WHEREAS it has been recognized that there is a need to devote as much of our available resources as possible on the re-construction and rehabilitation of the City's arterial and collector roads;

THEREFORE BE IT RESOLVED THAT the General Manager of Infrastructure Services be directed to provide a Report to the Finance and Administration Committee or City Council on or before October 27, 2015 consisting of a five-year plan which will contain recommended rehabilitation strategies and estimated costs by road classification subject to the following: That the top priority will be the satisfactory rehabilitation of the 741 lane kilometers of major roads and arterials through re-construction and/or rehabilitation with a variety of full restoration or large area patching;

AND THAT the next priority will be the satisfactory rehabilitation of the 616 lane kilometers of the collector roads through re-construction and/or rehabilitation with a variety of surface treatment or large area patching strategies; That all re-construction and/or rehabilitation of local roads will be limited to small- and large-area patching or pot-hole repair funded where possible through the operations budget lines for summer/winter maintenance program on an emergency or out of necessity basis until the first two priorities have been satisfied;

**RECOMMENDATION TO COUNCIL****Moved By** \_\_\_\_\_ **No.** OP2015-**Seconded By** \_\_\_\_\_ **Date** 2015-09-21

AND THAT a minimum of 70% of the Roads Budget shall be devoted to the top two priority items;

AND THAT the plan will use the total amounts of the relevant budget lines for Roads contained in the 2016-2019 Capital Budget Outlook for Infrastructure Services.

WHEREAS in 2011, an All-Way Stop warrant was completed for the intersection at Arnold Street and Moonrock Avenue and was recommended against based on traffic volume and collision information;

AND WHEREAS Arnold Street is a bus route and there is a day care situated at the intersection of Arnold Street and Moonrock Avenue;

AND WHEREAS there are no stop signs at all along Arnold Street to slow speeding traffic along that roadway;

AND WHEREAS the intersection of Arnold Street and Moonrock Avenue is large, with generously rounded corners, which make it easy for drivers to turn onto Moonrock without slowing down;

AND WHEREAS we need to ensure the safety of all children at play, pedestrians and drivers alike;

THEREFORE BE IT RESOLVED THAT the City of Greater Sudbury direct City staff to install an all-way stop at the intersection of Arnold Street and Moonrock Avenue.
