Mayor Bigger, Chair

Moved By Councillor Landry-Altmann No. CC2020-272Seconded By Councillor Jakubo Date Tuesday, November 24, 2020

WHEREAS the Minister of Finance of the Province of Ontario has introduced Bill 229, Protect, Support and Recover from COVID 19 Act - Schedule 6 – Conservation Authorities Act;

AND WHEREAS the Legislation introduces a number of changes and new sections that could remove and/or significantly hinder the critical role of Ontario's conservation authorities in regulating development, in the permit appeal process and when engaging in planning applications;

AND WHEREAS the City of Greater Sudbury relies on the watershed expertise provided by the Nickel District Conservation Authority (operating as Conservation Sudbury) to protect residents, property and local natural resources on a watershed basis. The Authority reduces risks to our community from hazards such as flooding in low-lying neighbourhoods, erosion of the banks of rivers such as the Vermilion and the Whitson, the dynamic shorelines of Wanapitei Lake and our more than 300 other lakes, and unstable ground near wetlands and steep valley slopes, which is achieved by regulating development and by engaging in reviews of proposals subject to the Planning Act;

AND WHEREAS the changes allow the Minister of Natural Resources and Forestry to make decisions without the benefit of a conservation authority's science based watershed data and expertise;

AND WHEREAS the Legislation provides the Minister of Environment Conservation and Parks with the ability to establish standards and requirements for non-mandatory programs, which locally could impact the education offerings that include school field trips to the Lake Laurentian Conservation Area. This would also apply to events such as the popular family fishing days and to the public's access to Camp Bitobig that runs in July and August. These are and must be local-level agreements between the City of Greater Sudbury and Conservation Sudbury to serve demands in our community;

AND WHEREAS the City of Greater Sudbury believes that the appointment of representatives to the Conservation Sudbury Board should be a municipal decision; and the Chair and Vice Chair should be duly elected annually;

AND WHEREAS the proposed changes to the 'Duty of Members' contradicts the fiduciary duty of a Conservation Sudbury board Member. Our appointed Members serve our residents by acting in the best interests of Conservation Sudbury and invariably its member municipality, as it carries out its responsibilities to the watershed;

AND WHEREAS all conservation authorities have already been working with the Province, the land development sector and municipalities to streamline and speed up permitting and planning approvals through Conservation Ontario's Client Service and Streamlining Initiative;

AND WHEREAS changes to the legislation will create more "red tape", increasing costs for both Conservation Sudbury and therefore the taxpayers in the City of Greater Sudbury and will potentially result in delays and greater uncertainty in the development-approval process;

AND WHEREAS the City of Greater Sudbury values and relies on our natural spaces and water resources for the health and well-being of residents; we value Conservation Sudbury's work to prevent and reduce the impacts of flooding and other natural hazards; and we value our conservation authority's contributions to ensure safe drinking water;

THEREFORE BE IT RESOLVED that the Council for the City of Greater Sudbury, with the support of Conservation Sudbury, requests the following:

- THAT the Minister of Finance withdraws Schedule 6 from Bill 229, Protect, Support and Recover from COVID 19 Act and,

- THAT the Province of Ontario works with all conservation authorities to find viable solutions to reduce "red tape" and create conditions for growth,

- AND THAT the Province support its long-standing partnership with the conservation authorities by providing them with the tools and financial resources needed to effectively implement their watershed management role.

AND BE IT FURTHER RESOLVED that this motion be provided to the Honourable Doug Ford, Premier of Ontario, the Honourable Rod Phillips, Minister of Finance, the Honourable Jeff Yurek, Minister of Environment Conservation and Parks, the Honourable John Yakabuski, Minister of Natural Resources and Forestry, the Honourable Steve Clark, Minister of Municipal Affairs and Housing, Jamie West MPP for Sudbury, France Gelinis MPP for Nickel Belt, and to Conservation Sudbury. *and all Ontario municipalities.*

Finance and Administration Committee Resolutions

Moved By Councillor Cormier No. CC2020-276
FA2020-60
Seconded By Councillor McIntosh Date Tuesday, November 3, 2020

WHEREAS current winter shelter options are limited by hours and frequency of operation;

AND WHEREAS there is increased pressure on the municipality to enhance services that are traditionally funded by the province;

AND WHEREAS a need for expanded winter shelter options has been identified;

AND WHEREAS expanding operational hours of warming shelter space will enhance services to the most vulnerable population;

AND WHEREAS a gap in service still remains due to the winter warming shelter protocols that are currently in place allowing them to open only under certain extreme weather conditions and on a temporary basis;

AND WHEREAS a need for shelter and warming space geared specifically for youth has also been identified;

AND WHEREAS full and appropriate staffing levels and support services are required to ensure the health and safety of everyone attending the warming centres;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs staff to work with our existing service providers, which include YMCA and the Sudbury Action Centre for Youth (SACY), to expand the availability of warming shelter space, such that it is available seven nights a week, effective as soon as possible to April 30 2021, and that this be funded in the amount of up to \$375,000.00 as follows:

- \$175,000 from the existing Social Services Relief Fund Phase 2 - towards the youth warming shelter and temporary youth shelter beds;
- \$200,000 from the existing Provincial Community Homelessness Prevention Initiative and Federal Reaching Home funding initiative;

AND BE IT FURTHER RESOLVED that staff report back to the Community Services Committee on the results of this initiative by the third quarter of 2021.
