN Intergovernmental Panel on Climate Change 'Global Warming of 1.5 °C' report states that we have less than 12 years to avert the worst impacts of climate change and identifies cities and urban areas as one of four critical global systems that can accelerate and upscale climate action;

AND WHEREAS cities around Canada and the world are taking the lead on acting on climate change;

AND WHEREAS Greater Sudbury is a member of the Federation of Canadian Municipalities' Partners for Climate Protection program, and a member of the Federation of Canadian Municipalities which adopted a resolution in 2016 recognizing the need to pursue efforts to limit global temperature increases to 1.5°C;

AND WHEREAS Greater Sudbury will be completing its Community Energy and Emissions Plan and undertaking its Climate Change Adaptation Plan in 2019;

AND WHEREAS Sudbury has received international recognition for achievements in greening and municipal energy retrofits, and is making important progress in areas such as sustainable transportation that will assist in meeting carbon reduction goals;

AND WHEREAS there are significant economic opportunities if Greater Sudbury were to become a leader on climate change mitigation, adaptation and technology in Northern Ontario;

AND WHEREAS Greater Sudbury is already experiencing large and rising costs and risks from climate change impacts such as extreme weather events, flooding and forest fires;

AND WHEREAS as of February 22, 2019, 288 Municipal and City Councils in Canada have declared a climate emergency;

AND WHEREAS climate change solutions not only reduce carbon output, but they also offer multiple benefits including improved health and air quality, greater community resilience, economic development and reduced costs;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury officially declare a climate emergency to name and deepen our commitment to protecting our economy, our eco systems, and our community from climate change;

BE IT FURTHER RESOLVED THAT the City of Greater Sudbury reaffirms action on climate change as a strategic priority;

Moved By _____ No. CC2019-_____

Seconded By _____ Date Tuesday, May 28, 2019

BE IT FURTHER RESOLVED THAT the City of Greater Sudbury direct staff to bring a report to City Council for its consideration before the end of 2019 that describes an approach for creating a Climate Change Adaptation & Mitigation Plan that includes adaptation or mitigation measures including, but not limited to:

a.The reduction of municipal carbon emissions including the identification of specific targets and, ultimately, net zero carbon emissions by 2050;

b.Policy choices that increase the proportion of residents that can choose active transportation modes or public transit for their daily needs;

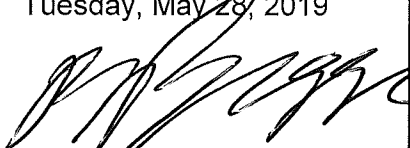

c.Operating standards for municipal facilities and technical specifications for municipal construction contracts that reduce carbon pollution;

d.The development of measurement and reporting systems for energy utilization and carbon reduction to inform policy and budgeting choices;

e.Collaboration with other governments, institutions and industry associations to improve standards and protocols that can positively address climate adaptation and mitigation;

f.The potential to create an advisory committee that provides guidance and support for the City's efforts to respond to the climate emergency;

g.A Business Case for consideration as part of the 2020 Budget that secures the resources required to develop the Plan.
