CARRIED

Regular Agenda

Managers' Reports

R-1 . Report dated April 4, 2014 from the General Manager of Infrastructure Services regarding Preventative Plumbing Subsidy Program.

The following recommendation was presented:

OP2014-31 Landry-Altmann/Kett: THAT the City of Greater Sudbury support and approve the 2014 -2015 extension of the Preventative Plumbing Subsidy Program as outlined in the report dated April 4, 2014 from the General Manager of Infrastructure Services;

AND THAT the previously allocated funding be approved for the years 2014 & 2015 from the Capital Financing Reserve Fund - Wastewater.

CARRIED

R-2 . Report dated March 26, 2014 from the General Manager of Infrastructure Services regarding Crosswalk Request – Elgin Street at Shaughnessy Street.

The following recommendation was presented:

OP2014-32 Kett/Landry/Altmann: THAT the City of Greater Sudbury install pedestrian warning signs for the unprotected crossing at the intersection of Elgin Street and Shaughnessy Street;

AND THAT the City of Greater Sudbury continue to monitor pedestrian and vehicle volumes at this intersection to determine if pedestrian signals, full traffic signals or an all-way stop become warranted;

AND THAT the City of Greater Sudbury review this location for the installation of a new type of pedestrian crossing facility currently being reviewed by the Province of Ontario, if it is approved.

CARRIED

R-3 . Report dated March 26, 2014 from the General Manager of Infrastructure Services regarding School Zone Speed Limits.

The following recommendation was presented:

OP2014-33 Landry-Altmann/Kett: THAT the City of Greater Sudbury reduce the speed limit to 40 km/h on the roadways listed in Exhibit 'A' in the report dated March 26, 2014 from the General Manager of Infrastructure Services regarding School Zone Speed Limits due to the presence of schools with primary grade aged students;

AND THAT a by-law be presented to amend Traffic and Parking By-law 2010-1 in the City of Greater Sudbury to implement the recommended changes in accordance with the said report.

CARRIED

R-4 . Report dated March 26, 2014 from the General Manager of Infrastructure Services regarding Southview Drive, West of Kelly Lake Road – Curve Warning Flashing Beacons.

The following recommendation was presented:

OP2014-34 Kett/Landry-Altmann: THAT the City of Greater Sudbury maintain the existing curve warning signs on Southview Drive, west of Kelly Lake Road.

CARRIED

R-5 . Report dated March 26, 2014 from the General Manager of Infrastructure Services regarding Bouchard Street at Marcel Street All-Way Stop.

Motion for Deferral

Councillor Caldarelli moved that this item be deferred to the next meeting of the Operations Committee for additional information.

CARRIED

QUESTION PERIOD

Speed Hump on Jeanine Street

Councillor Kett stated a speed hump was placed on Jeanine Street near Redwood Drive for a one year trial period and asked when the report will come back to the Operations Committee.

The Director of Roads & Transportation Services indicated the Councillor will be advised.

Sidewalk Policy Report

Councillor Kett asked when the sidewalk policy report will be presented.

The Director of Roads & Transportation Services advised the report should be presented next month.

Patching on Bellevue Avenue

Councillor Kett advised of a terrible patching work on Bellevue Avenue and asked that it be looked into.

The Director of Roads & Transportation Services advised this matter will be looked into and the Councillor advised.

Solar Speed Monitor

Councillor Landry-Altmann asked for information regarding the traffic count for solar speed monitor.

The Director of Roads & Transportation Services advised the information will be provided to the Councillor.

Sidewalks on Errington Street, Chelmsford

Councillor Berthiaume asked about the warranty for the sidewalks on the west side of Errington Street in Chelmsford.

The Director of Roads & Transportation Services advised the matter will be looked into and the Councillor advised.

Garbage on Streets

Councillor Berthiaume asked of the possibility of students being hired to pick up garbage.

The Director of Roads & Transportation Services advised the street sweeping process should pick up most of the garbage.

Adjournment

Landry-Altmann/Kett: THAT this meeting does now adjourn. Time: 6:51 p.m.

CARRIED
