Background

Part of the corporate mission of the City of Greater Sudbury is to “provide excellent access to quality municipal services”. As a means of bringing families and friends together regardless of socioeconomic status, the Community Development Department is proposing to implement a "Feel Free to Feel Fit/ À votre santé, sans rien dépenser!" five month pilot project offering free weekly swimming. The motivation for this policy is to provide individuals and families with an activity whereby no application, no means testing, and no proof of income are required.

Aside from supporting the Human Services Strategy and the Community Strategy to Reduce Poverty, which stress the importance of social inclusion and the determinants of health, the initiative also strengthens the Healthy Community Strategy by recognizing the Healthy Community Charter's pledges to create “a community that encourages individuals to take ownership of their health and well being; supports individual and family wellness and safety programs; and assigns appropriate resources to build capacity and equitable access for all”.

Program Description

What is being offered?

It is proposed that swimming be offered on a limited basis at no cost.

Where and when will the programs be offered?

Free weekly swimming will be offered at:

Dow Pool - Sundays 2:30pm to 4:00pm

Onaping Pool - Saturdays 1:00pm to 3:00pm

Nickel District Pool - Fridays 6:30pm to 8:00pm

Gatchell Pool - Saturday 3:00pm to 4:30pm

Howard Armstrong Centre - Friday 6pm to 7:00pm

When is the initiative set to begin?

The "Feel Free to Feel Fit/ À votre santé, sans rien dépenser!" program will begin Friday June 19th, 2009 for a five month pilot period ending Sunday November 22nd, 2009.

Who is eligible to participate?

The program will be open and free to the public on the scheduled dates.

Promotion

The Corporate Communications and French-Language Services Section will advertise the "Feel Free to Feel Fit/ À votre santé, sans rien dépenser!" swim times and locations to the public via the City of Greater Sudbury website. The Section will also produce English and French postcards with the listed swim dates and times for distribution to elementary school students through the four School Boards.

Bilingual posters will be placed at all 13 libraries, 5 community pools, 14 arenas, and the Citizen Services Centre at Tom Davies Square.

Information sheets will be mailed to Ontario Works recipients through the monthly cheque-stub mailout.

Best Start Hubs will be given information sheets to distribute to parents. Best Start Hubs will also be asked to include the swim times and locations on their monthly activity calendars.

Daycare providers throughout the City of Greater Sudbury will also be given information sheets through the Supervisor's Network Meeting to distribute.

The Fall/Winter Leisure Guide, released in August, will also include the schedule of swim times and locations.

Lastly, the Sudbury & District Health Unit has kindly agreed to advertise the "Feel Free to Feel Fit/ À votre santé, sans rien dépenser!" program on Big Daddy 103.9 as part of a radio campaign to encourage people to get out and get active by participating in low-cost or no-cost activities.

Evaluation

An evaluation tool to measure the success of the "Feel Free to Feel Fit/ À votre santé, sans rien dépenser!" program will be developed in consultation with the Healthy Community Cabinet Research Team. Indicators will include the effectiveness of the advertising campaign, barriers to access, the number of participants (pre and post), and the importance of participation because the activity is free. Evaluations and data collection pertaining to program usage will be summarized at the end of the pilot period to determine the feasibility of continuing, expanding or terminating the initiative. The evaluation results will be brought forward to City Council in December 2009.
