WHEREAS COVID-19 is a real and present risk in our community;

AND WHEREAS as a community we are doing everything we can to prevent the spread of COVID-19;

AND WHEREAS much of the community transmission has been seen largely through travel into Greater Sudbury;

AND WHEREAS there is widespread community concern about stopping unnecessarily travel into our community;

AND WHEREAS Public Health Sudbury and Districts has reported that variant strains have arrived in Greater Sudbury and these strains are highly contagious and travel with a frightening speed;

AND WHEREAS we have also learned of breakouts recently at Health Sciences North, Pioneer Manor and the Elizabeth Centre.

AND WHEREAS These new developments reinforce our consistent messaging of stay at home, mask up and please do not travel in or out of the region unless absolutely necessary.;

THEREFORE BE IT RESOLVED THAT City Council directs the Mayor to send a letter to the Premier of Ontario to request the establishment of awareness checkpoints along Highway 69 to discourage travel, similar to those in Quebec to dissuade those individuals to travel to our community for non-essential reasons, while still allowing the transport of goods, groceries or essential items.
