By copy of this email, I have forwarded your inquiry to Planning Services. If you wish to contact someone directly, please dial 3-1-1 and ask for the Planning Department.

Thank you,
Clerk's Services

Thanks again for the phone call and discussions on this matter.

Would it be possible for you to provide the Greater City of Sudbury's Mill rate for Rural properties VS Park designated properties?

Understandably that Mpac sets the property values, we would like some clarification on what if any Mill Rate change due to this new re zoning will have on the property tax calculation.

Thank you very much for you're feedback.

R Burton.
