**Division Review** Tyler Campbell Director of Leisure Services *Digitally Signed Oct 19, 16* 

Recommended by the Department Catherine Matheson General Manager of Community Development Digitally Signed Oct 19, 16

**Recommended by the C.A.O.** Ed Archer Chief Administrative Officer *Digitally Signed Oct 19, 16* 

AND THAT staff report to Council prior to the approval of new annual grant allocations and prior to renewal of grant applications every 5 years; and that staff prepare a year end report each year for Finance and Administration Committee.

### **Financial Implications**

The Annual Grants total \$735,297.00 and the majority are funded within the operating budget for Leisure Services. The exceptions are: the grants to the Anderson Farm Site Committee, the Capreol Railway Museum, Junction Creek Stewardship, the Samaritan Centre and the Social Planning Council.

#### Background

This report will outline the process proposed to continually evaluate the allocation of annual municipal

grants in keeping with the Strategic Priority of Responsive, Fiscally Prudent and Open Government. As per Council's resolution on March 8, 2016, each community group or organization will be required to reapply every 5 years to substantiate their continued eligibility.

The Council Resolution dated March 8, 2016 identified that some annual grants are based on historical practices and that there is a need to understand more clearly the value of each allocation to the community. Council directed staff to develop criteria and an application process for groups and organizations who had been receiving annual grants to help ensure appropriate allocation of municipal funds.

In March of 2016, all annual grant recipients received notification that this resolution had been passed and that they would have to reapply for the 2017 allocation. The letter also indicated that an application form would be forwarded to them for this purpose and each organization would be required to reapply every five years thereafter.

## M-4. Leisure Services Annual Grant Allocation

As presented by Councillor McIntosh

WHEREAS various community groups receive an annual grant allocation from Leisure Services;

AND WHEREAS this grant allocation is based on historical practice, with many grant recipients predating municipal amalgamation;

AND WHEREAS the value for money for said grants are not clearly understood;

THEREFORE BE IT RESOLVED that in 2016, all recipients of Leisure Services Grants be informed that they will have to reapply for their 2017 grant allocation;

AND THAT clear criteria and application process be developed and presented to Finance and Administration Committee in September 2016;

AND THAT each community group be required to reapply every five years on a go forward basis.

### **New Process**

The application process will require that organizations receiving annual grants clearly identify the mandate of their organization, their programs, services and their impact on the community. The application will require that the specific use of the requested funds be explained and that clarification of how the programs and services enabled through the grant support the Strategic Priorities of the City of Greater Sudbury. Applicants will need to identify other municipal funding they have received, clarifying the amount and purpose for the allocation. This is consistent with the requirements for other municipal funding requests such as Healthy Community Initiative Funds in addition all recipients of grants will be required to endorse the Healthy Community Charter.

Each group or organization receiving an annual grant must also submit a year end report in order to confirm how the grant funds supported the Strategic Priorities of the City of Greater Sudbury and a Healthy Sustainable Community. An annual staff report based on the year end reports will keep Council informed of the use of municipal grants and their benefit to the community.
