

Finance and Administration Committee Resolutions

Moved By Councillor SizelNo. FA2021-05Seconded By Councillor McIntoshDate Tuesday, February 16, 2021

THAT the City of Greater Sudbury approves the Non-Competitive purchase of consulting services from Operational Research in Health Limited (ORH Ltd.) to conduct a station location study, as outlined in the report entitled "Non-Competitive Purchase - Community Safety Department Station Location Study", from the General Manager of Community Safety, presented at the Finance and Administration Committee meeting on February 16, 2021.

CARRIED

Tuesday, February 16, 2021

Councillor Jakubo, Chair

*Committee Resolutions are not ratified
until approved by City Council.*

Finance and Administration Committee Resolutions

Moved By Councillor Sizel

No. FA2021- 06-A1

Seconded By Councillor McCausland

Date Tuesday, February 16, 2021

THAT the resolution be amended to replace the operative clause with the following:

THEREFORE BE IT RESOLVED that staff prepare a study of service standards and service delivery models for winter sidewalk maintenance before the end of August 2021, with recommended service level options for potential consideration as a possible business case as part of the 2022 budget deliberations, including but not limited to reviewing: snow accumulation to initiate operations; continuous plowing practices; priorities for the sidewalk network; service models and best practices in other cities; and alignment with active transportation policies and the goals of the Community Energy and Emissions Plan.

Finance and Administration Committee Resolutions

Moved By Councillor Sizel

No. FA2021- 06

Seconded By Councillor McIntosh

Date Tuesday, February 16, 2021

As Amended:

WHEREAS winter sidewalk maintenance has been the subject of significant interest in Greater Sudbury and City Council has a policy in place to define service expectations;

AND WHEREAS variable weather patterns in winter that include frequent freeze/thaw cycles contribute to conditions that can reduce pedestrians' ability to enjoy the City's sidewalks;

AND WHEREAS our current state of municipal emergency due to the COVID-19 virus makes winter sidewalk maintenance more important to help ensure the community can enjoy safe outdoor activities, such as walking, throughout the winter;

THEREFORE BE IT RESOLVED that staff prepare a study of service standards and service delivery models for winter sidewalk maintenance before the end of August 2021, with recommended service level options for potential consideration as a possible business case as part of the 2022 budget deliberations, including but not limited to reviewing: snow accumulation to initiate operations; continuous plowing practices; priorities for the sidewalk network; service models and best practices in other cities; and alignment with active transportation policies and the goals of the Community Energy and Emissions Plan.
