Matters Arising from the Closed Session

July 7, 2020

Deputy Mayor Sizer, Chair of the Closed Session, reported that Council met in Closed Session to deal with one (1) Personal Matters (Identifiable Individual(s)) item regarding a performance review, one (1) Litigation or Potential Litigation / Solicitor-Client Privilege item regarding various litigation matters and one (1) Acquisition or Disposition of Land item regarding downtown parking in accordance with the Municipal Act, 2001, s. 239(2)(b), (c), (e) and (f). Direction was given to staff regarding the third matter.

Rules of Procedure

Mayor Bigger moved that the order of the agenda be altered to deal with Matters Arising from the Closed Session of August 12, 2020 at the arrival of Deputy Mayor Landry-Altmann and to deal with Matters Arising from Community Services Committee next.

Councillor Landry-Altmann arrived at 1:40 p.m.

Matters Arising from Community Services Committee

August 10, 2020

Councillor Lapierre, as Chair of the Community Services Committee, reported on the matters arising from the Community Services Committee meeting of August 10, 2020.

The following resolution was presented:

THAT the City of Greater Sudbury approves Community Services Committee resolutions CS2020-14 to CS2020-17 inclusive from the meeting of August 10, 2020.

Councillors Vagnini, Cormier and Leduc requested that Community Services Committee resolutions CS2020-14 and CS2020-15 be pulled and dealt with separately.

Councillor Signoretti requested that Community Services Committee resolution CS2020-16 be pulled and dealt with separately.

The following resolution was presented:

CC2020-190 Lapierre/Vagnini: THAT the City of Greater Sudbury approves Community Services Committee resolution CS2020-17 from the meeting of August 10, 2020.

Rules of Procedure

A Recorded Vote was held:

YEAS: Signoretti, Vagnini, Montpelier, McCausland, Kirwan, Lapierre, Jakubo, Sizer, McIntosh, Cormier, Leduc, Landry-Altmann, Mayor Bigger
CARRIED

The following are the Community Services resolutions:

CS2020-17 McIntosh/Leduc: WHEREAS the City of Greater Sudbury operates three campground (trailer park) facilities through a purchase of service agreement at Centennial Park (Whitefish), Ella Lake Park (Capreol) and Whitewater Lake Park (Azilda);

AND WHEREAS the City of Greater Sudbury owns the waterfront properties upon which the trailer parks are operated upon;

AND WHEREAS the Official Plan, at Section 7.3 Parks & Open Space Designation, 7.3.1 Parks and Open Space Public Ownership at subsection 8 stipulates that "8. Waterfront properties owned by the municipality will generally not be offered for sale or disposal..."

AND WHEREAS the Core Service Review report prepared for Council's review suggested at page 18, Ref. no. 33, under "Opportunities Requiring Further Study" that the City of Greater Sudbury perform a deep dive of the revenue generated vs. the cost of operating trailer parks to assess whether the costs of running trailer parks are worth the revenue generated from these services;

AND WHEREAS the Core Service Review also indicated that service levels for the corporation's trailer parks were classified as "above standard" because Greater Sudbury is unique in its provision of these services;

AND WHEREAS the Core Service Review also indicated at page 111 that "It should be noted that electrical upgrades are required for Trailer Parks with an estimated cost of \$427,000 budgeted for 2021";

AND WHEREAS on June 23rd, 2020, the COVID-19 Update Report generated considerable discussion among Council Members about whether municipal campgrounds should remain closed for the remainder of the 2020 operating season as a cost avoidance to be applied to offset the projected year-end 2020 COVID-19 deficit, which also raised the question of whether the City of Greater Sudbury should continue to operate trailer parks;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs staff to prepare a report in Q4-2020 for the Community Services Committee's consideration outlining the following:

- a) An evaluation of the operating and expected short-term capital costs to operate the 3 existing campground facilities versus the capital and operating cost of converting the lands to a community or regional park pursuant to section 7.2 of the Official Plan – Parks and Open Space Classification and Provision Targets.
- b) In consultation with Economic Development, an evaluation of the potential to pivot the campground facilities away from seasonal rentals towards short-term rentals which could be marketed to out-of-town visitors (post COVID-19)
- c) Provide an analysis of the fee structure and rental terms necessary to ensure that the full costs of operating the camp ground facilities are covered by user fees.

CARRIED

Riverglen Developments Ltd. – Application to extend a draft approved plan of subdivision approval (Riverdale Subdivision, Lively)

PL2020-89 Kirwan/Sizer: THAT the City of Greater Sudbury's delegated official be directed to amend the conditions of draft approval for a plan of subdivision on those lands described as Part of PIN 73378-0092, Part of Parcel 1386 SWS, Lot 7, Concession 3, Township of Waters, File #780-8/89008, in the report entitled "Riverglen Developments Ltd.", from the General Manager of Growth and Infrastructure, presented at the Planning Committee meeting on August 10, 2020, upon payment of Council's processing fee in the amount of \$1,365.88 as follows:

1. By deleting Condition #12 and replacing it with the following:
"12. That this draft approval shall lapse on May 18, 2022.";
2. By deleting the words "9 and 14" in Condition #11 and replacing them with "and 9";
3. By deleting the words "Infrastructure Services" in Condition #13 and replacing them with "Growth and Infrastructure";
4. By deleting Condition #14 entirely and replacing it with the following:
"14. Prior to the submission of servicing plans, the owner shall, to the satisfaction of the General Manager of Infrastructure, provide an updated geotechnical report prepared, signed, sealed and dated by a geotechnical engineer licensed in the province of Ontario. Said report shall, as a minimum, provide factual information on the soils and groundwater conditions within the proposed

development. Also the report should include design information and recommend construction procedures for storm and sanitary sewers, storm-water management facilities, water-mains, roads to a 20 year design life, the amass filling of land, surface drainage works, erosion control, slope stability, slope treatment and building foundations. Included in this report must be details regarding the removal of substandard soils (if any) and placement of engineered fill (if required) for the construction of homes. The owner shall also retain a hydro geological engineer to establish (minimum) monthly groundwater fluctuations by piezometer for a minimum of one (1) year cycle within the proposed lots. Also, the report must include an analysis illustrating how the groundwater table will be lowered to a level that will not cause problems to adjacent boundary housing and will, in conjunction with the subdivision grading plan and the geotechnical report, show that basements of new homes will not require extensive foundation drainage pumping. The investigation shall include as a minimum commentary with respect to minimum allowable bearing capacity of native materials, ground water table control for a foundation, potential soil gas issues, differential consolidation of underlying soil strata, as well as frost protection of the foundation for residential structures. The geotechnical and hydro geological information on building foundations shall be to the satisfaction of the Chief Building Official and Director of Planning Services. A soils caution agreement, if required, shall be registered on title, to the satisfaction of the Chief Building Official and City Solicitor."

5. By deleting Condition #15 entirely and replacing it with the following:

"15. The owner shall employ the services of a registered Professional Engineer to ensure slopes are designed and constructed in a manner that shall ensure the safety of the occupants of the home and any structures to ensure the long-term stability of the constructed slopes, to the satisfaction of the Nickel District Conservation Authority.";

6. By deleting Condition #17 entirely and replacing it with the following:

"17. The owner must identify the limits of the floodplain for lots adjacent to Junction Creek to the satisfaction of the Nickel District Conservation Authority. No development shall occur within the floodplain.";

7. By deleting Condition #18 entirely and replacing it with the following:

"18. The owner shall provide to the City, as part of the submission of servicing plans a Sediment and Erosion Control Plan detailing the location and types of sediment and erosion control measures to be implemented during the construction of each phase of the project. Said plan shall be to the satisfaction of the General Manager of Growth and Infrastructure and the Nickel District Conservation Authority. The siltation control shall remain in place until all disturbed areas have been stabilized. All sediment and erosion control measures shall be inspected daily to ensure that they are functioning properly and are maintained and/or updated as required. If the sediment and erosion control measures are not functioning properly, no further work shall occur until the sediment and/or erosion problem is addressed.";

8. By adding the following words to the end of Condition #19:

"A lot grading agreement, if required, shall be registered on title to the satisfaction of the Director of Planning Services and the City Solicitor. The owner shall be responsible for the legal costs of preparing and registering any required lot grading agreement.";

9. By deleting Condition #20 entirely and replacing it with the following:

"20. A storm-water management report and associated plans must be submitted by the Owner's Consulting Engineer for approval by the City. The report must address the following requirements:

a) The underground storm sewer system within the plan of subdivision must be designed to accommodate and/or convey the minor storm flow, that is, the rainfall runoff resulting from the subject site and any external tributary areas using the City's 2 year design storm. The permissible minor storm discharge from the subject development must be limited to the existing pre-development site runoff resulting from a 2 year design storm. Any resulting post development runoff in excess of this permissible discharge rate must be controlled and detained within the plan of subdivision;

b) The overland flow system within the plan of subdivision must be designed to accommodate and/or convey the major storm flow, that is, the rainfall runoff resulting from the subject site and any external tributary areas using the City's 100 year design storm or Regional storm event, whichever is greater, without causing damage to proposed and adjacent public and private properties. The permissible major storm discharge from the subject development must be limited to the existing pre-development runoff resulting from a 100 year design storm or Regional storm event, whichever is greater;

c) "Enhanced" level must be used for the design of storm-water quality controls as defined by the Ministry of the Environment, Conservation and Parks;

d) Storm-water management must follow the recommendations of the Junction Creek Sub-watershed Study;

- e) The drainage catchment boundary including external tributary catchments and their respective area must be clearly indicated with any storm-water management plan;
 - f) The final grading of the lands shall be such that the surface water originating on or tributary to the said lands, including roof water from buildings and surface water from paved areas, will be discharged in a manner satisfactory to the General Manager of Growth & Infrastructure;
 - g) Minor storm drainage from the plan of subdivision shall not be drained overland onto adjacent properties;
 - h) Existing drainage patterns on adjacent properties shall not be altered unless explicit permission is granted; and,
 - i) The owner shall be responsible for the design and construction of any required storm-water management works to the satisfaction of the General Manager of Growth & Infrastructure as part of the servicing plans for the subdivision and the owner shall dedicate the lands for storm-water management works as a condition of this development."
10. By adding the word "Services" after the words "Director of Planning" in Condition #30;
11. By adding a new Condition #32 as follows:
- "32. That in accordance with Section 59(4) of the Development Charges Act, a notice of agreement shall be registered on title to ensure that persons who first purchase the subdivided land after registration of the plan of subdivision are informed, at the time the land is transferred, of all development charges related to development.";
12. By adding a new Condition #33 as follows:
- "33. A geotechnical report will be required, addressing the requirements for compliance to the "On-Site and Excess Soil Management" in O.Reg. 406/19 made under the Environmental Protection Act, if required, by the construction process planned for the subdivision including the excavation of basements, all to the satisfaction of the Chief Building Official."; and,
13. By adding a new Condition #34 as follows:
- "34. The owner must identify the limits of the wetlands west of Birch Avenue and south of Black Creek Drive. Parcels that contain wetland must demonstrate a sufficient building envelope outside of the wetland. For any lots that cannot demonstrate a building envelope outside of the wetland, the applicant must demonstrate, through the proper technical studies (ie. Geotechnical and/or hydrogeological studies), that development within the wetland is consistent with the requirements of Ontario Regulation 156/06 and the Conservation Authorities Act. All of this work must be done to the satisfaction of the Nickel District Conservation Authority."

CARRIED BY TWO-THIRDS MAJORITY

The following resolution was presented:

WHEREAS the building situated at 162 MacKenzie Street is a landmark building with strong historical links to its surroundings and should be designated to be of cultural heritage value or interest;

AND WHEREAS the building at 162 MacKenzie Street is the site of the former St-Louis-de-Gonzague School which was constructed in 1914, and is the oldest school still standing in Greater Sudbury;

AND WHEREAS, although Règlement 17 (1915) prohibited French education provincially, St-Louis-de-Gonzague School was the first school in Northeastern Ontario permitted to offer French language education, while also providing an English curriculum;

AND WHEREAS this building and what it stood for is significant for the Francophone community;

AND WHEREAS the building at 162 MacKenzie Street is architecturally unique in Greater Sudbury, with the exceptional Art Deco ornamentation of its main façade projection and cornice, as well as segregated student entrances;

AND WHEREAS the building at 162 MacKenzie Street has all of the characteristics required by current practices in built heritage preservation, knowingly age, authenticity and representativeness;

AND WHEREAS the former St-Louis-de-Gonzague elementary school is a threatened property and its exterior needs the protection of a Heritage Act designation to ensure its continued historical existence;

AND WHEREAS members of the Uptown Sudbury Community Action Network, and a working group consisting of architects, historians, information technologists and archaeologists have, since June 2019, collectively lent their expertise in the research of supplied documents and community consultation that support a designation to protect the exterior of the building at 162 MacKenzie, and are requesting that the building be designated as a Heritage building in order to protect its exterior from further neglect, deterioration and eventual demolition;

AND WHEREAS the first step towards having the building designated under the Heritage Act would involve its evaluation by a member of the Canadian Association of Heritage Professionals;

AND WHEREAS such a member has already been retained by the City of Greater Sudbury to evaluate the Copper Cliff Fire Hall and is available to conduct the evaluation of the building at 162 MacKenzie should that retainer be expanded to include 162 MacKenzie;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury direct staff to procure a Cultural Heritage Evaluation Report, prepared by a member of the Canadian Association of Heritage Professionals, of all sides of the exterior façade of the former Saint-Louis de Gonzague school at 162 MacKenzie Street, in accordance with the Ontario Heritage Act and Ontario Regulation 9/06 and report back to Council with findings and recommendations by the end of October, 2020;

AND BE IT FURTHER RESOLVED that the City of Greater Sudbury direct staff to fund the cost of the evaluation report from the Planning Services Division 2020 Operating Budget.

Rules of Procedure

Councillor Landry-Altmann presented a friendly amendment to change "October" to "November".

The following resolution with the inclusion of the friendly amendment was presented:
