Lively Recreation Advisory Panel & Community Engagement Process Update

Presented To:	City Council
Meeting Date:	November 23, 2021
Type:	Correspondence for Information Only
Prepared by:	Jeff Pafford Leisure Services
Recommended by:	General Manager of Community Development

Report Summary

This report provides information on initial findings from the Lively Recreation Advisory Panel, and results of the first round of community engagement for recreational amenities in the Lively area as a result of the disposition of Meatbird Lake Park.

Relationship to the Strategic Plan, Health Impact Assessment and Community Energy & Emissions Plan (CEEP)

This report supports Council's Strategic Plan in the area of Strengthening Community Vibrancy by involving community groups and community members to collaborate in the project leading to outcomes that make residents integral to, and partly responsible for, the project's success.

The community engagement process reflects the Community Energy and Emissions Plan (CEEP). Future recommendations emanating from this process will consider the goals outlined in the CEEP, as revised in March 2021.

Financial Implications

There are no financial implications associated with this report.

Background

At the September 22, 2020, Council meeting, Vale Canada presented a proposal to purchase Meatbird Lake from the City of Greater Sudbury. The purchase would allow Vale to undertake tailings dam improvements, including an erosion control project located near the park. It also affords Vale the opportunity to perform environmental remediation work on the site and to discontinue pumping potable water to the lake, resulting in water conservation.

Additional conversations regarding the sale of the land were held in closed session in accordance with the Municipal Act, which permits closed discussions regarding real estate matters.

Resolution CC2021-105 was passed at the April 12, 2021 City Council meeting which read:

THAT the City of Greater Sudbury dispense with the procedures outlined in Property By-law 2008-174 and Parkland Disposal Policy By-law 2010-158;

AND THAT the City of Greater Sudbury authorize the sale of 785 Municipal Road 24, Lively, legally described as PIN 73377-0106(LT), SRO, being Part 5, Plan 53R-15225, and Parts 1 to 5, Plan 53R-7549, Township of Waters, City of Greater Sudbury;

AND THAT a by-law be presented authorizing the sale and the execution of the documents required to complete the real estate transaction;

AND THAT the net proceeds of the sale be credited to the Capital Financing Reserve Fund -General, dedicated to the improvement of leisure infrastructure in the Walden (Lively) area.

The sale of Meatbird Lake Park was finalized on May 7, 2021. The agreed upon price for the property was \$4 million which will be reinvested in recreation projects in Lively.

At the June 29, 2021 meeting of City Council, a report titled 'Community Engagement for Recreational Amenities in Lively' was presented. The report proposed a process for gathering public input on options for recreational amenities in the Lively area as a result of the closure and sale of Meatbird Lake Park. The Council directed staff to undertake a public engagement process which included the following features:

- A robust public engagement process that includes online and continuous dialogue with interested stakeholders.
- Criteria for evaluating potential recreational amenities that reflects, at a minimum, existing municipal Financial, Planning, Recreational and Environmental policies.
- An Advisory Committee with membership as described in this report and Terms of Reference that are subject to review and approval by City Council.
- A promotion and marketing plan to ensure broad awareness and current information about this work.

This report indicated that staff would return with information from the initial engagement in the Fall of 2021.

City Council approved terms of reference for a Lively Recreation Advisory Panel at the City Council meeting of July 14, 2021. The mandate of the panel is to serve as a link between the City of Greater Sudbury, various stakeholders and the community at large, in the development of a plan ensuring future recreational amenities in Lively reflect local needs in alignment with Council's strategic priorities. Primary objectives of the panel are:

- To advise municipal staff on new or upgraded recreation opportunities that will meet the needs of the Lively community and that supports the creation of a plan for applying the proceeds from the sale of Meatbird Lake Park.
- To provide input and insight on location development or improvements for recreation infrastructure.
- Assist city staff in preparation of final recommendations to Council.

As per the approved terms of reference, the Advisory Panel is comprised of 10 members:

- 7 citizens as appointed by Council, including:
 - 2 Lively residents who are youth (12 to 18)
 - A Lively resident who is a parent/guardian (child/children under 18)
 - A Lively resident who is an older adult
 - 2 community members
 - A member of an active Lively area neighbourhood association or community group
- The Ward Councillor
- The Director of Leisure Services
- A staff member of the Communications and Community Engagement section

Citizens were appointed to the Lively Recreation Advisory Panel at the Nominating Committee of August 18, 2021. The following citizens were appointed by Council:

- Mikella Morin and Andrea Ormerod to the Lively (residents who are youth)

- Kendra MacIsaac (resident who is parent/guardian of a child or children under 18)
- Barbara Gliberry (resident who is an older adult)
- Richard Eberhardt and Stacy Fahey Paajanen
- (two community members from anywhere in Greater Sudbury)
- Karen Makela (member of an active Lively area neighbourhood association or community group)

Community Engagement Process Update

Initial engagement took place from September 17 to November 8, 2021. A survey and idea board were available on Over to You, the City's online community engagement portal, where residents could submit their input on how well existing community recreational activities are contributing to quality of life, and how the \$4 million received from the sale of the Meatbird Lake Park property might best be re-invested to serve the future needs of the Lively/Walden community.

There were several online tools and information sources available, including background reports, frequently asked questions, posters, a survey and an idea board. The site was updated regularly as additional information became available, and interested residents were able to sign up for update notifications. Recordings of the Lively Recreation Advisory Panel virtual meetings were posted to the site to ensure transparency throughout the process. Paper copies were available at Citizen Service Centre/Library locations, and residents could submit their feedback via 311.

The survey was promoted throughout the Lively area with posters at various private businesses and City facilities, including the arena, Library/Citizen Service Centre and park locations. Community groups, Community Action Networks (CANs) and neighbourhood associations assisted through promotion to their networks. The information was shared on the City of Greater Sudbury website, through paid social media advertising, digital billboards and with media partners through Public Service Announcements.

Summary of Survey Responses

The Over To You site received a total of 3,000 visitors with 513 engaged visitors.

Traffic to the site was most often directly to the Over To You website or via social media.

The survey received 396 responses through the online portal, 311 and paper copies. The total number of visitors to the survey was 805.

Most of the responses were from individuals who identified as living in Lively and Naughton. The survey was completed primarily by residents in between the age of 30-49 and 60-69 years old. Responses were received from individuals in the following age categories:

- 2 responses from individuals 17 years of age and under
- 37 responses from individuals aged 18-29 years old
- 100 responses from individuals aged 30-39 years old
- 96 responses from individuals 40-49 years old
- 60 responses from individuals 50-59 years old
- 72 responses from individuals 60-69 years old
- 26 responses from individual 70-79 years old
- 3 responses from individuals 80 years and older

The common responses in the survey showed the many residents are looking for:

- Swimming options or amenities
- Affordable, multi-use facilities that are accessible and inclusive
- Investment in indoor and year-round facilities
- Upgrades to exciting parks, recreation facilities and open spaces

Some of the key questions and responses are highlighted below. A full report of the survey results can be

found in Appendix A.

What do you feel are the most important public recreation opportunity?

The responses with the highest engagement included:

- 195 walking and hiking
- 171 swimming (outdoor)
- 157 swimming (indoor)
- 126 cross country skiing.

What are the most important factors when it comes to recreational amenities?

The important factors were:

- 258 affordability
- 239 multi-use facility
- 209 accessibility and inclusivity.

From the list below, please select what you feel are the most important factors when considering improvements needed to serve the Lively/Walden?

The most important factors were:

- 213 providing swimming opportunities
- 190 invest in indoor, year-round facilities
- 161 upgrade existing parks, recreational facilities, paths and open spaces.

What features are important to you in a swimming amenity?

The most important features were:

- 265 changing area and locker room
- 221 easy accessibility for seniors, families and people with special needs
- 195 picnic area.

Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area. (1 being the highest priority)

The City-owned facility Anderson Farm was ranked the highest, with Centennial Park ranked the lowest.

The top three were:

- 2.70 Anderson Farm
- 2.95 Green Space Behind Lively Citizen Service Centre/Library
- 3.25 Lively Ski Hill Property

Common responses on investments in current locations:

- Many agreed with the importance of upgrading and providing a new swimming opportunity
- Upgrades included: Baseball fields, pools, stake park, rink, splash pads
- Upgrades to current infrastructure: Ski Hill, tennis courts, ski chalet.

Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The most common ideas were:

- Sixth Avenue Golf Course mentioned 70 times
- Walden Cross Country Ski mentioned 20 times
- Expand Walden Arena mentioned 11 times
- Hillcrest mentioned 7 times.

Idea Board

A total of 411 visitors viewed the idea board with 138 contributors and 522 contributions (likes, comments on contributor ideas). Ideas with the most votes, in order, were:

- Purchase new land (Sixth Avenue Golf Course was the most popular location)

- Clean up Simon Lake for swimming
- Skate Park
- Outdoor Pool
- Walking Track
- Add to Tom Davies Arena
- Add to the outdoor space at the library

Lively Recreation Advisory Panel Update

The initial meeting of the Lively Recreation Advisory Panel was held on September 22, 2021. The Panel has met virtually biweekly since, with meeting agendas including updates on the community engagement process. In the interest of transparency, meetings were recorded and posted online at <https://overtoyou.greatersudbury.ca/livelywalden>. In addition, City staff provided Panel members with the following information to guide future discussions with respect to recreation infrastructure development in the area:

Parks, Open Space & Leisure Master Plan Priorities

The City's Parks, Open Space and Leisure Master Plan (2014) identifies the following gaps and needs for parks and recreation infrastructure in the Walden (Lively) area:

- Walden should be considered for the installation of fully accessible barrier-free playground (estimated cost \$250,000 to \$350,000).
- Consider the provision of three additional mini soccer fields in Walden (estimated cost is between \$200,000 to \$300,000).
- Interest was expressed through the public open houses for a new skate park in Lively. Estimated cost for a new skate park (module equipment) is estimated in the range of \$125,000 to \$250,000.
- Walden has the highest per capita supply of active parkland in the City.
- Between 2011 and 2036, the child and youth population of Walden (ages 0 to 19) is forecasted to grow by 9%, the highest growth rate in the City. Based on this projection, investment in play and assets such as basketball courts, skate parks, etc. to be considered.

Existing Approved Recreation Projects

Panel members were provided information regarding previously approved capital projects which will see improvements in the Lively and Walden areas, including plans for the Outdoor Court Revitalization and Playground Revitalization projects.

Update on State and Utilization of Existing Recreation Infrastructure

City staff provided information on capital requirements called for in Building Condition Assessments of various recreation facilities in the Lively and Walden areas. Where available, utilization trends and data were provided. Information about the following facilities was shared:

- Anderson Farm
- Centennial Park
- Lively Ski Hill
- Sixth Avenue Playground
- TM Davies Arena

Parkland Requirements & Green Space Advisory Panel Recommendations

The City currently maintains a total of 1,400 hectares of parkland over the municipal district. This service level of 7.3 hectares per 1,000 residents is higher than the provision level of 4.0 hectares per 1,000 residents established by the City's Parks, Open Space, and Leisure Master Plan. With respect to parkland requirements for the Walden/Lively area, the Parks, Open Space & Leisure Master Plan Review (2014) noted that the area was measured to have 31.6 hectares per 1,000 residents.

The Green Space Advisory Panel provided an Interim Green Space Advisory Panel Report in 2013, which identified parkland gaps at a community level. The report noted two small gaps in Lively for a neighbourhood level parks in the Little Creighton and Jacobson Drive areas. The report also identified a gap for a linear park

for Lively which has since been realized through the development of parkland as part of the Sugarbush subdivision. There were no other parkland gaps noted in the Walden service area.

Planning Services Presentation

Staff from the City's Planning Services Division provided information relating to demographic information and trends for Walden/Lively areas. An overview of the City's Community Energy and Emissions Plan (CEEP) and goals was also presented.

Key Findings from the Lively Recreation Advisory Panel

Based on the initial community engagement results, and the background information provided regarding demographics, master plan priorities, and other relevant strategic documents, the Panel has identified several key and emerging themes to help guide future project work:

- Targeted engagement is required to ensure more youth feedback is obtained about future recreation needs, considering the demographics and projection trends of the area.
- An approach to Atikameksheng Anishnawbek should be undertaken to determine their interest in the project and explore opportunities to collaborate.
- Several ideas submitted through the engagement process, while exciting, would likely require investment beyond the proceeds received from the disposition of Meatbird Lake Park (\$4 million). It will be important to continue to emphasize the project budget involved to manage community expectations.
- Investment should be targeted in facilities and amenities that provide universal, accessible, and low and no-cost access for residents.
- The enhancement/establishment of a swimming feature for the community has emerged as a central theme to be further explored.
- An emerging theme is to focus on investment in outdoor spaces versus vertical infrastructure (buildings).
- Enhancements and/or creation of active, outdoor amenities, such non-motorized trails, skate parks and pump tracks, are also viewed as an emerging priority for investment consideration.
- Emphasis should be placed on the co-location of amenities and multi-purpose facilities versus stand-alone features. Considerations for community gathering/socialization spaces should be considered.
- While there was significant support for investment in the Lively Service area, there was also a great deal of support for investment in other areas of the larger Walden community which should be further explored.

Next Steps

Considering the feedback received from the initial round of community engagement, and the key findings summarized by the Lively Recreation Advisory Panel, staff will conduct extensive community consultation and report back to City Council by the end of the second quarter of 2022. Staff anticipate that the report will include recommendations on potential investment in recreational amenities in the Lively/Walden area.

The key findings, as identified by the Advisory Panel will guide the development of the engagement strategy, with a separate plan focused on engagement with youth. The Advisory Panel will support and assist staff in the development and implementation of these plans.

Recreation Survey

SURVEY RESPONSE REPORT

01 June 2021 - 12 November 2021

PROJECT NAME:

Lively/Walden: Help Shape Your Future

SURVEY QUESTIONS

Q1 From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Question options

- Aerobics, Fitness or Weight training
 ● Basketball (outdoor)
● Cross-country Skiing
● Cycling or Mountain Biking
- Downhill Skiing
 ● Gymnasium Sports
● Ice Sports / Skating (indoor)
● Ice Sports / Skating (outdoor)
- Playground Equipment
 ● Skateboarding
● Splash Pads
● Sport Fields (e.g. baseball, soccer, etc.)
- Swimming (indoor)
 ● Swimming (outdoor)
● Tennis or Pickleball
● Walking or Hiking
- Water Sports (e.g. canoeing, kayaking, etc.)
 ● Other (please specify)

Optional question (395 response(s), 1 skipped)
 Question type: Checkbox Question

Q2 Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Question options

- Don't Know
- No
- Yes (please specify)

Optional question (384 response(s), 12 skipped)
Question type: Checkbox Question

Q3 What are the most important factors when it comes to recreation amenities? (choose up to three)

Question options

- Accessibility and inclusivity
- Affordability
- Environmental stewardship
- Modern facilities
- Multi-use facilities
- Sustainability
- Other (please specify)

Optional question (394 response(s), 2 skipped)
Question type: Checkbox Question

Q4 From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Question options

- Acquire more land for future parks ● Concentrate on maintaining existing parks and facilities only
- Investment in indoor, year-round facilities ● Investment in outdoor, seasonal facilities
- Provide new recreation opportunities for older adults ● Provide new recreation opportunities for youth
- Provide swimming opportunities ● Upgrade existing parks, recreation facilities, paths and open spaces
- Other (please specify)

Optional question (396 response(s), 0 skipped)
 Question type: *Checkbox Question*

Q5 | I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Question options

- Agree
- Disagree

*Optional question (392 response(s), 4 skipped)
Question type: Checkbox Question*

Q6 If you agreed to the above question, what type of public swimming facility is most needed in the area?

Question options

- Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
- Outdoor public pool
- Splash pad
- Swimming beach at a lake, river or pond
- Urban beach
- Other (please specify)

Optional question (333 response(s), 63 skipped)
Question type: Checkbox Question

Q7 Which of these features are important to you in a swimming amenity? (choose up to 5)

Question options

- Change areas / locker rooms
 ● Community room for training / parties
● Concessions / snacks
● Diving board(s)
- Easy accessibility for seniors, families and people with special needs
 ● Inflatable obstacle course
● Picnic area
- Sand volleyball court
 ● Splash play area
● Water slide
● Other (please specify)

Optional question (359 response(s), 37 skipped)
 Question type: Checkbox Question

Q8 | Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

OPTIONS	AVG. RANK
Anderson Farm	2.70
Green Space behind Lively Citizen Service Centre/Library	2.95
Lively Ski Hill Property	3.25
Sixth Avenue Playground	3.29
Simon Lake Park	4.03
Centennial Park (Whitefish)	4.39

Optional question (366 response(s), 30 skipped)
Question type: Ranking Question

Q9 | For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

- 9/17/2021 12:17 PM
100% environment protection and eco-conscious
- 9/19/2021 10:50 AM
1. Outdoor pool with change rooms and picnic tables. 2. Splash pad or additional heritage programming. 3. Expand maintenance and transit access. 4. Re-open or sell for private resort development. 5. Environmental clean-up. 6. Do not invest only maintain.
- 9/19/2021 07:53 PM
I don't feel that anything needs to be added to these facilities. We need new facilities such as what is possible if the former Sixth Ave golf course is purchased.
- 9/21/2021 12:14 PM
Anderson Farm - upgrade playground, create an outdoor swimming facility
- 9/22/2021 08:58 PM
Anywhere it is I think an outdoor pool would benefit everyone. And a better skatepark instead of the tennis courts at sixth Ave playground
- 9/22/2021 09:12 PM
I don't think we should spend the money on property the city already owns. Buy the old sixth avenue golf course and make it a swimming spot and walking trails. City owned property should be maintained by the city, not money from the sale of Meatbird.
- 9/23/2021 06:07 AM
I would like to see an outdoor pump track like the one in Sault Ste Marie. It's fun for all ages, my kids, ages 13 and 10, and my husband, age 42 love the one in the Sault and we have driven there just to use this facility.
- 9/23/2021 10:35 AM
Active use at Simon Lake will keep algae from growing from the bottom and use a bubbler system to keep algae from floating into the beach. Add an outdoor basketball court and cover our outdoor rinks

9/23/2021 11:12 AM

Clean up the ball field and make it useable. Have a young kids baseball league or kick ball.

9/23/2021 12:08 PM

Having been a Lively resident all of my life, and an avid user of Meatbird since I was a child, my thoughts for recreation in our area is for the previous 6th Avenue Golf Course to be purchased, and worked, just as you would a fixer-upper home. We cannot have everything at once, but with matching grants, regular grants, volunteers, etc., it would become a jewel in our area. Any other funding should be directed to the clean-up of the shoreline at Centennial Park, which is another underdeveloped jewel for all residents in the Walden area. A backhoe needs to be brought in to clear out a larger length of beach, and to rid the shoreline of the weedy areas. Although Simon Lake used to be such a wonderful area, it has been polluted to the point that without a very heavy investment it will not ever be a beautiful and swimmable beach again. I would, of course, love to have a Recreational Complex like the one in Espanola, but we do not have access to those kinds of funds.

9/23/2021 12:59 PM

I believe an Indoor Year Round Recreation Centre would be amazing for Lively. Any outdoor amenities are limited to 3-4 months out of the year. If we could get an Indoor Swimming Pool, Community Centre with Gym/Walking track would be amazing for the community. The closest access to these is Laurentian University. Would be amazing to have activity programs such as Gymnastics/Dance/etc for children in the community instead of having families travel to Sudbury and other surrounding communities to access these after school programs.

9/28/2021 11:26 AM

6th ave golf course will provide for all the above ideas for our future

10/05/2021 03:25 PM

1. Additional outdoor facilities could be added to the Anderson Farm location. 2. Add winter tubing or conveyor lift at Lively ski hill. This will promote more tickets sales in the the winter if young children can access easy lift for the bunny hill. 3. Clean up lake to have proper access to swimming, potential kayak/canoe rentals from the park building.

10/05/2021 04:54 PM

I do not think the money should be put into existing locations suggested in the list above. 6th avenue recently saw major improvements, the green space behind the senior centre is fine the

way it is, Anderson Farm is a heritage site so not much should or could be changed there, Simon Lake will take way more money than we have and will take years to clean up if it even can be, the Lively Ski Hill is under constant threat of closure by the city and is not used by all residents so why put money into something used by a few that the city wants shut down, and Centennial is inaccessible and too far away for most Lively residents.

10/05/2021 06:06 PM

I'm tired of the Lively Ski Hill being on the chopping block every time the budget comes up. I would like the ski shack area improved and some funds to keep our Ski Hill. I also want funds to keep the Beaver Lake welcome centre so private sponsors don't have to pay for it. I want outdoor fitness amenities for adults, we already have playgrounds and splash pads here.

10/06/2021 07:19 AM

Anderson Farm I believe is the perfect location for any future recreational development

10/06/2021 08:47 PM

None of these locations are what I would want, 6th Avenue Golf course would be ideal for expansion of outdoor activities for our youths and easily accessible as appose to have to drive to Simon Lake or Centennial Park.

10/06/2021 08:48 PM

Simon lake park is a beautiful space however the water is terrible. I would love to see it cleaned up amd made into a usable space

10/06/2021 08:51 PM

Dirt packed BMX Park in that area would be great for teens, bikeable distance wherever feasible.

10/06/2021 08:52 PM

Upstairs at arena could be repurposed for a gym/indoor walking. We need a place for families in Lively to swim so purchasing land to make that happen would be nice.

10/06/2021 08:52 PM

Build new facilities that are not currently in Liveky.

10/06/2021 08:54 PM

Simon lake is such a beautiful park that we just can't use. Please use the money to help clean it up so our kids can swim at an existing lake. It's so perfect. Already have change rooms,

washrooms etc. Also a large space to integrate a dog park in the area as well. Lots of parking already. Lots of shade. Large beach. It's the ideal location for outdoor swimming. Why some want to buy vacant property is beyond me. Clean up what we have!

10/06/2021 08:57 PM

Simon lakes needs to be made whole again for swimming
Anderson farm needs to be used more

10/06/2021 08:57 PM

6th ave- upgrade tennis courts/video surveillance, covered ice rink
Simon lake- clean lake so it is swimmable

10/06/2021 09:01 PM

Upgrade tennis courts or tennis bubble. Simon Lake - Clean lake so it is swimable and upgrade facility to accomidate swimmer and other events on the property. Ski Hill - Upgrade lift and facility annd create area for tubing/sliding.

10/06/2021 09:03 PM

bigger beach for families, new playground at simon lake for kids, activities for kids at anderson farm

10/06/2021 09:28 PM

I think the investment should be made at Anderson farm. It is the best location to add a facility

10/06/2021 09:31 PM

Simon lake - will never be able to swim in it. sell to make money on property tax Sixth avenue playground - add roof with lights under roof Centennial park- to far for kids to walk too. Anderson farm should be left alone as it should be a historical site Behind library sold for houses and property tax Lively ski hill- should be better maintained and new shack. We have a public owned golf course which is in need of a driving range to attracted more youth to learn the game. The golf course could maintain the grass on the property as well which would save the city some costs. sixth Ave property would be great. And the city can rent the building out and build a swimming hole on the rest of the property. Lots of room!! We can do lots and there are plenty of volunteers to help.

10/06/2021 09:38 PM

I picked Anderson Farm for its central location. The idea of outdoor swimming/beach is the tricky one. The quality of water sources, for example, Simon Lake, is deplorable. Centennial park is not bad but not central. Limited beach space also. If an indoor pool and recreation center was built on Anderson Farm space it would have

lots of room.

10/06/2021 09:44 PM

Green space where library is, could be expanded to include indoor pool, fitness area, activities for all yr round. Simon Lake could benefit from water improvement, cleaner beach are and snack shop,

10/06/2021 09:50 PM

Simon lake needs to be cleaned by removing algae and improving water quality. It has a great park and space for families only 5-10minutes away from lively.

10/06/2021 09:53 PM

Splash pad behind library. Baseball diamond at Anderson Farm. Climbing, zipline, agility at Lively Ski Hill.

10/06/2021 10:04 PM

1. A sustainable way to clean the lake or provide a splash pad at the location, upgrade the park and the clubhouse. So many opportunities to rent the space or to run summer camps.

10/06/2021 10:08 PM

Anderson farm may have enough room in the surrounding open field next to the road and behind St James for building a facility and parking without necessarily tearing down the historic buildings.

10/06/2021 10:15 PM

Skate park at 6th Ave

10/06/2021 10:19 PM

Why was the Tom Davies arena not included, there is space and opportunity to add an indoor swimming area, party rooms, change rooms and indoor year round walking/exercise area to this location. Next option build an indoor pool, w change rooms, party rooms, walking track exercise at anderson farm. Proper skate park and pump track at anderson farm.

10/06/2021 10:25 PM

Splash pad, walking and mountain bike trails, picnic areas

10/06/2021 11:01 PM

Centennial park would be a beneficial swimming area for our community. Arena needs new washrooms and bigger concession stand maybe add a pool onto this building just like Espanola has. Roads need major fixing everywhere. Black lake road is horrible.

Sixth ave could use maintenance rink and all other rinks around the lively Naughton area. Anderson farm could use some maintenance maybe a bigger park and concession stand.

10/06/2021 11:55 PM

Sixth ave-walking paths, swimming if possible, beach volleyball, skatepark Simon lake-swimming, water sports, winter ice rink

10/07/2021 12:05 AM

The sixth avenue playground area should be optimized with upgraded tennis courts and a skatepark for summer and maintain/upgrade building and outdoor rink for winter Anderson farm has some areas that could accommodate facilities if the heritage features aren't affected Lively ski hill should be upgraded to ensure it can continue to operate Existing walking and hiking trails should incorporate safety features like lights - we have ready access to lots of trails. This does not need a lot of focus other than to ensure linkages Centennial Park has better water quality but may not have room to expand to serve needs and is not central enough Simon Lake is not an appropriate area for new recreational infrastructure as the water quality is poor. Maintenance of existing facilities should happen though.

10/07/2021 12:32 AM

I believe anderson is the largest area closest to the majority of people. We need to keep it IN Lively. Simon and Centennial are too far out. Would like indoor AND outdoor for water activity considering iour short summer.

10/07/2021 02:23 AM

Pool swimming

10/07/2021 04:17 AM

Swimming facilities are important for senior overall health because it's easier on joints. Also fun for families with young children

10/07/2021 06:31 AM

Lakes should be cleaned and water treatment plant capacity / issues fixed (Simon). Anderson farm should have a decent budget to encourage schools to visit there more often again (I travelled there from Garson when I was a kid, and it was amazing). 6th Ave park equipment is so fancy but the other areas are not because of vandalism. Vandalism needs to be addressed before any updates there.

Space behind kinsmen should be used!

10/07/2021 07:37 AM

Indoor pool, second ice pad

10/07/2021 08:13 AM

Add on to Tom Davies.

10/07/2021 08:24 AM

Unable to swim in Simon Lake. Centennial is too far from Lively

10/07/2021 08:32 AM

Pool

10/07/2021 08:36 AM

All of the spaces have room for improvement or additional points of interest. New pavement, lighting and policing would be a great start.

10/07/2021 08:37 AM

To build a structure where they can be indoor swimming - with lessons. Dow Pool is outdated & cold and a lot of us go to Espanola to use their facility - putting our money into another community

10/07/2021 08:38 AM

No comment

10/07/2021 09:06 AM

Utilize existing city property in a central location. Purchasing more property that will need to be maintained is a undue burden on what is already a shoe string budget. Update and maintain 6th Ave tennis courts, skatepark, and basketball court. Outdoor pool behind the library, central location with parking and a largely unused city owned building right beside is for change rooms to be built. Let's use what we already have to give the youth in our town something productive to do to pass their time.

10/07/2021 10:06 AM

Fix the ski chalet

10/07/2021 10:53 AM

Anderson farm is central and underutilized. Would be a great multipurpose facility with walking trails established connecting arena and ski hill. Baseball diamond reestablished and outdoor

10/07/2021 11:15 AM

park area in green space. Simon lake is a lost cause due to an overwhelmed sewage treatment plant.

10/07/2021 11:23 AM

We need a summer swim hole in lively, it could be an outdoor pool fun zone for kids with slides and various water slides and fun water park. Do not want another splash park as this water is just toooo cold for kids to play in.

10/07/2021 12:20 PM

Something better than a splashpad

10/07/2021 12:25 PM

Central Lively, Anderson Farm property is close to 4 schools as well as Senior Center and Retirement homes. Walking distance and on the bus route.

10/07/2021 01:14 PM

Why is hillcrest not considered in the ranking? It has large outdoor space and existing facilities.

10/07/2021 01:58 PM

Well kept, good lighting.

10/07/2021 02:03 PM

Whatever is upgraded, please ensure public transportation to the facility. Include tons of free parking. Make sure the infrastructure can handle it. Make sure the road is safe for walkers and bicyclists.

10/07/2021 04:31 PM

Easy accessibility, options for parents with infants and toddlers, inclusive for those living on the outskirts (whitefish, naughton, beaver lake, etc)

10/07/2021 06:43 PM

Expand arena Make it like espanola. I know families that travelled to espanola for birthday parties

10/07/2021 07:18 PM

Nice beach area in Centennial and clean up lake at Simon Lake Park

10/07/2021 07:37 PM

Just replace Meatbird with something that allows us to swim without having us pay. Meatbird was free, the replacement solution should be free.

Walden should have the same amenities as coppercliff

10/07/2021 08:03 PM

Outdoor urban beach at Anderson Farm. Urban beach behind library. Simon Lake clean up so can use facility. Modernization of Centennial Park facilities. 6th Ave playground tennis courts fixed. Ski prop... hiking trails.

10/07/2021 09:51 PM

Splash pad

10/07/2021 10:03 PM

#1 clean up Simon Lake, it's a beautiful spot #2 put a bigger park with splash pad at Anderson Farm and/or a skate park in the large empty field adjacent to the school, utilize the grounds at Anderson Farm more #3 put pickle ball and tennis courts in existing tennis court area #4 spend money on and upgrade our only ski hill on lively #5 keep that green space for seniors to have easy access to enjoy with benches, trees, flowers with some type of water falls..a meeting place, table to play cards or chess, etc #6. Clean up the beach area and grounds

10/07/2021 10:25 PM

The property known as Sixth Avenue Golf Course has what is required to replace the property the City sold to Vale for \$4M. With the purchase price for the property and the price for work required to make it the recreational area the Lively area needs to replace the lost Meatbird property, the revenue gained from the Meatbird sale should cover any makeover required to the golf course property to bring it into line with the recreational needs of the community. Not only can it replace the Meatbird property, but it can be an improvement over it if the scope of makeover is pursued properly and intelligently. Other benefits/revenue streams should be possible as well as it is a large property: . the building on the property should be able to be used in multiple ways to provide ongoing revenue . the Lively Golf Course might be interested in "leasing" some of the land (driving range, etc.) . maintain a part of the property as an environmental area . etc.

10/08/2021 09:27 AM

anderson farm - splash pad lively ski hill - maintain keep open green space behind LCS - more picnic tables, eating areas, flowers etc centennial park - remove the sharp rocks from beach area, improve beach area, new sand if permitted 6th Ave - nice, recently

10/08/2021 10:53 AM

been improved simon Lk - would not invest at this time, required lake clean up - larger project

10/08/2021 12:26 PM

10/08/2021 12:29 PM

Ski Hill should have new chalet with more food and drinks. Better hours. More hours. Sixth Ave Playground needs new tennis courts. New Basketball hoops on other side of courts. Rink and chalet needs to be upgraded.

10/08/2021 12:42 PM

sixth ave golf course to be redeveloped

10/08/2021 02:19 PM

Centennial and Simon Lake not accessible to all due to distance. Meatbird replacement should be in Lively.

10/08/2021 07:42 PM

Ideally, I would like to have an indoor, multi-use facility that includes pool, exercise area, free use courts, etc. However, until that is fully in the budget, then I would suggest the following: Anderson Farm- ability to add swimming/multi use facility Simon Lake- needs to be cleaned up—but this SHOULD NOT come from Walden-specific funds, as it is a broader issue. This used to be a great place to swim. Once general funds are used to make it safe for swimming, then playground, sand, etc could be enhanced using some of the “Walden funds”. Sixth Avenue playground-add splash pad, fix up/convert tennis and basketball courts so that they are usable and safe. Any walking routes/bike paths need to be maintained with good pavement or crusher dust, etc and functional lighting.

10/08/2021 08:58 PM

Just focus on a place for kids to swim since that took meatbird away from us

10/09/2021 10:03 AM

Swimming hole for kids, families and seniors. Accessible for everyone

10/09/2021 12:34 PM

Simon lake would be an amazing beech/play area if the water quality was better. Tons of parking and walking trails.

10/09/2021 01:19 PM Simon lake is a sewage outlet, it should not be considered.

10/09/2021 04:28 PM Adding baskets and tee pads to create a disc golf course.

10/09/2021 05:12 PM Disc golf for each of these locations.

10/09/2021 05:17 PM I think 6th avenue provides plenty of land for a multi-use park facility that can include a splash pad, picnic area, and disc golf.

10/09/2021 06:06 PM Ski hill- New chalet and reliable lift (lift is always breaking and members still pay) Park- upgrade basketball court and make skate park as in other communities around sudbury -Greenspace - skatepark location! Anderson farm-more festivals Simon lake- clean water Centennial- ?

10/09/2021 08:41 PM Every location should be accessible and inclusive. No one should have to fill out a form to ask for this. Provide adequate lighting and areas for children, adolescent and seniors to engage in meaningful recreation. Swimming, walking and bike paths. No reason why xcounrty skiing cannot happen on bike trails in the winter.

10/09/2021 10:56 PM Anderson farm is nice and central for lively residents

10/10/2021 01:24 AM fix and update the ski hill.....build an indoor recreation center

10/10/2021 07:52 AM Clean up Simon lake and make that beautiful swimming spot with playground usable again. We already have a replacement for Meatbird. A nice skateboard park at Hillcrest. Splash pad in copper cliff. So many things we could do without buying a 2million dollar property.

10/10/2021 11:48 AM Simon lake Beach needs to be cleaned up we have a big body of water to use as a beach and it is just being wasted.

10/10/2021 03:15 PM

Anderson Farm could be multi-use, multi generational sports grounds. Multiple pump tracks in the field between Anderson farm house and St. James school. Anderson Farm playground could be expanded to attract all ages and abilities of kids. The green space behind the library would be ideal for a small pump track for the younger kids to learn on. It would also enhance the sixth avenue playground area. A covered bocce court and picnic tables would be a great place for families and older adults to gather and compete. The tennis courts should be repaved similar to the courts at James Jerome. Also get rid of the skate/bike ramps which are useless and instead refurbish the basketball courts so the teens don't have to go to Sudbury to play on decent courts. The Outdoor rink shack is rarely open to the public because the food bank is there. This makes no sense to have this valuable asset in the heart of the community and business area which should be used for its original purpose for the playground/tennis/rink area, off limits because of the once a week food bank. The food bank is important but could be relocated to the citizens centre or one of the many church halls or any number of more suitable locations. This shack should be opened and staffed for concessions and rentals and access to bathrooms to keep everyone outdoors and using the play areas. The James Jerome park is a good example of how this should work. There is less damage and vandalism when there are lots of people using the area, and a few security cameras would help find any culprits quickly. The empty green space around TM Davies arena would be perfect for Skate Park and Parkour park as there are no houses nearby so the noise would not be an issue. This would attract all ages, but teens in particular need more access to outdoor sports that don't cost money. Also the teens hang out there and break bottles and do damage as there is no engagement with any outdoor activities. All the developments I mentioned are in the public view which would make me feel better sending my own child there for the day. All of the local schools are within walking distance. There are stores and the arena nearby. Tim Hortons and Subway are just down the hill. This is the centre of this town and all ages can easily walk to this area. There is no need for more parking as there is ample parking already at the arena. There can be concession stands or water refill stations, covered picnic areas. and paved accessible paths throughout this area. We don't need another park everyone has to drive to which is what we would get with 6th avenue golf course. We should spend every dollar on a town centre development on land we already have, making the health, happiness and fitness of our citizens the top priority.

Splash pad/Water park

10/10/2021 06:30 PM

10/11/2021 01:50 PM

Anderson farm to remain but add year round pool. Seniors need exercise, this is best way. Children can learn to swim. Area can be utilized for other activities. And yes a few will have to be charged.

10/11/2021 01:55 PM

Good location

10/11/2021 02:00 PM

Swimming please,

10/11/2021 02:04 PM

In order to fix Simon Lake, the Sewage Treatment Plant needs to be addressed. It is going to continue to become more of a problem as Lively's population increases. The stench from Simon Lake in the summer is repulsive and the neon green algae is an eyesore. That beach used to be a viable place to swim and there are already existing facilities there but because of the sewage plant down the creek, it will continue to degrade. With the population expanding constantly, the already taxed sewage plant will need an upgrade or complete overhaul to bring it up to sustain the amount of people it services. Recreational facilities that are newly built will require planning and surveying and studies and 6 million isn't going to go far.

10/11/2021 02:15 PM

Outdoor rink covering (similar to Nairn) to the two main outdoor rinks, proper basket ball courts for Hillcrest, skateboard park for 6th ave,

10/11/2021 04:05 PM

The green space behind Lively (old Sixth Ave golf course property) could be used to create a multi-use recreation facility with indoor and outdoor space for various activities

10/11/2021 04:20 PM

Lively needs a public swimming area, preferably indoor if at all attainable

10/11/2021 05:00 PM

Focus on City owned properties only

10/11/2021 05:29 PM

All 6 locations on offer here are non-starters, imo. Simon Lake Park has been closed due to blue-green algae issues for years.

The others are already well used spaces.

We need more swimming facilities

10/12/2021 08:36 AM

The area adjacent to the arena (used now for overflow parking) and front lawn of Anderson farm would be a perfect spot for a outdoor pool and splash pad, with change rooms and washrooms.

10/12/2021 01:15 PM

Additional facilities/upgrades to Lively ski hill. Youth programs and more services.

10/12/2021 01:41 PM

Expand and work on pre existing beach at centennial park. It's pretty small right now and not the nicest beach ever. I would also love to see a tennis court built somewhere.

10/13/2021 09:14 AM

Downtown Sudbury has the indoor tennis bubble. I think something like this that could accommodate multiple sports for kids and adults would be greatly used. It would stop us from depending on the school board for the use of the schools, and allow us to have a place to offer activities throughout the whole year.

10/14/2021 06:40 AM

Anderson park - disc golf course

10/14/2021 06:45 AM

I agree with what is asked

10/14/2021 12:32 PM

We need a swimming area, upgrading to the ski hill and upgrading for the playground.

10/14/2021 06:41 PM

Lively ski hill needs huge upgrade and a chalet.

10/15/2021 10:42 AM

There is funding from government to clean up Simon Lake and also get the people from the reserve involved. The aboriginals believe in the Environment and clean water, let's get them to help with some of the funding. One of the residents on McCharles Lake made a prototype raker for Algae but it was never accepted by the

city, let's look at this again. We have a beautiful park at Simon Lake with a change house and washrooms, it is only used for walking.

Just looking for a beach with sand in the lively area again

10/15/2021 06:31 PM

10/16/2021 09:09 AM

1.If a pool is created at Anderson Farm then an indoor/outdoor pool is best so that it is accessible all year round 2.6th Ave. Playground add splash pad for summer activities and keep outdoor rink for winter 3. Pool and splash pad would draw families and is accessible and central for all 4. Poor choice as lake is not safe to swim in 5. Open park for camping, swimming, change/washrooms and picnic recreation 6. Keep as ski hill only

10/16/2021 10:08 PM

Lively Ski Hill: a new lift (perhaps a two person chair lift). Also, make some runs on the left side of the lift so you can ski down and turn left, instead of only right the whole time. A beginner hill with a magic carpet would be great. Centennial Park: a new play structure, similar to 6th Ave playground. Get out of the trailer park business and make some great trails, and community gardens with all of the space. Anderson Farm: keep it running. Keep running the school programs. 6th Ave playground: fix the tennis courts so you can actually play tennis. The asphalt is all broken and uneven. Make a real skate park. Maybe the bored teens wouldn't be smashing glass everywhere and it would be safe for kids to play ball hockey in these areas. Simon Lake Park: Plant more trees to replace all of the ones that have died/are dying. Deal with the horrible water quality issue through the "city of lakes". If we are going to brag about our city having the most lakes, let's actually take care of them and make them have water quality to be proud of. Stop dumping sewage, stop letting sewage overflow into the waterways. Stop spending money heating a building that nobody is allowed to use ever. Make community gardens. Make an orchard park (check out the "Orchard Park" in Huntsville, Ontario). Green Space behind the library: it is good how it is. Don't let it get bad.

10/17/2021 06:55 AM

Provide upgrades to sixth Avenue clubhouse for confessing change area. Make bike and walking trails. Anderson Farm-develops community gardens and I.prove playground area. 3-senior citizen greenspace- provide a safe park area fir seniors to use with sitting areas. 4- skihill- build a new building for ski hill passes and ski rentals. The current building is noonger safe. 5-Simon Lake Park-clean up the beach. Open the building and provide washrooms to

users. 6-Centennial-keep this park available to the public.

Upgrade existing facilities for everyone to benefit

10/17/2021 09:30 AM

Out door pool/splash park - washroom facilities where present
basketball and tennis court is - move tennis court/pickle ball and
basket ball to green space behind library - improve out door rink
with roof like Nairn Centre did - improve a clean/repair present
washroom facilities at Centennial park - maybe try and clean up
Simon Lake swimming area Leave Anderson Farm as is - do not
change it Lively ski hill chalet could use some upgrades

10/17/2021 05:36 PM

Add indoor pool and outdoor play area

10/17/2021 09:20 PM

Upgraded equipment. Variety of choices

10/18/2021 02:53 PM

A sport complex is needed in Walden. One like Espanola ar the
valley! We need this to enhance this community and will keep our
young ones off the streets and out of trouble as we all know they
are all bored. We need to invest an ALL YEAR round facility and
not a water hole that could be utilized for only a few months!!

10/19/2021 06:34 AM

We have existing locations that are not maintained at all. Sixth
Avenue playground needs upgrades and maintenance to the tennis
courts, basketball court, skate park, ice pad. Multiple-use area
already available, but no investment going into existing
infrastructure.

10/19/2021 09:02 AM

Centennial Park is beautiful..enhance the playground area..beautify
the grounds flowers gardens etc. ..viewing area... Anderson
Farm..activity trail..gardens throughout beautify...sitting areas.
Outdoor venues .rentals for special occasions

10/19/2021 09:23 AM

Bear proof garbage cans, where needed. Year round solar
powered lighting. Boat launches.

10/20/2021 03:24 PM

10/20/2021 05:25 PM fitness centre that is city run. City employees in most of the other wards have access to free use of facilities. Walden has no gym or swimming pool.

10/21/2021 06:18 AM 1 and 2. New indoor facilities 3 improvements needed

10/21/2021 07:02 AM I feel an outdoor pool should be added at any location

10/21/2021 09:19 AM A multi-use facility that is accessible for senior and those with mobility issues. Expand recreational programming to those living in the Lively/Walden area.

10/21/2021 10:25 AM Simon Lake Park - The park is not used as the water is unfit for swimming. Improve the water quality. 6th Ave. Playground - Install security cameras

10/21/2021 11:27 AM Simon Lake Park has the park area and buildings already, including wash rooms. Clean up the water and beach.

10/21/2021 12:44 PM Add more things for people to do in Lively

10/21/2021 04:48 PM Simon Lake park needs environmental attention so that the beach is clean and inviting to swim at

10/21/2021 05:11 PM Walden cross countryski / mountain bike trails

10/21/2021 06:53 PM Expanding and maintaining the green space in any of the areas.

10/21/2021 10:38 PM I do not feel strongly about any of the above areas.

10/22/2021 03:39 AM Anderson Farm is an excellent location for the outdoor pool + splash pad + event space + park concept. Green space behind library a close second.

10/22/2021 08:24 AM Off leash dog park Upgrade ski hill facilities Proper skate park

10/22/2021 10:58 AM Simon lake should be a public swimming park that is maintained by the city! Clean up the algae and goose droppings and have it accessible for families

10/22/2021 05:21 PM Upgrading the Biathlon facilities at Walden Cross Country to be able to offer opportunities to more youth/residents of Walden/Sudbury.

10/23/2021 07:45 AM Multi use gym facilities

10/23/2021 08:51 AM Lively ski chalet needs upgrades, and maybe add some new hills to ot.

10/23/2021 09:21 AM Ski hill - fix chalet Mikkola walking trail complete and fix stairs section between Mikkola and fielding park Add to splash pad/park in Mikkola Fix up tennis courts in Mikkola Fix up tennis courts in Lively

10/23/2021 10:34 AM The ski hill needs to be kept operational, as over the years the city had seen many of the outskirts community ski hills shut down in favor adanac. Which serves only to highlight that this city only prioritizes new sudbury and the rest of the communities which where promised more facilities has seen many shut down with no new ones to take their place. Not everyone who uses the ski hill in Lively can drive, many children use it in the winter while saving parents expenditures of having to drive the 40+km round trip to Sudbury just to go skiing.

10/23/2021 07:09 PM Additional walking/hiking trails, a new splash pad for children near Sixth Ave or Library

10/23/2021 07:45 PM 1. And 2. Could add a splash pad and a biking track for kids

10/23/2021 11:02 PM
1 washrooms, tennis and pickle ball 2 supervised swimming better picnic area 3 enhance the water treatment plant to stop the pollution, clean up the lake 4 Indoor pool, or splash pad 5 plant more trees, and shrubs.

10/24/2021 07:47 AM
The Lively Ski hill has had the same antique lift since it began. It is no good for snowboarders and is a challenge for new skiers. Every time someone falls on the lift it has to stop. This leads to incredibly long lineups and non experienced riders are quickly discouraged while more experienced riders become more and more frustrated. Ultimately a new lift would be able to take riders and mountain bikers up in the summer making it a four season operation. I don't know if any of you have ever been to a ski chalet before but it looks nothing like the dump at the bottom of Lively Ski Hill. Most people put there stuff on in the car because it is over crowded and falling apart. Nothing to be proud of there. Go to Espanola and see what they have done with their ski centre. They are very proud of it.

10/24/2021 10:54 AM
Improve maintenance and ensuring that the areas are accessible to all.

10/24/2021 02:46 PM
For all ages!

10/24/2021 05:02 PM
We need a new tow at the ski hill. A t-bar or a chairlift.

10/24/2021 05:36 PM
Sixth avenue playground should be changed to manmade lake or indoor pool

10/24/2021 07:28 PM
The city should donate funding to the Walden mountain bike club. The sport has greatly grown on the last two years with record memberships and the club is having trouble keeping up with trail upgrades.

10/25/2021 10:48 AM
Indoor pool next to the arena

10/25/2021 06:09 PM
Clean up beach, more activities, convenient hours, accessible for everyone

10/26/2021 02:46 PM

Anderson Farm should have a dog park or somewhere close to it

10/28/2021 03:16 PM

Centennial park offers ample room for expansion. Bus service could make it accessible.

10/28/2021 04:06 PM

Off leash dog park

10/29/2021 08:33 AM

Outdoor pool with retractable shelter & 100 ft water slide if positioned at lively arena , water could be heated with roof top solar panels

10/29/2021 01:08 PM

1-Lively Ski Hill equipment rentals and ski lessons available onsite. Lively is a small hill and is perfect for introducing anyone to the sport. It is not overwhelming and the hill has produced many amazing skiers over the years. 2-Anderson farm has a community garden which I would like to see more funds to maintain programs to teach the youth of Walden about horticulture and agriculture and where the food we eat comes from. A green house facility would be an excellent addition. 3-centennial park seems more like a camp ground now and not the beach I remember when I was a child. Better marketing of this facility would be beneficial for local residents. 4-green space behind library- introduce new gardens and refresh existing to complement hardscape features and become more inviting use of gazebo. 5-sixth Avenue playground had upgrades this past year with new bedding installed at kiddy playground. This park seems to be in good condition however I am unaware of the current condition of the washroom facility as they have never been open on my visits. 6-Simon lake - seems to look well maintained as clean. The water is not great for swimming as it has had frequent issues with blue green algae. In my opinion it would not be beneficial to add additional tax payers funds to this facility.

10/29/2021 07:45 PM

The outdoor pool, dog park and walking track should Be at Anderson farm because we don't need to buy more land. Use what we own

10/29/2021 08:20 PM

Bocce courts, badminton courts, benches, flower gardens, cameras at night, lights

Add motor sports opportunities

10/29/2021 10:57 PM

Crosswalk to the playground from the park area. Lots of seniors and family cross here. Also a skating oval in the back park behind the library would be nice for families. Hard to share the ice with hockey players and visa versa at the playground at times.

10/29/2021 11:11 PM

Anderson Farm has land for parking, new buildings, and indoor/outdoor swimming. Community events are currently held at this location, very central, and has lots of opportunity to create new amenities and make use of the existing museum buildings. Green space behind the library, not as large of a space as Anderson Farm but still a central location in Lively. Simon Lake park, has parking area and unused land for a building. Lively Ski Hill, unused land area and central. Sixth Avenue park, only because it's central but no land for a new building. Centennial Park, too far for a community building

10/30/2021 07:13 AM

Add an outdoor public pool to Anderson Farm

10/30/2021 08:15 AM

Clean up lake and beach

10/31/2021 06:18 AM

Each of those areas have a destination activity already in place and require normal Maintenance. The replacement of meat bird park with those funds should be a central green space that will accommodate an outdoor swimming pool, splash pad with picnic areas and an activity such as skateboarding. Walking/hiking, seniors activity centre and green space would be a great addition to Waldens future. The above locations cannot provide this multi concept and a new central location like the former Sixth Ave golf course and clubhouse would be an ideal investment for the area.

10/31/2021 06:51 AM

Anderson Farm -educational programs, repairs

10/31/2021 11:10 AM

There is space at Anderson farm to add more recreational activities and perhaps even an opportunity to re-purpose the farm.

10/31/2021 02:35 PM

The lively ski hill is a great asset and should be made more accessible.

11/01/2021 01:32 PM

there have been many good ideas posted on the "ideas" page. as long as the space is improved for accessible use to all age groups, I would like to see improvements made for walking, hiking, quiet areas for sitting and contemplating life. our population is aging but at the same time we have to make our town attractive to young families so the town grows.

11/01/2021 01:34 PM

1. Larger park, add splash pad 2. Better boat launch 3. Splash pad 4. Make swimmable 5. N/A 6. N/A

11/01/2021 02:20 PM

Hillcrest/mikola area has plenty of space and not much amenities. I think it should be around that area that gets new structures.

11/01/2021 04:17 PM

None of the above areas are very good for a new swimming center. The center needs to be in the town of Lively.

11/02/2021 08:11 AM

Advocate for ground and water testing of Lively area from neutral parties, for contaminants of private industrial/mining companies. Municipal fitness centre without pool. We are the city of lakes. See above point.

11/02/2021 08:14 AM

Sixth ave golf course wasn't even listed? Almost looks like you already have your mind made ion to spend lively money in existing Walden parks instead of using tax dollars for what they were intended for.

11/02/2021 08:07 PM

Indoor water based feature in the area between / adjacent to the Walden Community Centre and Anderson Farm ... All infrastructure, services and property use expansion is available and could be phased in with consideration to upgrading the Arena as well ...

11/02/2021 09:07 PM

Walden Cross Country Ski facility needs a bigger and b etter parking lot and some more accessible easy trails.

11/03/2021 07:51 AM improve bike and Xcountry ski trails; add skateboard park; improve downhill ski (to include rentals for those with no equipment); indoor/outdoor swimming facility

11/03/2021 08:13 AM I think Anderson farm is a gem and it could be utilized by having more functions such as weddings, receptions, revenue from these events put back into maintaining the facility, a covered area for concerts.

11/03/2021 08:17 AM I believe we should be focusing on existing parks. Simon Lake Park is beautiful and we should improve this location along with the quality of Simon Lake. It used to be enjoyed by hundreds back in the day. Let's bring this beautiful gem back

11/03/2021 09:52 AM Basketball court, baseball field (fix behind library), soccer field/football at Anderson farm, roof over top of outdoor rink

11/03/2021 12:23 PM provide funding to Walden Cross Country to enhance existing facilities - especially, to expand parking area and add additional recreational trails suitable for beginners and seniors

11/03/2021 05:52 PM 1 Better lift, enhanced runs, 2 enhanced playground, better sliding, marked running trails, outdoor yoga 3 more structures (equipment like Kivi park and Minnow Lake) zip line 4 plants, a talking circle, where people could gather to talk, fountain 5 better/more equipment slides in water clean up discharge plant 6 enhance fields soccer baseball, add better playground activities

11/03/2021 05:56 PM Keep ski hill operating with more amenities. Splash pad behind citizen centre. Enhance 6th ave playground and add cameras. Pleas fill the wasted space at Simon Lake. Roof over rink at 6th avenue

11/03/2021 11:15 PM An outdoor inflatable waterpark at Centennial park would be great to have. I'd like to see Lively ski hill become a tubing hill with a tow rope. Expanding sixth Avenue playground by adding more accessible equipment would be good (or a spray park), this could also be done in the greenspace behind the library. Adding a free run dog park space could be nice at the back field at Anderson Farm. More facilities at Son Lake park could be nice.

11/04/2021 02:52 AM Upgrade ski lift and shack at Lively Ski Hill

11/04/2021 05:32 AM Invest in cleaning up Simon Lake

11/04/2021 06:12 AM Enhance space to be appropriate for all ages

11/04/2021 06:18 AM Enhanced accessibility for all ages and handicapped

11/04/2021 06:26 AM Ski hill open for longer hours

11/04/2021 07:27 AM Community gardens at Andersen farm and a multi use recreation facility, pool/gymnasium/indoor track/weight room etc. Splash pad/ water park at sixth avenue playground.

11/04/2021 07:33 AM Simon lake already has the change room , concession stand and washroom building . The park is already pretty nice. Upgrade the park play area and clean up the beach. Water bubblers in the water will keep water flow and allow everyone to swim there without issues. The parking lot is already there and massive it's a win win

11/04/2021 07:50 AM Simon lake park: buy the machine to clean up algae to be used for kayaking/canoeing, swimming. Provide new playground, splash pad. The area is large enough for skate park, dog park, tennis, pickle ball etc... Sixth Ave Playground: improve tennis courts, add pickle ball

11/04/2021 08:21 AM I think a new location with access to a lake not regularly impacted by algae blooms (as is the case on Simon Lake) would be best. I do not have any recommendations for existing facilities/properties.

11/04/2021 08:32 AM Anderson farm is easily accessible and central in lively. If walking paths are upgraded and an outdoor pool added the space would be better utilized.

11/04/2021 09:08 AM

1 Simon lake clean up the water and open the washrooms 2 The ski hill replace the building 3 Sixth Avenue Playground add a splash pad and update the building

11/04/2021 09:26 AM

Simon lake - fix the algae problem, you can't swim at the beach Ski hill - more lit trails Centennial - there is some nice whitewater runs there but improvement such as carving a train from bottom to top and making some eddys on the shore to access the waves

11/04/2021 10:01 AM

Anderson Farm or behind Lively Ski hill - splash pad Lively golf course - green space for walking Lively ski hill - Lift

11/04/2021 10:12 AM

Simon Lake Park - address the lake water quality (algae, invasive Eurasian milfoil) is a priority; improve playground equipment; improve pathway through the park so it is more stable for bicycles (crusher dust vs sand); add additional recreational features such as a sand volleyball. Stop cutting some areas of grass there regularly (i.e. cut some areas a few times a year if you want to keep trees out of it), and shrink the grass area by having native plants on borders of what grass area would actually be used for play. There is now a lot of cut grass area not being used (much). To help address climate change, we must prioritize native plants and allow nature to flourish. This park has so much recreation potential, particularly if the water quality issue can be addressed. Anderson Farm has much mowed grass area. Can we add recreational opportunities and decrease mowed area, as per comments above for Simon Lake Park.

11/04/2021 12:05 PM

I love Simon Lake, but we just can't swim in there. I like Centennial Park, but the clay bottom is not great. I prefer something closer to Lively, that is walking/biking distance for families. Bus accessible for Seniors.

11/04/2021 04:15 PM

Anderson Farm; Green space behind library, Sixth Avenue Playground :swimming pool - preferably indoor and year round but minimally outdoors. Lively Ski Hill Property - mountain biking and hiking trails

Centennial Park: Bring in new sand for beach annually as it once

11/04/2021 05:54 PM

was. Don't allow campers along the water, where it used to be open area. Improve playground equipment. Canoe/kayak rentals etc. Expand hiking trails. Possible transportation certain days in summer. Ski hill: make necessary improvements to keep hill running, including building needs. Simon Lake Park: solution for algae? Use water pump fountain (similar to Meatbird) to circulate and reduce stagnation).

11/04/2021 07:19 PM

As stated previously in question #2. A maintained year-round greenspace similar to that of Kivi Park which could accommodate playgrounds walking/hiking areas, cross-country ski paths, etc.

11/04/2021 09:24 PM

Unfortunately none of the above options have safe natural water sources for swimming or are easily accessible to the residents of Lively unless you have a vehicle or can find transportation. Families with children or teens from Lively can no longer walk or bike to Meatbird Lake. Using any of the other Lively town sites will need to be assessed re: traffic, parking, noise, etc.

11/05/2021 08:04 AM

I believe that investment should be made to help Walden Cross Country and Walden Mountain Bike Club expand their trail networks

11/05/2021 07:41 PM

Overall just more thought regarding the landscape- Using ski hill in summer for something- it's an eyesore

11/05/2021 07:42 PM

Six avenue playground is overrun by youth who bully and litter. Maybe invest in some surveillance there. The rest of the money should go to an inclusive outdoor space that doesn't discriminate based on whether you have a badge to show or not. There are already enough places for those people to attend. I'm still paying taxes for services I cannot use, either give us a major tax break or create a facility that doesn't discriminate.

11/06/2021 08:18 AM

Personally I am most interested in Pickleball so that would be an outdoor or indoor upgrade to current facilities. Also Fitness either at any of the facilities. In town of Lively

11/07/2021 08:45 PM

Add more parking and improve facilities at Walden Ski/Bike trails.

11/08/2021 12:08 PM Walking loop similar to Delky Dozzi Dog Park Skateboard / pump track Pickle Ball Courts

11/10/2021 11:39 AM Remove contamination from Simon Lake

11/10/2021 11:45 AM Remove contamination in Simon Lake Swimming area

11/10/2021 11:50 AM none of the above need upgrades to serve the long term needs

11/10/2021 11:57 AM Sixth Avenue Golf Course - natural pond there can be made into beach area, walking trails already exist. Building already there for indoor activities very cost effective skateboard area can be put there. don't understand the blindness with this idea.

11/10/2021 12:57 PM Parking for participants should be available.

11/10/2021 02:46 PM should be in Lively

11/10/2021 03:37 PM Anderson farm - build an outdoor seasonal pool - with picnic area - in field area - lots of room there. There is a public pool in Alliston - the entire arrangement would be perfect there.

11/10/2021 03:44 PM -clean water - shore line cleaned up - rocks removed and clay removed at Centennial

11/10/2021 03:59 PM require new facilities

11/10/2021 04:07 PM I believe Sixth Ave would be a great area because the building is already there to improve if needed and use right away. Fitness, outdoor walk in the land etc. Place to keep warm. Out of the way maybe won't get vandalized.

- 11/10/2021 04:10 PM splash pad and outdoor pool on/near Anderson farm.
- 11/10/2021 04:35 PM Location would GREATLY depend on the type of recreation to be provided. Walking distance is a great advantage for families and young teens for skateboard park, splash pads or outdoor gyms. Anderson Farm or 6th Ave would accommodate that type of facility and patrons.
- 11/12/2021 09:01 AM Green Space behind Lively - an indoor pool with fitness facilities and meeting rooms (similar to Espanola Rec. centre) Ski Hill - urban beach

Optional question (221 response(s), 175 skipped)

Question type: Essay Question

Q10 | Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

- 9/17/2021 12:17 PM Meatbird Lively Golf Course
- 9/19/2021 10:50 AM Using any portion of the \$4 million to purchase more property given the amount of land the city owns in the area is a mistake.
- 9/19/2021 07:53 PM Purchase of the former Sixth Ave golf course. The property provides the opportunity to build a cohesive recreational community hub that has the ability to grow with the needs of the town.
- 9/22/2021 08:58 PM Where the old legion was behind the elementary school
- 9/22/2021 09:12 PM Buy the old sixth avenue golf course. It would provide us with a beautiful green spot. It can house a swimming area, walking trails, cross country ski trails, and more. The Meatbird money should NOT be used on property the city already owns.

9/22/2021 09:19 PM 6th ace golf course. Lively's version of Kivi park. Multiple possibilities for entire family activities all in one place

9/23/2021 11:12 AM Sixth avenue golf course.

9/23/2021 12:08 PM Again ... Having been a Lively resident all of my life, and an avid user of Meatbird since I was a child, my thoughts for recreation in our area is for the previous 6th Avenue Golf Course to be purchased, and worked, just as you would a fixer-upper home. We cannot have everything at once, but with matching grants, regular grants, volunteers, etc., it would become a jewel in our area. Any other funding should be directed to the clean-up of the shoreline at Centennial Park, which is another underdeveloped jewel for all residents in the Walden area. A backhoe needs to be brought in to clear out a larger length of beach, and to rid the shoreline of the weedy areas. Although Simon Lake used to be such a wonderful area, it has been polluted to the point that without a very heavy investment it will not ever be a beautiful and swimmable beach again. I would, of course, love to have a Recreational Complex like the one in Espanola, but we do not have access to those kinds of funds.

9/23/2021 07:12 PM 6th av gulf course could provide swimming hiking picnic area ,splash pads

9/28/2021 11:26 AM 6th ave golf course would have a one stop area for all our ideas — pool..dog park ..skate board — bike trails and much more

9/28/2021 10:33 PM 6 avenue golf course ,

10/05/2021 03:25 PM Sixth Avenue Golf course, has great space that can be utilized and is located in upper Lively. Pond could be expanded with possible introduction of some fish species so kids could participate in fishing, swimming, maybe house kayak rentals.

10/05/2021 04:54 PM Acquiring the old 6th avenue golf course seems like an ideal acquisition. It is near the former Meatbird Park, it has a pond that can be remediated into a swimmable beach. It has the potential for hiking trails so that residents at this end of Lively will have a place

to take their family that isn't along a highway where mining trucks and other vehicles travel way too fast to feel safe. There is also room for expansion in the future for other amenities.

10/05/2021 06:06 PM

The golf course has been mentioned and might be a nice amenity but I fear it would take the entire budget and then we don't get any upgrades to other things like the ski hill.

Old Sixth Ave Gold Course

10/05/2021 09:24 PM

VLA playground is in great need of new play structures....the rink boards are falling apart ...need to be replaced

10/06/2021 07:19 AM

6th ave golf course. Hiking trails, walking trails, biking trails all available there already, outdoor pool could be built, fitness facility could be done inside existing building. Also an off leash dog park could be built on site.

10/06/2021 08:34 PM

I think that purchasing the 6th Ave golf course would be a wonderful opportunity for the residents if Walden. We would have a place to swim, wonderful walking trails and the clubhouse could have many uses. But it sounds like the City is dragging its ass and will probably lose out on this great opportunity.

10/06/2021 08:36 PM

6th Avenue Golf Course, mini-golf, splash pad, outdoor pool, gymnastic area, concession stand.

10/06/2021 08:47 PM

6th ave golf course

10/06/2021 08:48 PM

Hillcrest park should be where things are developed!

10/06/2021 08:49 PM

Lots of space for a facility in the field in front of Anderson farm. Or expand by the current arena. Or see if it's worth getting the land at 6th ave and have a beach comparable or better than meatbird.

10/06/2021 08:52 PM

6th ave golf course

10/06/2021 08:57 PM

Old Sixth Avenue Golf Course - excellent spot for walking, hiking or mountain bike trail along with sliding hill in winter

10/06/2021 09:01 PM

6th ave property to create outdoor or indoor pool for kids and families

10/06/2021 09:03 PM

The arena parking lot. Great place to beautify and enhance with a recreational pool or amenity

10/06/2021 09:28 PM

Sixth Ave golf course The property behind Tim hortons The arena could be added on too

10/06/2021 09:31 PM

6th Avenue Golf Course Property - outdoor swimming facility Lively Ski Hill - upgrade tow and indoor facility Simon Lake Park - clean water so people can swim in it 6th Avenue Playground - upgrade playground equipment

10/06/2021 09:36 PM

The golf course for sale on Sixth Avenue. We desperately need reasonably-priced housing in the form of townhouses or apartments. Many people are crying for rental opportunities.

10/06/2021 09:53 PM

purchase the 6th ave golf course and replace meatbird

10/06/2021 09:56 PM

None, eats up too much cost to buy a new unnecessary property unless there are other funding streams available above the 4 million from the sale of meatbird

10/06/2021 10:19 PM

Sixth Avenue golf course property.... it has existing facilities and services (park type uses) It could be in use quickly for varied purposes and space for perhaps a future indoor pool facility.

10/06/2021 10:50 PM

6th ave golf course

10/06/2021 10:54 PM

Improvements in roads and arena washrooms and seating area along with concession stand. Main intersection in lively needs to be upgraded, turning lane and cross walks (lights for cross walks). All parks need maintenance, outdoor rinks need maintenance (washrooms, change rooms).

I think sixth avenue is the best choice and is a beautiful property to work with. Mostly just want to see a place of recreation for all ages (children, families and seniors) that's why I think this would be the best option.

Unknown

Would like to see the properties currently owned be used to maximize money for the facility.

Hillcrest sports complex needs a space with shade, it's very busy and there is no area to sit in the shade, or sit at all.

Old 6th Avenue Golf Course

Black Lake park. There are tons of kids on this end (Black Lake, Ronald, Herman Meyer) and the park is not used because it's sad. There is also a whole green space behind.

Walden Arena add pool and second ice pad

Tom Davies

*indoor and outdoor facilities on 6th Ave Golf Course...done correctly this space could be awesome and there would be room for so many activities and buildings. *new facility (including pool)Closer to the Arena...it just makes sense...it's central and people already use the arena

Maybe there is space for a leisure centre, like they have in Espanola in Old Creighton or Dog Patch area? There seems to be a lot of unused space up there

I would like the committee to consider 6th Ave golf course. There is a pond there. They have a building with change rooms and bathrooms. Good majority is already started

Library green space. Largest catchment area for kids and youths that cannot drive to access other areas.

NOT 6th ave golf course

Old 6th ave golf course, could accomodate everything from dog park, to our door pool and fun park for kids, walking trails with picnic area's, volleyball courts and so much more.

Sixth ave golf course

Hillcrest

Panache lake community centre

The golf course [REDACTED]. Jump on that deal already!!

Golf course csmw wassakwa

Golf course or 6th ave playground

1)The property across the street from the arena 2) the green space behind Woodland Avenue..used to have playground there when it was Town of Walden

Sixth Ave

Fielding park washroom facilities, soccer, baseball fields The old driving range behind the grocery store, soccer fields baseball

no comments

6th Ave golf course should be bought by city. Add a urban beach on the property as well as walking paths through nature. Put in a driving range would create income.

sixth ave golf course to be redeveloped

Consider sixth ave golf course if purchased at a reasonable price. Great area to develop walking trails that can be snowshoe trails in winter. Also there is a pond area that possibly could be a swimming area. This is accessible to all as bus goes right by.

Please do not spend money buying new land when the city already owns multiple pieces of property.

It would be nice if an area like centennial park could be converted into a free public access swimming location to compensate for meatbird. As it stands I am under the impression this is a private camp ground run by the city so no safe spots to swim!

I think the former 6th avenue golf course is the best location to use to create a recreation area,

6th Avenue golf course would be perfect for disc golf.

The old black stone golf course property in Garson. Perfect for a disc golf course

The tennis court area and playground really need improvement. It's embarrassing how bad of condition these facilities have become.

Leave Anderson farm alone

The area at the golf course could provide a wide-range of outdoor activities and also an indoor area for events

Arena - add indoor walking loop

The boat launch onto long lake down Kantola Rd has a beach, space for a playground, already has change rooms. We can upgrade many spots.

The large vacant land across from Walden Daycare centre (between the daycare and the Arena) is privately owned but would be ideal for the outdoor aquatic centre. The land is large enough for an outdoor swimming centre, skate park, parkour park, bocce courts, walking paths, picnic areas, splash pad and also room for lots of parking.

Outdoor basket ball, Mini putt, Indoor recreational facility (such as urban air or Jungle Gym

I do not believe Lively needs NEW recreational facilities, with the exception of a skateboard park and a splash pad maybe in upper Lively. The existing facilities need to be upgraded and fixed to be viable options again, like the Lively Ski Hill, Hillcrest outdoor rink, Simon Lake beach (needs to be cleaned up by the City bc of their sewage plant negligence) and Centennial Park. Those already exist and could be made amazing with the correct improvements and people overseeing the projects.

6th ave playground....splash pad for the kids, basketball courts, ice rink covering.....Hillcrest, ice covering, basketball court, better lighting

I've always wanted to see an outdoor art installation or lit patio for public use in our community.

6th avenue golf course

Sixth Ave Golf and Country Club

Not sure

City owned only

Purchase the 6th Avenue Golf Course space. Parking lot already there, dewar & water already there, potential restaurant / wedding venue facility already there. Converting a golf course into walking trails wouldn't be very difficult. An outdoor swimming pool here though would be an exorbitant cost taxpayers cannot afford, but a stand alone Community Centre would be an investment in citizen's of all ages long term health, and would allow all of us to be active indoors year round.

Old 6th Avenue golf course

0 Bonnie Dr. Could purchase property and make existing trails public easily. Adding onto existing Walden Bike/Cross Country Ski trails. I suggest a skijoring/dogsledding loop/area where skiers can go with their dog. Official dog park

6th Avenue Golf Course - Disc Golf course

The are behind Hillcrest where the soccer/ball/tennis courts is

utilized and accessible to everyone.

Sixth avenue golf course

Sixth Avenue golf course needs to be made into a recreational facility with swimming and other sports entertainment.

Add a indoor swimming, fitness facility attached to the arena.

I am uncertain of any other location then what has been listed

6th Ave golf course location has all ammenities for indoor and outdoor activities. Busing or transportation would be needed to make it available to families without funds. Change pond into swimming hole like Meatbird, add playground equipment and splash pad, picnic area for young families.

Why isn't there a public beach and boat launch on Panache? Long lake boat launch/beach: put in a nice dock for the boat launch. Put in a long dock at the side of the beach for swimming. Have a large swim raft out from the dock and beach.

N/A

The old legion hall

Don't think the city should be purchasing any additional properties or facilities, we can't afford more infrastructure costs

NOT the 6 avenue golf course . Spend money on improvements of existing property OR add facilities on property already owned. Don't spend it on buying contaminated land. This place has been for sale for ever

The downtown area enhance with Christmas lights..in summer hanging baskets throughout on lamp posts in summer...spend time decorating for the different seasons..curb appeal ..

6th Ave golf course

Buy back the Lively Athletic centre on Westview and turn it into a city run gym.

Green space behind library or Anderson Farm

Jessie Hamilton Public School

Walden Cross Country Fitness area could benefit from support for MTB and Nordic trails. I really liked the idea of purchasing ^th Avenue Golf course to create a new swimming hole and park.

Walden Mountain bike trails, funding for trail development, safety plans, year round accessible washroom facilities

6th Avenue Golf Course property

Sixth avenue golf course- off leash dog park, swimming facility, walking trails

Biathlon Facilities at Walden Cross Country

Mikkola area

Potential enhancements to Hillcrest Park

Transform the old golf club on 6th Avenue into a park with hiking trails and a beach for swimming outdoor

The former Sixth Avenue Golf course is a perfect property to replace what we have lost. It has a very large pond between the third and fourth hole that could be dredged for a swimming area. It already has a series of walking paths. The former clubhouse is breathtaking and could be made into a banquet hall and clubhouse. It's a no brainer.

Could there be potential space for indoor recreational activities at Lively High School?

You should buy 6th avenue golf course, make a swimming hole there as well as a community centre out of the building. The rest could be walking and cross country trails.

Park off of Ronald crescent is old and outdated and potentially dangerous for kids also black lake road itself sucks so maybe redoing that road would be nice

Lively/Walden should work with the Walden Mountain bike club to develop an asphalt pump track built by company called Velo Solutions. I have seen neighborhoods change by having one of these. <https://velosolutions.com/asphalt-pump-tracks/>

All playgrounds

Wassakwa \$

lively golf course

off leash dog park

Ski trail behind coronation apartment building that travels all the

way to Naughton. Expand the beach at Silver Lake in the south end and have a shuttle to this area.

The former sixth avenue golf coarse would be ideal to provide a replacement to what was lost with the meatbird facility. The property could feature hiking trails which are existing and would need minimal effort to implement, a swimming hole, plenty of fields for activities and could employ additional local resources seasonally. Cross country ski trails could be easily maintained in the winter months. This faculty would be an accessible in town option within walking distance to ALL local schools. Encouraging the youth of the community to get active and involved.

improvements to ski hill

Sixth Ave property. Beach, indoor pool, playground, change facilities, splash pad.

Motor sports

Sixth Avenue golf course - has a large parking area, an existing building for a much-needed family restaurant, land for a new swim/recreation building, existing walking and cross skiing spaces, and still central for Lively citizens

Kivi Park

As noted above, an opportunity of having 4 million would be best used to purchase a central acreage that could be enhanced to allow for several activities that would appeal to as many people as possible - various ages, various mobility abilities, artists/ photography and green space that allows for walking/hiking (which can be connected to existing walking), a central building to accommodate fitness, change rooms , seniors centre and ideal space for including an outdoor swimming pool, splash pad and skateboarding. This concept requires acreage, a healthy ecosystem and the necessary infra structure to support a recreational destination ,,, an ideal location for all of these activities would be the former Sixth Ave golf course. It is next to the former meat bird

park and offers the best opportunity to replace the lost park with the added attraction of being able to support a much more diversified concept. This property already has hiking trails, a pump house and underground irrigation system, various pond sites and a large commercial building. The central location of 80 acres will be an environmental asset that will have a lasting impact on health, recreation and the environment.

Would prefer to see existing city owned property upgraded or repaired.

The old sixth avenue gold course property would be such an amazing addition to the greenspace in Lively! It already has a clubhouse that could be used as a base building for a fitness centre, seniors centre, etc. and even a small store with local artisans in there all year long, as well as space to rent for parties and events. If managed properly the city could sustain the cost of the amenities with off shoot project that pay some of the cost of upkeep, if not all. The property itself lends itself superbly for hiking, biking and walking trails in summer and snow shoeing, cross country skiing and fat biking in winter and toboggan hill for the kids. we wouldn't have to drive to Forest Ridge to take the kids tobogganing! The property close to the clubhouse off Sixth ave , with ample parking for citizens who use the park, would be ideal for swimming pool, splash pad and possible skateboard park and picnic area allowing for a multi use destination for all ages..... not to mention that the green space and healthy ecosystems would be very beneficial to the environment. You could create a man made lake near the clubhouse as well for outdoor use in the summer and as an ice skating rink in the winter. Keeping green trees and ponds healthy and intact , that are on that property, will keep the air clean, the birds and animals that roam in there alive and well for future generations. All parts of the city would benefit from an area in lively that everyone could use, similiar to Kivi Park. We all used the gold course when it was there and enjoyed the ups and downs of the terrain and the numerous natural ponds and wildlife we saw along the way. Lets try to keep this jewel of a property green and accessible to all! It would be a very prudent investment in the future of our Great city of lakes.

None of the above areas are very good for a new swimming center. The center needs to be in the town of Lively.

6th Ave golf course would be a perfect spot to invest in

Sixth ave golf course, but it.

Walden Community Centre { Arena } as per # 9 above ...

Walden Cross-Country parking lot and trail improvement and expansion.

Walden Cross Country (www.waldenxc.ca) should be provided with funding to expand their parking lot and offer more trails (for skiing, snowshoeing, mountain biking, and fat biking).

Naughton trails - maintain as both bike and ski location

The sixth avenue golf course Anderson farm Jessie Hamilton public school

DO NOT INVEST IN MORE PROPERTY, WE ALREADY HAVE ENOUGH THAT WE CANNOT AFFORD TO MAINTAIN. [REDACTED]

[REDACTED]
[REDACTED]
[REDACTED]
[REDACTED]

Walden Trails - are partially on city land - although all development and maintenance is done by the 2 clubs - Mt biking and Skiing They could use some assistance 2 straightforward but important items are to increase the parking (there is room) and develop another trail for seniors and beginners - our ".easy trail" is over used

A central location for weightlifting training in lively

provide funding to Walden Cross Country to enhance existing facilities at Naughton trails - especially, to expand parking area and add additional recreational trails suitable for beginners and seniors

Kinsman sports complex is drastically in need of playground equipment. Splash pad update. Fix tennis court. Off leash park for dogs. Bonnie street playground also needs upgrading

We should invest some of the funding into upgrading the trail system at Walden Cross County and Bike Club. Add to the existing trail system and expanding the parking lot to allow more capacity for usage. The small scale events already hosted there can become more large scale. Great for our local economy!

NOT 6th avenue golf course. Waste of money. It's not what we need.

Walden Cross Country ski trails could expand their trails, the lighting on them for night skiing, and the parking area.

Walden cross country club

Walden cross country ski club

Walden Cross Country. More trails would enhance the year-round experience for children, families, and seniors. Parking facilities could also be expanded to accommodate numbers at popular events.

Tom Davies Arena

Expand the snowshoes trails at naughton trails and skill trails. More lights for longer course at night time

Walden cross country ski club/mountain bike club

As suggested above a new public beach would be beneficial or investments into expanding/improving off road cycling/hiking trails in the area.

Land around the Walden Arena. I believe the land surround the Walden arena should be beautified and used in a more community based way. An outdoor pool here would be ideal!! Planting of trees, adding landscape and upgrading walking paths would do a lot to make Lively more appealing. It is also centrally located making it accessible to many more people.

An indoor swimming pool and gym attached to the arena

The rr55 has some really dangerous spots with no paved shoulder , makes cycling treacherous

Walden cross country - permanent biathlon trails and shooting range

Purchase the Lively golf course for walking trails, sell the club house and 5 acres surrounding it to a cohousing project

Walden Cross Country - expand trail system; improve parking.

expand the cross country ski trails and increase the parking lot

Any Green Space.

6th Avenue Gold Course - would be a good location for a swimming area

I like the idea of buying the golf course property for outdoor recreation. City owned beach, accessible to public area on Panache Lake. It's a giant lake but feels like such an elitist place because unless you have a boat to launch or property, there's no way to enjoy the lake. We have lived in area for 8 years and my kids have never been on the lake. Or the Camp Wassakwa property (I know there's a waterski camp there currently). But make that an area for people to enjoy.

Enhancements to Walden cross country to make it more affordable. More outdoor spaces! Walking, hiking, biking (road and mountain), etc.

The entire area between Black Lake Road and Mikkola. This should area should never become available for development. It is used by many for hiking and would be perfect to turn into a large greenspace area with lots of accessibility.

Walden Cross Country. More ski trails!

Focus on improving existing facilities such as Walden Cross country Ski club and Bike clubs. They have huge volunteer bases and can get a lot of extra value out of a little money and then sustain it for very little money. Walden could use the money for larger parking area, which is often full, expanding the lower ski and bike trails to make a larger selection for beginner and younger/senior members and helping with existing infrastructure. The last thing the city needs is to make yet another new facility that will cost lots of money to maintain. They should focus on fixing up aging existing city infrastructure and supporting volunteer based clubs that can make a dollar to a long way and are affordable to the public.

If the city were to provide an indoor pool the adding onto the existing hockey arena would make sense. That may provide the opportunity to improve the severely lacking girls/women's change room facilities in the arena.

Walden Cross Country/Walden Mountain Bike Club - expand the trail networks and provide more parking opportunities Develop trail network north of the Sugarbush subdivision to allow for year round

use, currently only accessible in the winter

Along Regional 55; avoid traffic congestion

Sixth Avenue Golf Course - hiking, swimming areas

Open up the existing recreation facilities to those who chose not to get the vaccine. Especially since outbreaks are happening amongst the vaccinated anyways at these establishments.

Sixth Avenue Golf Course

Walden Ski & Bike park could become a major attraction with the right investment and vision.

Fielding Memorial Park - off leash dog area T.M Davies Community Centre - walking loop, skateboard / pump track

The City Parkland that is used for the trail facility at the Walden Trails sees a tremendous amount of usage by people from all over the city, year-round. Skiing, snowshoeing and cycling in the 3 winter months. In the 8-month non-winter period, the parking lot is again filled with people, walking, running and cycling. More parking is required and more beginner skiing and mountain biking trails are required. The parking lots are filled and the beginner trails are quite crowded on the weekends.

The 6th Avenue Golf Course would be an ideal place to start. With a minimum effort much of this facility could be ready quickly. The property at Neimi Road and Megan Duhamel Drive

Hillcrest Area

 Golf Course

Lively golf club could be fixed up to be used.

Optional question (178 response(s), 218 skipped)

Question type: Essay Question

Q11 | Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

OPTIONS	AVG. RANK
Families	2.54
Teens (13-17)	2.73
youth (6-12)	2.79
Adults (18-64)	3.99
Seniors (65 +)	4.26
Pre-school kids (0-6)	4.37

Optional question (378 response(s), 18 skipped)

Question type: Ranking Question

Q12 | Please add any additional comments about recreation in Lively/Walden here.

100% environment protection and eco-conscious

9/17/2021 12:17 PM

Using any portion of the \$4 million to purchase more property given the amount of land the city owns in the area is a mistake.

9/19/2021 10:50 AM

Outdoor swimming, community room, walking trails, picnic areas

9/19/2021 07:53 PM

I get that people want to improve existing properties, but that

9/22/2021 09:12 PM

should be done by the city, who already owns those properties. We need a new property to replace the one that was sold. The Sixth avenue property offers many amenities and is situated in Lively. People from outside Lively already have to travel to Lively for groceries, gas, hardware, wood, basically everything. So it will not be an inconvenience to travel to the 6th avenue property. Also the amenity that was lost was located a small distance from the property on sixth avenue. I believe that securing this green space will replace what we lost and offer other options in the future.

9/23/2021 12:08 PM

Since amalgamation, Lively/Walden has been short changed in many ways. We need a recreational place for all ages to enjoy!

9/28/2021 11:26 AM

Need more for our youth — definitely need an outdoor pool or pond to replace meatbird lake

10/05/2021 04:54 PM

The reality is that while it would be great to have a pool or recreational facility in Lively we do have these thing through the private sector or through the city already, and the fact of the matter is that most of these city run facilities are constantly under threat of being shut down due to high operation costs. The 6th ave golf course idea seems like the most fiscally responsible idea to date. The operations costs would be no more than the park maintenance that the city was already doing at Meatbird and I don't know about anybody else but I would really hate to dump a bunch of money into something only to have the city shut it down a few years later because the operating costs are too high.

10/05/2021 06:06 PM

Most residents here are adults but we keep gearing everything to seniors and kids. We need something everyone can enjoy.

10/06/2021 08:36 PM

If the city loses the opportunity to purchase 6th Ave golf course you will see a lot of upset people in Walden.

10/06/2021 08:47 PM

We need something here to keep our youth busy and out of trouble

10/06/2021 08:49 PM

Please do not waste the money on 6th Ave golf course... spend the money to improve/add to an exciting property!

- 10/06/2021 08:52 PM Skating and skiing is covered we need somewhere to swim!
- 10/06/2021 08:57 PM I worry we are rushing to buy a property for \$2m that is beside tailing and isn't likely worth \$2.
- 10/06/2021 09:31 PM No more playgrounds there are enough
- 10/06/2021 09:41 PM I've heard enough about the Sixth Ave Golf Course purchase - it needs to be put to rest. I absolutely do not think the city should acquire more property for fitness opportunities in Lively/Ward 2.
- 10/06/2021 09:44 PM Please don't purchase property! Find should go to building on existing properties!
- 10/06/2021 09:54 PM I would love more outdoor space improvements. Walking trails, playgrounds and beaches.
- 10/06/2021 09:56 PM replace what was lost
- 10/06/2021 10:19 PM Need a swimming option to replace what was lost, year round preferred to serve youth and older adults. Our tweens and teens have been causing damage to parks lately bc honestly they are horrible, 2 concrete ramps do not meet the needs of this age group. We need something fun and challenging for this age group but also include video surveillance to maintain safety of investment. These improvements need to remain in upper Lively area as this is where it was lost from. People who lack a great deal of money CANNOT be expected to walk safely to Centennial and back without sidewalks on a highway.
- 10/06/2021 10:25 PM Purchasing Sixth ave golf course is a terrible idea. The area is already too busy and creates a hazard for kids on the roads in the area. It should be left as a green space or private home. Invest the money somewhere else where it can actually make a difference in the community. Invest in our current parks, create a new splash pad for Lively proper. Not everything needs to be across the highway in Hillcrest. We need picnic areas and walking trails and safe areas for kids to play and keep busy. We don't need to waste

half or more of the money from Meat Bird buying a property. Invest in what we have and make improvements and add to our current city owned property. Sixth ave golf course doesn't make sense. Don't do this to lively and the people that live down the street.

10/06/2021 11:01 PM

Lively needs a lot of maintence it's really hard to pick just one area. Our community is falling apart while growing in population which doesn't make any sense.

10/06/2021 11:55 PM

I don't think we should be prioritizing a certain age group. I would like to see something for all ages. I think most of Lively would like somewhere nice to swim and get exercise.

10/07/2021 12:32 AM

I raised my kids in Lively...always wished there were more affordable access for families. I believe in doing activities WITH my kids.

10/07/2021 04:17 AM

We need more recreational options in Lively we shouldn't have to travel to Sudbury for everything. The seniors especially need viable options to stay active and engaged

10/07/2021 08:24 AM

Needs more

10/07/2021 08:37 AM

I wish that the facilities and spaces we already have would be more maintained. PLUS better lighting, cctv cameras, by-laws and fines for littering and mischief. What we currently have is good but not 100 percent safe and rundown. re previous question ALL age groups need activities, involvement and exercise. We just visited Petawawa...class act for city run services. In one block there are tennis courts, indoor civic centre, playground, miniputt,ball fields, dog park, BMX bike area, skateboard area, splash pad, proper garbage containers, finished sidewalks and bike lanes...it really was incredible to see. It is all open and felt clean,safe and well maintained.

10/07/2021 08:38 AM

If you want people to stop going outside the City for recreation, something must be done. If you want people to stop vandalizing the playground & spray painting stuff - give them something to do. Idle hands...

10/07/2021 08:59 AM

Whatever happens NEEDS to be sustainable! Meat bird was simple and it was sustainable. These grandiose ideas with purchasing 6th Ave golf course and adding in multiple types of new facilities are not sustainable in the slightest and would end up being a giant waste of money. Meat bird wasn't much but it was used and appreciated! Walden isn't a city...we are a small community so lets keep our ideas based on what we actually are and can afford rather than dreaming big city amenities we can't afford!

10/07/2021 09:06 AM

No comment

10/07/2021 10:06 AM

This is an excellent opportunity to give our town a much needed kick start. Let's fortify and improve our existing assets so that they will be available in good condition for years to come. Let's not spend more money on land that will require more maintenance and stretch out our budgets further.

10/07/2021 10:45 AM

We have wonderfully kept park areas, walking area and sports fields, but an indoor pool will not replace the family experience of swimming, playing and picnicking at meatbird park. Camp Samac in the Oshawa area is a great example of this type of outdoor facility.

10/07/2021 12:20 PM

I hope that this is not a futile exercise

10/07/2021 12:25 PM

A multi use facility will encourage residents to stay and invest in our community

10/07/2021 01:58 PM

Anything will be an improvement. A splash pad uptown Lively would be lovely.. and more seating and shade at the parks.

10/07/2021 02:03 PM

Year long, indoor access will meet the needs of the greatest number of people. Lively has a large elderly population and they need a safe place to exercise like the rec centre in Hanmer. You could make money by building some extra rooms in the red centre and renting them out for workshops or parties. Look at what other cities have done successfully and work from there. Don't screw this

up. Lively lost something when Meatbird was sold. Talk to Michael Vagnini. He knows this community.

10/07/2021 06:43 PM

We have to take care of our elderly as well as Provide something for our youth to do or go. Arena parking lot is not used most times even when hockey season is on. The area could be used to expand the arena and provides upgrades. Let's use what we have and make it better instead of spending money on other property. I feel that would be a mistake. The arena is a central location.

10/07/2021 07:13 PM

Whatever you do, do NOT use Sixth Avenue golf course, [REDACTED]
[REDACTED]
[REDACTED]

10/07/2021 07:37 PM

Just don't make decisions that replace Meatbird and cause our taxes to go up. Enough with the increases already. We pay far too much for the level of service we get.

10/07/2021 08:03 PM

Keep dli hill opem add swimming amd skate park

10/07/2021 10:03 PM

Teens and youth and families need someplace to cool off during hot summer days

10/07/2021 10:25 PM

I think a community center with a salt water indoor pool with slide, saunas, concession, play gym (like the Kupp) Would be great for all ages in Lively

10/07/2021 10:46 PM

I like the idea of the Sixth ave golf course being turned into a park area like Kivi park. A place where families can go to enjoy many different opportunities, a bump park for kids to ride their bikes, an outdoor pool, a dog park and picnic area and Trails for walking. The space has lots of potential and could really bring the community together. It could also provide enough space for parking.

10/08/2021 09:27 AM

I believe that the focus should be on the Lively area as that is where the Meatbird property was centred.

- 10/08/2021 12:29 PM
The Lively Ski Hill needs improvement to the old chalet.
- 10/08/2021 12:42 PM
please purchase and redevelop sixth ave
- 10/08/2021 07:42 PM
I no longer have children living in this area, however, do strongly believe that opportunities to support families and youth, especially, are highest priority when faced with limited funds. Youth and teens need to have places/spaces that are usable, both indoors and outdoors, that keep them busy and engaged. Any outdoor opportunities that are enhanced or added need to be as accessible as possible to the largest number of people, both financially (majority, if not all, need to be free) and physically.
- 10/09/2021 12:34 PM
I think its better to invest in space already available rather then create new spaces.
- 10/09/2021 01:19 PM
Walking paths in town need to be maintained and increased
- 10/09/2021 05:12 PM
Definitely need a disc golf course. Perfect area, booming sport, accessible, cheap.
- 10/09/2021 05:17 PM
The Walden area is long overdue for new facilities that aren't run down AND fixing up existing recreation areas that are very run down. Kids/Teenagers need activities provided that will deter them from boredom and vandalism in other areas of Lively/Walden.
- 10/10/2021 07:52 AM
Please don't buy the golf course. In future years who will pay for the maintenance she the money runs out. It taxes are already soaring. Beautify what we have
- 10/10/2021 11:48 AM
Lively has lots whitefish has centennial. Oja has a park. But oja is far for kids who live off simon lake area. Please bring something to this area.
- 10/10/2021 03:15 PM
It is important to give our young people something interesting and exciting to engage with, and to give them pride in our town. This is the group I feel lacks anything that's challenging and also FREE
-

that they can walk or bike to.

10/11/2021 02:00 PM

We have almost nothing right now

10/11/2021 02:04 PM

Please please look into the sewage treatment plant and the capacity issues it currently has before doing anything to Simon Lake, as nothing will change unless that is addressed.

10/11/2021 02:15 PM

I am 100% against the proposed golf course purchase. There isn't enough money to develop and the high purchase price is ridiculous.

10/11/2021 03:48 PM

Strongly oppose the purchase of 6th avenue due to the purchase cost especially when there are other locations and city owned property in lively that can be developed.

10/11/2021 03:57 PM

Lively would benefit from a swimming area for summer use. Meetbird park provided much needed relief from the summer heat by many residents. Young and old alike. We need something to replace this.

10/11/2021 04:05 PM

As a parent of a young child, it would be great to have a facility in the years to come to bring our kids/teens to for various activities, rather than having to drive into Sudbury to access programs/activities such as gymnastics, dance, martial arts, swimming lessons, etc.

10/11/2021 05:29 PM

1. Don't spend our tax dollars hiring anyone to act as "consultants" on this project. Consult the people who live here. 2. Explore and report to the citizens as to what kind of federal & provincial monies are specifically available for the purchase & development of the golf course property. 3. Please report to Waldonites what the age demographics are for our neighborhood. 4. What user fees will be put in place for any "facilities" that may be built?

10/12/2021 01:41 PM

There is enough trails nearby that the 6th Ave Golf Course doesn't make sense

10/13/2021 09:14 AM Tennis court Splash pad in naughton/whitefish

10/14/2021 06:40 AM Whatever is decided, please take into consideration the affect on the taxpayer.....we pay a considerable high amount of taxes already with what we currently have. If it means that my taxes are going to increase considerably to accommodate a facility to be available, then it lessens/stops the ability to actually use the facility.

10/14/2021 09:32 AM With the acquisition of Sixth avenue golf course, we could turn this large property into a four season recreational area. From walking trails, swimming hole, dog park, cross country skiing, Etc.....

10/14/2021 11:11 AM I agree Six ave is a great choice

10/14/2021 12:32 PM We have very little recreation opportunities in Walden as compared to the Valley and Chelmsford. We are the forgotten area. We Weser to come last when opportunities are being built.

10/14/2021 06:41 PM The outdoor rink and tennis courts need an overhaul. It is sad to see the condition of the tennis courts in lively.the ski hill also needs an upgrade and a new chalet.

10/15/2021 06:31 PM Beach

10/16/2021 09:09 AM Our community prides itself on socio-economical activities. People come from all over the city for Anderson events, and Meatbird was a free location for all to enjoy. We need to continue to focus on ammenities to improve community satisfaction, and pride of belonging.

10/17/2021 06:55 AM Lively needs more police presence.it is lacking or non existent.

10/17/2021 05:36 PM Younger children have the present playground which appears to be in good shape. A roof over the outdoor rink would make it much easier to maintain, by the volunteers, as it wouldn't get ruined in our winter rain storms

10/17/2021 09:20 PM

Don't waste any money on buying contaminated land. The water might be treated now but the land is contaminated you will end up having an environmental nightmare Use the land already owned. It would probably cost less to clean Simon Lake which has a picnic area already We don't need another walking trail, we need a place where families go in the winter months Espanola has great facility, should ask them about operating costs

10/19/2021 06:34 AM

Every person I talk with wants a sport center with indoor pool but were put down on Facebook after mentioning the idea. They mostly decided they were not in the click and not wanting to engage in this decision as they assumed the decision was already made☹

10/19/2021 09:02 AM

I don't believe it is a good idea to purchase property and build when we have existing resources already not being taken care of.

10/19/2021 09:23 AM

Need places to go and things to do for families. Parade at Christmas.

10/21/2021 09:19 AM

There is very little in the way of community programming. Other sports and physical activities could be offered at existing facilities.

10/21/2021 10:25 AM

An indoor pool and gym with the arena would benefit all age groups in Walden and could be used year round. Simon Lake park is not being used as the water is unfit for swimming..... therefore upgrades are not needed here unless water quality can be improved.

10/21/2021 11:27 AM

Simon Lake Park could be a wonderful picnic area with all facilities already present including bus transportation

10/21/2021 06:53 PM

As stated several times in this survey, we believe a space similar to Kivi Park would be a celebrated success in the Lively/Walden area.

10/22/2021 03:39 AM

Please don't let this one drag on. You have the concept. You know what we need. Let's get on it!

10/22/2021 05:43 PM
Already lots of nice trails in the lively area for hiking/biking/skiing I think focus should be on a beach or a nice new recreational facility.

10/24/2021 07:47 AM
Finally there is a way to provide some decent recreation facilities in Walden. The purchase of the former Sixth Avenue Golf Course and upgrades to the poor, long suffering ski hill will go a long way toward having year round, healthy, outdoor opportunities in Walden.

10/24/2021 10:54 AM
We lost so much when Meatbird was sold. Please find a viable option to replace what was lost.

10/24/2021 05:02 PM
The beach on Simon lake is full of algae most of the summer, Centennial is nice but too far for kids to ride their bikes. The swimming area at 6th avenue golf course would be a good replacement to meatbird lake.

10/25/2021 09:12 PM
If you make a space welcome to everyone, you do not need to prioritize one group over another!!!!

10/28/2021 04:06 PM
We would really love an off leash dog park

10/29/2021 08:20 PM
Should be inclusive but also have some kind of security to make sure the teenagers don't ruin it for everyone. Lively had Meatbird and you could take your grandchildren there to play in the little park, and let them splash and play on the beach. You could walk around the lake and pretend you were on a great adventure with them but still be safely around other people. As an older adult, you could take a chair to Meatbird and sit out and read while enjoying the sounds of other people and not be alone in your house or apartment. We need something like that again.

10/29/2021 08:46 PM
Give us back the beach you stole from us!

10/29/2021 10:57 PM
Need motor sports

10/29/2021 11:11 PM

We moved to lively for the green space and ease to get around. Since my few years living here I have already seen trees clear cut. Please help maintain and protect the green space we have. It would be nice to have a "kivi style" park in the area. Somewhere where people can go be outside and have different opportunities to learn and play. A natural dirt bike path, different levels of walking paths, skate path, etc would encourage others from around the city to come and enjoy all the community has to offer.

10/30/2021 08:15 AM

Use existing infrastructure rather than adding more real estate costs. Sustainability is important and spending money on additional property when existing properties such as Anderson Farm are under utilized is insanity.

10/31/2021 06:51 AM

Walden is a very desirable destination with good access to all of greater Sudbury. A central green space that allows for recreational opportunities for all segments of the population would be a terrific asset and an added attraction for everyone in the region.

10/31/2021 11:10 AM

DO NOT waste money buying Sixth Ave golf course. Would prefer to see existing infrastructure such as Anderson Farm, Centennial Park, etc. improved.

11/01/2021 01:32 PM

We can only benefit from investment is our greenspaces. Too much commercialization and building development makes for a boring town and a landscape too full of buildings and not full enough of healthy living options. Let's protect and expand our greenspaces.

11/01/2021 04:17 PM

Do not purchase the Sixth Avenue golf course as there will not be enough money to build a swimming center. The swimming center should be on land presently owned by the city.

11/01/2021 04:57 PM

City has slowly been getting rid of amenities in Walden. Time to bring things back that kids can enjoy

11/02/2021 08:14 AM

The ice list of ages is silly, everyone is equal and equally needs recreational facilities in lively.

11/02/2021 03:31 PM A pool can be used year round, everyday and accommodate all age groups like in other communities like Onaping and Hanmer

11/02/2021 11:24 PM Investments/improvements should definitely be made at Walden Cross Country in Naughton. There is a lot of space at this site. The parking lot should be expanded and the trails should be enhanced. This facility is a real gem!

11/03/2021 07:51 AM Unfortunate that questions have max checks that can be made

11/03/2021 08:13 AM We need to keep our youth active, they are not all into sports, so we need to put money into arts as well, some of our facilities are just outdated, fielding park could use an update

11/03/2021 09:27 AM outdoor facilities could be a focus - using this last year as an example . and close to the poepulation of Lively / Walden . It is amazing the number of oppotunities available in such a localized area

11/03/2021 05:52 PM We don't need to buy the 6th Avenue golf course. No swimming facilities cost \$2M. It's too far out and we'd just be buying a swamp in the Everglades. Please please do no not purchase this eyesore. It is not a steal. Maybe 2 many people have ulterior motives.

11/03/2021 05:56 PM Do not choose 6th avenue golf course. Something shady is going on there.

11/03/2021 11:15 PM Lively needs more outdoor recreation facilities especially now that Meatbird lake and the ski hill have closed. Also the existing facilities need improvement die to heavier use.

11/04/2021 02:52 AM Youth groups and organized sports / gym time for volleyball ball, basket ball, etc

11/04/2021 06:12 AM Good luck with this amazing planning exercise

11/04/2021 08:32 AM

I recently had the opportunity to see the recreation facilities in Hanmer (area surrounding the Howard Armstrong Recreation Centre). It is beautifully maintained with wonderful walking paths and amenities. Lively is beyond embarrassing in it's offerings. I have been a life long resident of the Walden Area and am extremely disappointed in the condition of the arena, tennis courts, walking paths and lack of facilities. As Lively continues to expand it is important to have amenities and instil pride in our community. We need a pool, walking paths, and for heavens sake let us make Lively beautiful again!!! Lively has become run down and ugly...we need to change and the community needs to have pride again.

11/04/2021 10:01 AM

It would be best to upgrade existing facilities within Lively and if more green space is needed, purchase PART of the Lively golf course for walking trails. The rest can be sold by the owners or city to a worthwhile project that can utilize the club house which would require too much conversion and expense by the city coffers.

11/04/2021 10:12 AM

We are fortunate to have so many beautiful lakes in the area. Lake quality is definitely a priority, at a minimum, education on what we must and must not do when using the lakes.

11/04/2021 05:54 PM

I don't support an indoor pool for the reason that it would certainly mean closing of RH Dow pool in Copper Cliff. That community has so little left, far less funding, let them keep their pool.

INDOOR SWIMMING

11/04/2021 06:49 PM

11/04/2021 07:19 PM

The community needs to understand the operating costs of the facilities they are proposing will not be long-term sustainable. As well, the capital costs will likely exceed the funds we have for this project. It needs to be community based that all ages can use - not just a splashpad for kids.

11/04/2021 09:24 PM

Meatbird Lake, when it was clean, was a big part of our family's life when our children were young-it was accessible and safe, encouraged physical activity and being outdoors. As a health professional and citizen of this community for 30+ years, I am saddened at it's loss. It can not be replaced. Other/additional recreation space needs to be accessible and affordable/free where it is most needed. I have yet to use Kivi Park as I am not driving

nor paying to be outdoors.

11/05/2021 12:45 PM

I have two recommendations for the ski and biking trails in Naughton - expand the trail system and increase the size of the parking lot.

11/05/2021 07:42 PM

Whatever you do with this money make sure it's inclusive to all. Vaccinated or not.

11/06/2021 08:18 AM

We have only taken advantage of walking trails at Walden ski club and the one that connects Walden field to Fielding park. We are to Pickleball and since it is considered the fastest growing sport it is highly lacking playing opportunities in Greater Sudbury.

11/07/2021 07:03 AM

There is lots of room at Anderson farm for an outdoor pool with change rooms and concession stand. There is already a well loved playing area for children. Anderson Farm is centrally located and easily assessable.

11/08/2021 12:08 PM

Activate facilities !

11/10/2021 11:39 AM

Very limited recreation opportunities for teens in Lively

11/10/2021 11:45 AM

There is very little activity for teens in Lively - especially with the loss of Meatbird Lake

11/10/2021 11:50 AM

The City has taken a popular and well used facility away and has done nothing to replace it.

11/10/2021 11:57 AM

Why can we not accommodate all age groups. The entire community misses their beach. A senior friendly park like down south would be nice.

11/10/2021 02:46 PM

Lively lost swimming area money should stay in Lively Sixth Ave Golf Property would have been a good property - but as usual probably too late - winter cross country ski - snow shoe - walking

trails would have been nice - summer- tennis- pickle ball bocce
would have been nice -walking distance to that facility

11/10/2021 03:44 PM

Somewhere we can have clean, safe water to swim in, with easy access for all. We need a sandy play place for little children, and a partly shady place for older adults who watch children. We need an exercise facility and walking trails. Children need play equipment - older children and teens need this most of all.

11/10/2021 04:01 PM

I believe the teens of our area need lots of recreation. In a place where the eyes of the neighbourhood are upon them.

11/10/2021 04:10 PM

Since we lost a beach (water) we need a water facility. A splash pad for kids and perhaps an outdoor pool for adults.

11/10/2021 04:35 PM

Long-term maintenance in regards to safety and cost versus usage is important. Simon Lake would be a beautiful landscape if lakes algae could be controlled enough to allow swimming. If this is manageable then upgrading the play space would be fantastic.

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Playground Equipment
 - Splash Pads
 - Swimming (outdoor)
 - Walking or Hiking
 - Other (please specify)**
Accessible year round access.
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Don't Know
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Environmental stewardship
 - Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Concentrate on maintaining existing parks and facilities only
 - Provide swimming opportunities
 - Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Outdoor public pool
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Easy accessibility for seniors, families and people with special needs
 - Picnic area
 - Splash play area
 - Other (please specify)**
Transit access
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
- 1. Green Space behind Lively Citizen Service Centre/Library
 - 2. Anderson Farm
 - 3. Centennial Park (Whitefish)
 - 4. Lively Ski Hill Property
 - 5. Simon Lake Park
 - 6. Sixth Avenue Playground
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

1. Outdoor pool with change rooms and picnic tables. 2. Splash pad or additional heritage programming. 3. Expand maintenance and transit access. 4. Re-open or sell for private resort development. 5. Environmental clean-up. 6. Do not invest only maintain.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Using any portion of the \$4 million to purchase more property given the amount of land the city owns in the area is a mistake.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. Teens (13-17)
 3. Seniors (65 +)
 4. youth (6-12)
 5. Adults (18-64)
 6. Pre-school kids (0-6)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

Using any portion of the \$4 million to purchase more property given the amount of land the city owns in the area is a mistake.

Outdoor swimming
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
Affordability
Environmental stewardship
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
Investment in outdoor, seasonal facilities
Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Community room for training / parties
Concessions / snacks
Easy accessibility for seniors, families and people with special needs
Picnic area
Other (please specify)
Within walking distance of community
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Sixth Avenue Playground
2. Green Space behind Lively Citizen Service Centre/Library
3. Anderson Farm
4. Lively Ski Hill Property
5. Centennial Park (Whitefish)
6. Simon Lake Park
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I don't feel that anything needs to be added to these facilities. We need new facilities such as what is possible if the former Sixth Ave golf course is purchased.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Purchase of the former Sixth Ave golf course. The property provides the opportunity to build a cohesive recreational community hub that has the ability to grow with the needs of the town.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Families
	2. youth (6-12)
	3. Pre-school kids (0-6)
	4. Teens (13-17)
	5. Adults (18-64)
	6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Outdoor swimming, community room, walking trails, picnic areas

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Splash Pads Swimming (outdoor) Walking or Hiking
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Yes (please specify) Outdoor swimming close to Lively
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Accessibility and inclusivity Modern facilities Multi-use facilities
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Acquire more land for future parks Investment in outdoor, seasonal facilities Provide swimming opportunities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Swimming beach at a lake, river or pond
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Concessions / snacks Easy accessibility for seniors, families and people with special needs
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Green Space behind Lively Citizen Service Centre/Library 2. Sixth Avenue Playground 3. Anderson Farm 4. Lively Ski Hill Property 5. Simon Lake Park 6. Centennial Park (Whitefish)
Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.	<p>I don't think we should spend the money on property the city already owns. Buy the old sixth avenue golf course and make it a swimming spot and walking trails. City owned property should be maintained by the city, not money from the sale of Meatbird.</p>

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Buy the old sixth avenue golf course. It would provide us with a beautiful green spot. It can house a swimming area, walking trails, cross country ski trails, and more. The Meatbird money should NOT be used on property the city already owns.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Adults (18-64) 2. Families 3. Teens (13-17) 4. Seniors (65 +) 5. youth (6-12) 6. Pre-school kids (0-6)
--	--

Q12. Please add any additional comments about recreation in Lively/Walden here.

I get that people want to improve existing properties, but that should be done by the city, who already owns those properties. We need a new property to replace the one that was sold. The Sixth avenue property offers many amenities and is situated in Lively. People from outside Lively already have to travel to Lively for groceries, gas, hardware, wood, basically everything. So it will not be an inconvenience to travel to the 6th avenue property. Also the amenity that was lost was located a small distance from the property on sixth avenue. I believe that securing this green space will replace what we lost and offer other options in the future.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Basketball (outdoor)
Ice Sports / Skating (indoor)
Ice Sports / Skating (outdoor)
Splash Pads
Tennis or Pickleball

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Basketball

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Affordability
Multi-use facilities

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Concentrate on maintaining existing parks and facilities only
Provide new recreation opportunities for older adults
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Disagree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

not answered

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Easy accessibility for seniors, families and people with special needs
Picnic area

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Simon Lake Park
2. Lively Ski Hill Property
3. Sixth Avenue Playground
4. Green Space behind Lively Citizen Service Centre/Library
5. Centennial Park (Whitefish)
6. Anderson Farm

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Active use at Simon Lake will keep algae from growing from the bottom and use a bubbler system to keep algae from floating into the beach. Add an outdoor basketball court and cover our outdoor rinks

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Having been a Lively resident all of my life, and an avid user of Meatbird since I was a child, my thoughts for recreation in our area is for the previous 6th Avenue Golf Course to be purchased, and worked, just as you would a fixer-upper home. We cannot have everything at once, but with matching grants, regular grants, volunteers, etc., it would become a jewel in our area. Any other funding should be directed to the clean-up of the shoreline at Centennial Park, which is another underdeveloped jewel for all residents in the Walden area. A backhoe needs to be brought in to clear out a larger length of beach, and to rid the shoreline of the weedy areas. Although Simon Lake used to be such a wonderful area, it has been polluted to the point that without a very heavy investment it will not ever be a beautiful and swimmable beach again. I would, of course, love to have a Recreational Complex like the one in Espanola, but we do not have access to those kinds of funds.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Again ... Having been a Lively resident all of my life, and an avid user of Meatbird since I was a child, my thoughts for recreation in our area is for the previous 6th Avenue Golf Course to be purchased, and worked, just as you would a fixer-upper home. We cannot have everything at once, but with matching grants, regular grants, volunteers, etc., it would become a jewel in our area. Any other funding should be directed to the clean-up of the shoreline at Centennial Park, which is another underdeveloped jewel for all residents in the Walden area. Swimming (indoor)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Don't Know
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
Affordability
Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in indoor, year-round facilities
Provide new recreation opportunities for youth
Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
Indoor Year Round Recreational Facility
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Community room for training / parties
Diving board(s)
Easy accessibility for seniors, families and people with special needs
Water slide
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Green Space behind Lively Citizen Service Centre/Library
2. Anderson Farm
3. Simon Lake Park
4. Sixth Avenue Playground
5. Centennial Park (Whitefish)
6. Lively Ski Hill Property
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I believe an Indoor Year Round Recreation Centre would be amazing for Lively. Any outdoor amenities are limited to 3-4 months out of the year. If we could get an Indoor Swimming Pool, Community Centre with Gym/Walking track would be amazing for the community. The closest access to these is Laurentian University. Would be amazing to have activity programs such as Gymnastics/Dance/etc for children in the community instead of having families travel to Sudbury and other surrounding communities to access these after school programs.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Pre-school kids (0-6)
3. Seniors (65 +)
4. youth (6-12)
5. Adults (18-64)
6. Teens (13-17)

Q12. Please add any additional comments about recreation in Lively/Walden here.

not answered

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Lively

Q15. Which age group describes you? 30 to 39 years

Q16. Are any members of your household aged 17 or younger? Yes

Q17. Are any members of your household aged 65 or older? No

- Downhill Skiing
Swimming (outdoor)
Water Sports (e.g. canoeing, kayaking, etc.)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
Outdoor swimming
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
Environmental stewardship
Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
Investment in outdoor, seasonal facilities
Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Inflatable obstacle course
Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Anderson Farm
2. Lively Ski Hill Property
3. Simon Lake Park
4. Green Space behind Lively Citizen Service Centre/Library
5. Sixth Avenue Playground
6. Centennial Park (Whitefish)
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
1. Additional outdoor facilities could be added to the Anderson Farm location. 2. Add winter tubing or conveyor lift at Lively ski hill. This will promote more tickets sales in the the winter if young children can access easy lift for the bunny hill. 3. Clean up lake to have proper access to swimming, potential kayak/canoe rentals from the park building.
-

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Sixth Avenue Golf course, has great space that can be utilized and is located in upper Lively. Pond could be expanded with possible introduction of some fish species so kids could participate in fishing, swimming, maybe house kayak rentals.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)
2. Families
3. youth (6-12)
4. Adults (18-64)
5. Seniors (65 +)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

not answered

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Lively

Q15. Which age group describes you? 30 to 39 years

Q16. Are any members of your household aged 17 or younger? Yes

Q17. Are any members of your household aged 65 or older? No

-
- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Swimming (outdoor)
Walking or Hiking
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
An accessible beach like the one we lost.
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
Environmental stewardship
Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
Investment in outdoor, seasonal facilities
Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Easy accessibility for seniors, families and people with special needs
Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Sixth Avenue Playground
2. Green Space behind Lively Citizen Service Centre/Library
3. Anderson Farm
4. Simon Lake Park
5. Lively Ski Hill Property
6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I do not think the money should be put into existing locations suggested in the list above. 6th avenue recently saw major improvements, the green space behind the senior centre is fine the way it is, Anderson Farm is a heritage site so not much should or could be changed there, Simon Lake will take way more money than we have and will take years to clean up if it even can be, the Lively Ski Hill is under constant threat of closure by the city and is not used by all residents so why put money into something used by a few that the city wants shut down, and Centennial is inaccessible and too far away for most Lively residents.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Acquiring the old 6th avenue golf course seems like an ideal acquisition. It is near the former Meatbird Park, it has a pond that can be remediated into a swimable beach. It has the potential for hiking trails so that residents at this end of Lively will have a place to take their family that isn't along a highway where mining trucks and other vehicles travel way too fast to feel safe. There is also room for expansion in the future for other amenities.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. youth (6-12)
3. Teens (13-17)
4. Pre-school kids (0-6)
5. Adults (18-64)
6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

The reality is that while it would be great to have a pool or recreational facility in Lively we do have these thing through the private sector or through the city already, and the fact of the matter is that most of these city run facilities are constantly under threat of being shut down due to high operation costs. The 6th ave golf course idea seems like the most fiscally responsible idea to date. The operations costs would be no more than the park maintenance that the city was already doing at Meatbird and I don't know about anybody else but I would really hate to dump a bunch of money into something only to have the city shut it down a few years later because the operating costs are too high.

Q13. You can also upload PDF documents here.

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Aerobics, Fitness or Weight training
Downhill Skiing
Swimming (indoor)
Walking or Hiking
Water Sports (e.g. canoeing, kayaking, etc.)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
Fitness equipment at a park (like how Espanola has at Clear Lake), more hiking trails, swimming
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Modern facilities
Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
Investment in outdoor, seasonal facilities
Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Lively Ski Hill Property
2. Simon Lake Park
3. Anderson Farm
4. Green Space behind Lively Citizen Service Centre/Library
5. Centennial Park (Whitefish)
6. Sixth Avenue Playground
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- I'm tired of the Lively Ski Hill being on the chopping block every time the budget comes up. I would like the ski shack area improved and some funds to keep our Ski Hill. I also want funds to keep the Beaver Lake welcome centre so private sponsors don't have to pay for it. I want outdoor fitness amenities for adults, we already have playgrounds and splash pads here.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The golf course has been mentioned and might be a nice amenity but I fear it would take the entire budget and then we don't get any upgrades to other things like the ski hill.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Adults (18-64)
	2. Teens (13-17)
	3. Families
	4. Seniors (65 +)
	5. youth (6-12)
	6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Most residents here are adults but we keep gearing everything to seniors and kids. We need something everyone can enjoy.

I think that purchasing the 6th Ave golf course would be a wonderful opportunity for the residents if Walden. We would have a place to swim, wonderful walking trails and the clubhouse could have many uses. But it sounds like the City is dragging its ass and will probably lose out on this great opportunity.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	<ol style="list-style-type: none">1. Families2. Seniors (65 +)3. Teens (13-17)4. youth (6-12)5. Pre-school kids (0-6)6. Adults (18-64)

 4. Lively Ski Hill Property
 5. Simon Lake Park
 6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

None of these locations are what I would want, 6th Avenue Golf course would be ideal for expansion of outdoor activities for our youths and easily accessible as appose to have to drive to Simon Lake or Centennial Park.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

6th Avenue Golf Course, mini-golf, splash pad, outdoor pool, gymnastic area, concession stand.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. Pre-school kids (0-6)
 3. youth (6-12)
 4. Teens (13-17)
 5. Adults (18-64)
 6. Seniors (65 +)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

We need something here to keep our youth busy and out of trouble

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Lively

Q15. Which age group describes you?

60 to 69 years

Q16. Are any members of your household aged 17 or younger?

No

Q17. Are any members of your household aged 65 or older?

Yes

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Swimming (indoor)
Swimming (outdoor)
Water Sports (e.g. canoeing, kayaking, etc.)

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Somewhere to swim preferably outdoors where we could have a beach and easy to get to like meatbird was.

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Affordability
Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in outdoor, seasonal facilities
Provide new recreation opportunities for youth
Provide swimming opportunities

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Swimming beach at a lake, river or pond

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Concessions / snacks
Easy accessibility for seniors, families and people with special needs
Picnic area

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Anderson Farm
2. Green Space behind Lively Citizen Service Centre/Library
3. Sixth Avenue Playground
4. Lively Ski Hill Property
5. Centennial Park (Whitefish)
6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Upstairs at arena could be repurposed for a gym/indoor walking. We need a place for families in Lively to swim so purchasing land to make that happen would be nice.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Lots of space for a facility in the field in front of Anderson farm. Or expand by the current arena. Or see if it's worth getting the land at 6th ave and have a beach comparable or better than meatbird.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Teens (13-17)
3. Adults (18-64)
4. Seniors (65 +)
5. youth (6-12)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Skating and skiing is covered we need somewhere to swim!

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Lively

 5. Lively Ski Hill Property
 6. Sixth Avenue Playground
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Simon lake is such a beautiful park that we just can't use. Please use the money to help clean it up so our kids can swim at an existing lake. It's so perfect. Already have change rooms, washrooms etc. Also a large space to integrate a dog park in the area as well. Lots of parking already. Lots of shade. Large beach. It's the ideal location for outdoor swimming. Why some want to buy vacant property is beyond me. Clean up what we have!

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

 - 2. Green Space behind Lively Citizen Service Centre/Library
 - 3. Anderson Farm
 - 4. Centennial Park (Whitefish)
 - 5. Sixth Avenue Playground
 - 6. Simon Lake Park
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Simon lake - will never be able to swim in it. sell to make money on property tax Sixth avenue playground - add roof with lights under roof Centennial park- to far for kids to walk too. Anderson farm should be left alone as it should be a historical site Behind library sold for houses and property tax Lively ski hill- should be better maintained and new shack. We have a public owned golf course which is in need of a driving range to attracted more youth to learn the game. The golf course could maintain the grass on the property as well which would save the city some costs. sixth Ave property would be great. And the city can rent the building out and build a swimming hole on the rest of the property. Lots of room!! We can do lots and there are plenty of volunteers to help.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Sixth Ave golf course The property behind Tim hortons The arena could be added on too

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

-
- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cycling or Mountain Biking
 - Ice Sports / Skating (indoor)
 - Ice Sports / Skating (outdoor)
 - Sport Fields (e.g. baseball, soccer, etc.)
 - Swimming (outdoor)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- No
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Easy accessibility for seniors, families and people with special needs
 - Picnic area
 - Sand volleyball court
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Anderson Farm
 2. Green Space behind Lively Citizen Service Centre/Library
 3. Sixth Avenue Playground
 4. Lively Ski Hill Property
 5. Simon Lake Park
 6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I picked Anderson Farm for its central location. The idea of outdoor swimming/beach is the tricky one. The quality of water sources, for example, Simon Lake, is deplorable. Centennial park is not bad but not central. Limited beach space also. If an indoor pool and recreation center was built on Anderson Farm space it would have lots of room.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

5. youth (6-12)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

I've heard enough about the Sixth Ave Golf Course purchase - it needs to be put to rest. I absolutely do not think the city should acquire more property for fitness opportunities in Lively/Ward 2.

-
- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cycling or Mountain Biking
Skateboarding
Swimming (indoor)
Swimming (outdoor)
Other (please specify)
Pump track and cycling/mountain biking trails
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
Proper swimming area that we have lost, Pump track, proper skate board park, mountain bike trails various levels,
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Multi-use facilities
Sustainability
Other (please specify)
Consideration for those less fortunate in this community who lack ease of access to public beach
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in indoor, year-round facilities
Provide new recreation opportunities for youth
Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
Indoor swimming facility similar to one on Espanola or Howard Armstrong. A place where our kids can learn to swim, older adults can do low impact pool exercises and therapies
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Community room for training / parties
Diving board(s)
Easy accessibility for seniors, families and people with special needs
Other (please specify)
Life guards and swimming instructor programs. Employ our youth, teens and tweens.
-

Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**

1. Anderson Farm
2. Green Space behind Lively Citizen Service Centre/Library
3. Sixth Avenue Playground
4. Lively Ski Hill Property
5. Simon Lake Park
6. Centennial Park (Whitefish)

Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

Why was the Tom Davies arena not included, there is space and opportunity to add an indoor swimming area, party rooms, change rooms and indoor year round walking/exercise area to this location. Next option build an indoor pool, w change rooms, party rooms, walking track exercise at anderson farm. Proper skate park and pump track at anderson farm.

Q10. **Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.**

None, eats up too much cost to buy a new unnecessary property unless there are other funding streams available above the 4 million from the sale of meatbird

Q11. **Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)**

1. Teens (13-17)
2. youth (6-12)
3. Seniors (65 +)
4. Pre-school kids (0-6)
5. Families
6. Adults (18-64)

Q12. **Please add any additional comments about recreation in Lively/Walden here.**

Need a swimming option to replace what was lost, year round preferred to serve youth and older adults. Our tweens and teens have been causing damage to parks lately bc honestly they are horrible, 2 concrete ramps do not meet the needs of this age group. We need something fun and challenging for this age group but also include video surveillance to maintain safety of investment. These improvements need to remain in upper Lively area as this is where it was lost from. People who lack a great deal of money CANNOT be expected to walk safely to Centennial and back without sidewalks on a highway.

Q13. **You can also upload PDF documents here.** not answered

2. youth (6-12)
3. Seniors (65 +)
4. Teens (13-17)
5. Adults (18-64)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Purchasing Sixth ave golf course is a terrible idea. The area is already too busy and creates a hazard for kids on the roads in the area. It should be left as a green space or private home. Invest the money somewhere else where it can actually make a difference in the community. Invest in our current parks, create a new splash pad for Lively proper. Not everything needs to be across the highway in Hillcrest. We need picnic areas and walking trails and safe areas for kids to play and keep busy. We don't need to waste half or more of the money from Meat Bird buying a property. Invest in what we have and make improvements and add to our current city owned property. Sixth ave golf course doesn't make sense. Don't do this to lively and the people that live down the street.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Playground Equipment Skateboarding Swimming (indoor) Swimming (outdoor) Other (please specify) Gymnastics for kids
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Yes (please specify) Gymnastics ballet jazz
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Affordability Multi-use facilities Sustainability
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Provide new recreation opportunities for older adults Provide new recreation opportunities for youth Provide swimming opportunities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Concessions / snacks Picnic area Sand volleyball court Splash play area
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Simon Lake Park 2. Anderson Farm 3. Sixth Avenue Playground 4. Lively Ski Hill Property 5. Green Space behind Lively Citizen Service Centre/Library 6. Centennial Park (Whitefish)

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Centennial park would be a beneficial swimming area for our community. Arena needs new washrooms and bigger concession stand maybe add a pool onto this building just like Espanola has. Roads need major fixing everywhere. Black lake road is horrible. Sixth ave could use maintenance rink and all other rinks around the lively Naughton area. Anderson farm could use some maintenance maybe a bigger park and concession stand.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Improvements in roads and arena washrooms and seating area along with concession stand. Main intersection in lively needs to be upgraded, turning lane and cross walks (lights for cross walks). All parks need maintenance, outdoor rinks need maintenance (washrooms, change rooms).

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Seniors (65 +)
3. youth (6-12)
4. Adults (18-64)
5. Teens (13-17)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Lively needs a lot of maintenance it's really hard to pick just one area. Our community is falling apart while growing in population which doesn't make any sense.

Q13. You can also upload PDF documents here.

not answered

- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
- Lake/river/pond or pool
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Easy accessibility for seniors, families and people with special needs
 - Sand volleyball court
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
- 1. Sixth Avenue Playground
 - 2. Simon Lake Park
 - 3. Lively Ski Hill Property
 - 4. Centennial Park (Whitefish)
 - 5. Anderson Farm
 - 6. Green Space behind Lively Citizen Service Centre/Library
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- Sixth ave-walking paths, swimming if possible, beach volleyball, skatepark Simon lake-swimming, water sports, winter ice rink
-

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

I think sixth avenue is the best choice and is a beautiful property to work with. Mostly just want to see a place of recreation for all ages (children, families and seniors) that's why I think this would be the best option.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Teens (13-17)
3. Adults (18-64)
4. Seniors (65 +)
5. youth (6-12)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

I don't think we should be prioritizing a certain age group. I would like to see something for all ages. I think most of Lively would like somewhere nice to swim and get exercise.

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Lively

Affordability
Modern facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in outdoor, seasonal facilities
Provide new recreation opportunities for youth
Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Sixth Avenue Playground
2. Anderson Farm
3. Lively Ski Hill Property
4. Green Space behind Lively Citizen Service Centre/Library
5. Centennial Park (Whitefish)
6. Simon Lake Park
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

The sixth avenue playground area should be optimized with upgraded tennis courts and a skatepark for summer and maintain/upgrade building and outdoor rink for winter Anderson farm has some areas that could accommodate facilities if the heritage features aren't affected Lively ski hill should be upgraded to ensure it can continue to operate Existing walking and hiking trails should incorporate safety features like lights - we have ready access to lots of trails. This does not need a lot of focus other than to ensure linkages Centennial Park has better water quality but may not have room to expand to serve needs and is not central enough Simon Lake is not an appropriate area for new recreational infrastructure as the water quality is poor. Maintenance of existing facilities should happen though.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Affordability Multi-use facilities Sustainability
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Investment in indoor, year-round facilities Provide new recreation opportunities for youth Provide swimming opportunities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Easy accessibility for seniors, families and people with special needs Picnic area Splash play area Water slide
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Anderson Farm 2. Lively Ski Hill Property 3. Green Space behind Lively Citizen Service Centre/Library 4. Sixth Avenue Playground 5. Simon Lake Park 6. Centennial Park (Whitefish)

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I believe anderson is the largest area closest to the majority of people. We need to keep it IN Lively. Simon and Centennial are too far out. Would like indoor AND outdoor for water activity considering iour short summer.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Would like to see the properties currently owned be used to maximize money for the facility.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. Seniors (65 +)
 3. Teens (13-17)
 4. youth (6-12)
 5. Adults (18-64)
 6. Pre-school kids (0-6)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

I raised my kids in Lively...always wished there were more affordable access for families. I believe in doing activities WITH my kids.

Q13. You can also upload PDF documents here.

not answered

4. Simon Lake Park
5. Centennial Park (Whitefish)
6. Lively Ski Hill Property
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- Swimming facilities are important for senior overall health because it's easier on joints. Also fun for families with young children
-

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Old 6th Avenue Golf Course

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Adults (18-64)
	2. Families
	3. Pre-school kids (0-6)
	4. youth (6-12)
	5. Seniors (65 +)
	6. Teens (13-17)

Q12. Please add any additional comments about recreation in Lively/Walden here.

We need more recreational options in Lively we shouldn't have to travel to Sudbury for everything. The seniors especially need viable options to stay active and engaged

Q13. You can also upload PDF documents here. not answered

2. Simon Lake Park
3. Anderson Farm
4. Lively Ski Hill Property
5. Green Space behind Lively Citizen Service Centre/Library
6. Sixth Avenue Playground
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Lakes should be cleaned and water treatment plant capacity / issues fixed (Simon). Anderson farm should have a decent budget to encourage schools to visit there more often again (I travelled there from Garson when I was a kid, and it was amazing). 6th Ave park equipment is so fancy but the other areas are not because of vandalism. Vandalism needs to be addressed before any updates there.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Black Lake park. There are tons of kids on this end (Black Lake, Ronald, Herman Meyer) and the park is not used because it's sad. There is also a whole green space behind.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Pre-school kids (0-6)
3. youth (6-12)

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Skateboarding
 - Swimming (indoor)
 - Tennis or Pickleball
 - Walking or Hiking
 - Other (please specify)**
Proper dog park
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
Skateboard
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Affordability
 - Environmental stewardship
 - Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in indoor, year-round facilities
 - Provide new recreation opportunities for youth
 - Other (please specify)**
and maintain and upgrade existing spaces (not ONLY)
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
Indoor pool and centre
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Community room for training / parties
 - Easy accessibility for seniors, families and people with special needs
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Sixth Avenue Playground
 2. Anderson Farm
 3. Lively Ski Hill Property
 4. Centennial Park (Whitefish)
 5. Simon Lake Park
 6. Green Space behind Lively Citizen Service Centre/Library
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

All of the spaces have room for improvement or additional points of interest. New pavement, lighting and policing would be a great start.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

*indoor and outdoor facilities on 6th Ave Golf Course...done correctly this space could be awesome and there would be room for so many activities and buildings. *new facility (including pool)Closer to the Arena...it just makes sense...it's central and people already use the arena

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority) 1.

Q12. Please add any additional comments about recreation in Lively/Walden here.

I wish that the facilities and spaces we already have would be more maintained. PLUS better lighting, cctv cameras, by-laws and fines for littering and mischief. What we currently have is good but not 100 percent safe and rundown. re previous question ALL age groups need activities, involvement and exercise. We just visited Petawawa...class act for city run services. In one block there are tennis courts, indoor civic centre, playground, miniputt,ball fields, dog park, BMX bike area, skateboard area, splash pad, proper garbage containers, finished sidewalks and bike lanes...it really was incredible to see. It is all open and felt clean,safe and well maintained.

 5. Lively Ski Hill Property
 6. Anderson Farm
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

To build a structure where they can be indoor swimming - with lessons. Dow Pool is outdated & cold and a lot of us go to Espanola to use their facility - putting our money into another community

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Maybe there is space for a leisure centre, like they have in Espanola in Old Creighton or Dog Patch area? There seems to be a lot of unused space up there

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. Pre-school kids (0-6)
 3. youth (6-12)
 4. Seniors (65 +)
 5. Teens (13-17)
 6. Adults (18-64)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

If you want people to stop going outside the City for recreation, something must be done. If you want people to stop vandalizing the playground & spray painting stuff - give them something to do. Idle hands...

Q13. You can also upload PDF documents here.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Downhill Skiing
Swimming (outdoor)
Walking or Hiking

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Don't Know

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Concentrate on maintaining existing parks and facilities only
Provide swimming opportunities

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Swimming beach at a lake, river or pond

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Easy accessibility for seniors, families and people with special needs
Picnic area

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Anderson Farm
2. Lively Ski Hill Property

5. Seniors (65 +)
6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Whatever happens NEEDS to be sustainable! Meat bird was simple and it was sustainable. These grandiose ideas with purchasing 6th Ave golf course and adding in multiple types of new facilities are not sustainable in the slightest and would end up being a giant waste of money. Meat bird wasn't much but it was used and appreciated! Walden isn't a city...we are a small community so lets keep our ideas based on what we actually are and can afford rather than dreaming big city amenities we can't afford!

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Downhill Skiing
Skateboarding
Swimming (outdoor)
Tennis or Pickleball

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Proper skateboarding park

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Environmental stewardship
Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Concentrate on maintaining existing parks and facilities only
Provide new recreation opportunities for youth
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Outdoor public pool

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Concessions / snacks

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Green Space behind Lively Citizen Service Centre/Library
2. Sixth Avenue Playground
3. Anderson Farm
4. Lively Ski Hill Property
5. Simon Lake Park
6. Centennial Park (Whitefish)

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Utilize existing city property in a central location. Purchasing more property that will need to be maintained is a undue burden on what is already a shoe string budget. Update and maintain 6th Ave tennis courts, skatepark, and basketball court. Outdoor pool behind the library, central location with parking and a largely unused city owned building right beside is for change rooms to be built. Let's use what we already have to give the youth in our town something productive to do to pass their time.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Library green space. Largest catchment area for kids and youths that cannot drive to access other areas.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Teens (13-17) 2. youth (6-12) 3. Adults (18-64) 4. Families 5. Pre-school kids (0-6) 6. Seniors (65 +)
--	--

Q12. Please add any additional comments about recreation in Lively/Walden here.

This is an excellent opportunity to give our town a much needed kick start. Let's fortify and improve our existing assets so that they will be available in good condition for years to come. Let's not spend more money on land that will require more maintenance and stretch out our budgets further.

Q13. You can also upload PDF documents here.	not answered
---	--------------

Q14. Which of the following communities do you live in or closest to?	Lively
--	--------

Q15. Which age group describes you?	30 to 39 years
--	----------------

Q16. Are any members of your household aged 17 or younger?	No
---	----

Q17. Are any members of your household aged 65 or older?	No
---	----

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Playground Equipment
Swimming (outdoor)
Other (please specify)
Picnicking areas

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Outdoor swimming

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in outdoor, seasonal facilities
Provide swimming opportunities

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Outdoor public pool

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Picnic area

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

2. Anderson Farm
3. Lively Ski Hill Property
4. Green Space behind Lively Citizen Service Centre/Library
5. Centennial Park (Whitefish)
6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

not answered

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Teens (13-17)
3. youth (6-12)
4. Adults (18-64)
5. Pre-school kids (0-6)
6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

We have wonderfully kept park areas, walking area and sports fields, but an indoor pool will not replace the family experience of swimming, playing and picnicking at meatbird park. Camp Samac in the Oshawa area is a great example of this type of outdoor facility.

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Lively

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Cycling or Mountain Biking
Downhill Skiing
Ice Sports / Skating (outdoor)
Sport Fields (e.g. baseball, soccer, etc.)

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Outdoor swimming area

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Affordability
Multi-use facilities
Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in outdoor, seasonal facilities
Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Outdoor aquatic park including facilities such as water slides, spray pools, diving tank

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Concessions / snacks
Easy accessibility for seniors, families and people with special needs

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Lively Ski Hill Property
2. Green Space behind Lively Citizen Service Centre/Library
3. Anderson Farm
4. Centennial Park (Whitefish)
5. Sixth Avenue Playground
6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Anderson farm is central and underutilized. Would be a great multipurpose facility with walking trails established connecting arena and ski hill. Baseball diamond reestablished and outdoor park area in green space. Simon lake is a lost cause due to an overwhelmed sewage treatment plant.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

NOT 6th ave golf course

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. youth (6-12)
 3. Teens (13-17)
 4. Pre-school kids (0-6)
 5. Seniors (65 +)
 6. Adults (18-64)
-

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Downhill Skiing
 - Playground Equipment
 - Swimming (outdoor)
 - Tennis or Pickleball
 - Walking or Hiking
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
- swimming pool, could be indoor or outdoor. Would love an indoor complex like Espanola has with pool, arena and gym all in one
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Affordability
 - Modern facilities
 - Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
 - Investment in outdoor, seasonal facilities
 - Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Diving board(s)
 - Inflatable obstacle course
 - Picnic area
 - Sand volleyball court
 - Water slide
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
- 1. Anderson Farm
 - 2. Green Space behind Lively Citizen Service Centre/Library
 - 3. Centennial Park (Whitefish)
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

We need a summer swim hole in lively, it could be an outdoor pool fun zone for kids with slides and various water slides and fun water park. Do not want another splash park as this water is just toooo cold for kids to play in.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Old 6th ave golf course, could accomodate everything from dog park, to our door pool and fun park for kids, walking trails with picnic area's, volleyball courts and so much more.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. youth (6-12)
3. Pre-school kids (0-6)
4. Adults (18-64)
5. Teens (13-17)
6. Seniors (65 +)

2. Seniors (65 +)
3. Families
4. Teens (13-17)
5. youth (6-12)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Year long, indoor access will meet the needs of the greatest number of people. Lively has a large elderly population and they need a safe place to exercise like the rec centre in Hanmer. You could make money by building some extra rooms in the red centre and renting them out for workshops or parties. Look at what other cities have done successfully and work from there. Don't screw this up. Lively lost something when Meatbird was sold. Talk to Michael Vagnini. He knows this community.

Q13. You can also upload PDF documents here. not answered

Q12. Please add any additional comments about recreation in Lively/Walden here.

We have to take care of our elderly as well as Provide something for our youth to do or go. Arena parking lot is not used most times even when hockey season is on. The area could be used to expand the arena and provides upgrades. Let's use what we have and make it better instead of spending money on other property. I feel that would be a mistake. The arena is a central location.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Swimming (indoor) Swimming (outdoor)
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Yes (please specify) An indoor pool for the winter months, and an outdoor swimming area or park like Meatbird for the summer months
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Modern facilities Multi-use facilities
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Investment in indoor, year-round facilities Investment in outdoor, seasonal facilities Provide swimming opportunities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Concessions / snacks Diving board(s) Water slide
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Green Space behind Lively Citizen Service Centre/Library 2. Centennial Park (Whitefish) 3. Sixth Avenue Playground 4. Simon Lake Park 5. Lively Ski Hill Property 6. Anderson Farm
Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.	
Just replace Meatbird with something that allows us to swim without having us pay. Meatbird was free, the replacement solution should be free.	

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The golf course [REDACTED]. Jump on that deal already!!

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Adults (18-64)
2. Teens (13-17)
3. youth (6-12)
4. Families
5. Seniors (65 +)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Just don't make decisions that replace Meatbird and cause our taxes to go up. Enough with the increases already. We pay far too much for the level of service we get.

Sixth Ave

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Teens (13-17) 2. youth (6-12) 3. Families 4. Seniors (65 +) 5. Pre-school kids (0-6) 6. Adults (18-64)
--	--

Q12. Please add any additional comments about recreation in Lively/Walden here.

I like the idea of the Sixth ave golf course being turned into a park area like Kivi park. A place where families can go to enjoy many different opportunities, a bump park for kids to ride their bikes, an outdoor pool, a dog park and picnic area and Trails for walking. The space has lots of potential and could really bring the community together. It could also provide enough space for parking.

swimming, playground/park
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Environmental stewardship
Multi-use facilities
Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
Investment in outdoor, seasonal facilities
Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Easy accessibility for seniors, families and people with special needs
Picnic area
Splash play area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Sixth Avenue Playground
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

The property known as Sixth Avenue Golf Course has what is required to replace the property the City sold to Vale for \$4M. With the purchase price for the property and the price for work required to make it the recreational area the Lively area needs to replace the lost Meatbird property, the revenue gained from the Meatbird sale should cover any makeover required to the golf course property to bring it into line with the recreational needs of the community. Not only can it replace the Meatbird property, but it can be an improvement over it if the scope of makeover is pursued properly and intelligently. Other benefits/revenue streams should be possible as well as it is a large property: . the building on the property should be able to be used in multiple ways to provide ongoing revenue . the Lively Golf Course might be interested in "leasing" some of the land (driving range, etc.) . maintain a part of the property as an environmental area . etc.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

no comments

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1.

Q12. Please add any additional comments about recreation in Lively/Walden here.

I believe that the focus should be on the Lively area as that is where the Meatbird property was centred.

Q13. You can also upload PDF documents here.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Downhill Skiing
Ice Sports / Skating (outdoor)
Swimming (outdoor)
Tennis or Pickleball
Walking or Hiking

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Pool and walking paths

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Environmental stewardship
Modern facilities
Multi-use facilities

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in outdoor, seasonal facilities
Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Urban beach

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Concessions / snacks
Picnic area
Sand volleyball court

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Lively Ski Hill Property
2. Sixth Avenue Playground
3. Anderson Farm
4. Green Space behind Lively Citizen Service Centre/Library
5. Simon Lake Park
6. Centennial Park (Whitefish)

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Ski Hill should have new chalet with more food and drinks. Better hours. More hours. Sixth Ave Playground needs new tennis courts. New Basketball hoops on other side of courts. Rink and chalet needs to be upgraded.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

6th Ave golf course should be bought by city. Add a urban beach on the property as well as walking paths through nature. Put in a driving range would create income.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Adults (18-64)
3. Teens (13-17)
4. youth (6-12)
5. Seniors (65 +)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

The Lively Ski Hill needs improvement to the old chalet.

6. Centennial Park (Whitefish)
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

Centennial and Simon Lake not accessible to all due to distance. Meatbird replacement should be in Lively.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Consider sixth ave golf course if purchased at a reasonable price. Great area to develop walking trails that can be snowshoe trails in winter. Also there is a pond area that possibly could be a swimming area. This is accessible to all as bus goes right by.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Families 2. Adults (18-64) 3. Teens (13-17) 4. Seniors (65 +) 5. youth (6-12) 6. Pre-school kids (0-6)

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Gymnasium Sports
 - Ice Sports / Skating (outdoor)
 - Playground Equipment
 - Swimming (indoor)
 - Swimming (outdoor)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
- Swimming
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Multi-use facilities
 - Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in indoor, year-round facilities
 - Provide swimming opportunities
 - Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Outdoor public pool
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Community room for training / parties
 - Easy accessibility for seniors, families and people with special needs
 - Picnic area
 - Other (please specify)**
 - Lane swimming opportunities
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Anderson Farm
 2. Sixth Avenue Playground
 3. Simon Lake Park
 4. Green Space behind Lively Citizen Service Centre/Library
 5. Centennial Park (Whitefish)
 6. Lively Ski Hill Property
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Ideally, I would like to have an indoor, multi-use facility that includes pool, exercise area, free use courts, etc. However, until that is fully in the budget, then I would suggest the following: Anderson Farm- ability to add swimming/multi use facility
Simon Lake- needs to be cleaned up—but this SHOULD NOT come from Walden-specific funds, as it is a broader issue. This used to be a great place to swim. Once general funds are used to make it safe for swimming, then playground, sand, etc could be enhanced using some of the “Walden funds”. Sixth Avenue playground-add splash pad, fix up/convert tennis and basketball courts so that they are usable and safe. Any walking routes/bike paths need to be maintained with good pavement or crusher dust, etc and functional lighting.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Please do not spend money buying new land when the city already owns multiple pieces of property.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. youth (6-12)
3. Teens (13-17)
4. Pre-school kids (0-6)
5. Adults (18-64)
6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

I no longer have children living in this area, however, do strongly believe that opportunities to support families and youth, especially, are highest priority when faced with limited funds. Youth and teens need to have places/spaces that are usable, both indoors and outdoors, that keep them busy and engaged. Any outdoor opportunities that are enhanced or added need to be as accessible as possible to the largest number of people, both financially (majority, if not all, need to be free) and physically.

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Lively

Q15. Which age group describes you? 50 to 59 years

Q16. Are any members of your household aged 17 or younger? No

Q17. Are any members of your household aged 65 or older? No

-
- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Basketball (outdoor)
Downhill Skiing
Skateboarding
Swimming (outdoor)
Tennis or Pickleball
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
Outdoor in ground pool like a community pool for the summer with lifeguard then closed for winter could charge member ships for families
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
Affordability
Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in outdoor, seasonal facilities
Provide new recreation opportunities for older adults
Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Outdoor public pool
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Concessions / snacks
Diving board(s)
Picnic area
Splash play area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Green Space behind Lively Citizen Service Centre/Library
2. Anderson Farm
3. Lively Ski Hill Property
4. Simon Lake Park
5. Sixth Avenue Playground
6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Just focus on a place for kids to swim since that took meatbird away from us

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. youth (6-12)
 2. Families
 3. Pre-school kids (0-6)
 4. Teens (13-17)
 5. Adults (18-64)
 6. Seniors (65 +)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

not answered

Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**

Cross-country Skiing
Cycling or Mountain Biking
Ice Sports / Skating (indoor)
Playground Equipment
Walking or Hiking

Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**

Yes (please specify)
Better playground equipment designed for all ages and is accessible to people with disabilities. There are playground equipment designs that are safe for all ages bc little ones can access equipment to dangerous to them. Also having adult work out equipment beside the playground might make the space dual purpose.

Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**

Accessibility and inclusivity
Affordability
Other (please specify)
#1 Safety

Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**

Concentrate on maintaining existing parks and facilities only
Investment in outdoor, seasonal facilities
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**

Agree

Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**

Swimming beach at a lake, river or pond

Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**

Change areas / locker rooms
Easy accessibility for seniors, families and people with special needs
Picnic area
Other (please specify)
main beach is shallow for little ones

Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**

1. Simon Lake Park
2. Sixth Avenue Playground
3. Centennial Park (Whitefish)
4. Anderson Farm
5. Green Space behind Lively Citizen Service Centre/Library
6. Lively Ski Hill Property

Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

Simon lake would be an amazing beech/play area if the water quality was better. Tons of parking and walking trails.

Q10. **Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.**

It would be nice if an area like centennial park could be converted into a free public access swimming location to compensate for meatbird. As it stands I am under the impression this is a private camp ground run by the city so no safe spots to swim!

Q11. **Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)**

1. Pre-school kids (0-6)
2. youth (6-12)
3. Teens (13-17)
4. Seniors (65 +)
5. Families
6. Adults (18-64)

Q12. **Please add any additional comments about recreation in Lively/Walden here.**

I think its better to invest in space already available rather than create new spaces.

Q13. **You can also upload PDF documents here.** not answered

Q14. **Which of the following communities do you live in or closest to?** Lively

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Other (please specify)

Disc Golf Course

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)

Disc Golf Course at 6th avenue

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Affordability

Multi-use facilities

Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Acquire more land for future parks

Concentrate on maintaining existing parks and facilities only

Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Swimming beach at a lake, river or pond

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Easy accessibility for seniors, families and people with special needs

Picnic area

Sand volleyball court

Splash play area

Water slide

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Sixth Avenue Playground

2. Simon Lake Park

3. Centennial Park (Whitefish)

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I think 6th avenue provides plenty of land for a multi-use park facility that can include a splash pad, picnic area, and disc golf.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The tennis court area and playground really need improvement. It's embarrassing how bad of condition these facilities have become.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

- 1. Families
- 2. Seniors (65 +)
- 3. Teens (13-17)
- 4. youth (6-12)
- 5. Pre-school kids (0-6)
- 6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

The Walden area is long overdue for new facilities that aren't run down AND fixing up existing recreation areas that are very run down. Kids/Teenagers need activities provided that will deter them from boredom and vandalism in other areas of Lively/Walden.

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Naughton

Q15. Which age group describes you? 40 to 49 years

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Cross-country Skiing Playground Equipment Skateboarding Swimming (indoor) Walking or Hiking
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	No
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Accessibility and inclusivity Multi-use facilities
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Investment in indoor, year-round facilities Provide new recreation opportunities for youth Provide swimming opportunities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Sand volleyball court Splash play area Other (please specify) Easy accessibility shouldn't have to be an option! It should be inclusive regardless of options. Shame on you for asking!
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Sixth Avenue Playground 2. Simon Lake Park 3. Lively Ski Hill Property 4. Centennial Park (Whitefish) 5. Green Space behind Lively Citizen Service Centre/Library 6. Anderson Farm

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Every location should be accessible and inclusive. No one should have to fill out a form to ask for this. Provide adequate lighting and areas for children, adolescent and seniors to engage in meaningful recreation. Swimming, walking and bike paths. No reason why xcountry skiing cannot happen on bike trails in the winter.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Leave Anderson farm alone

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Teens (13-17)
3. youth (6-12)
4. Adults (18-64)
5. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Playground Equipment Skateboarding Splash Pads Swimming (outdoor)
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Don't Know
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Affordability Sustainability
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Investment in outdoor, seasonal facilities Provide new recreation opportunities for youth Upgrade existing parks, recreation facilities, paths and open spaces
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Other (please specify) We already have a swimming beach down Kantola road on Long Lake. It has space for s small playground. It has change rooms that are closed for use. It is already city owned. Simon lake. Lets clean it up and use what we have.
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Easy accessibility for seniors, families and people with special needs Splash play area
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Simon Lake Park 2. Lively Ski Hill Property 3. Sixth Avenue Playground 4. Centennial Park (Whitefish) 5. Anderson Farm 6. Green Space behind Lively Citizen Service Centre/Library

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Clean up Simon lake and make that beautiful swimming spot with playground usable again. We already have a replacement for Meatbird. A nice skateboard park at Hillcrest. Splash pad in copper cliff. So many things we could do without buying a 2million dollar property.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The boat launch onto long lake down Kantola Rd has a beach, space for a playground, already has change rooms. We can upgrade many spots.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. youth (6-12)
 3. Pre-school kids (0-6)
 4. Teens (13-17)
 5. Seniors (65 +)
 6. Adults (18-64)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

Please don't buy the golf course. In future years who will pay for the maintenance she the money runs out. It taxes are already soaring. Beautify what we have

3. Sixth Avenue Playground
4. Lively Ski Hill Property
5. Simon Lake Park
6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Anderson Farm could be multi-use, multi generational sports grounds. Multiple pump tracks in the field between Anderson farm house and St. James school. Anderson Farm playground could be expanded to attract all ages and abilities of kids. The green space behind the library would be ideal for a small pump track for the younger kids to learn on. It would also enhance the sixth avenue playground area. A covered bocce court and picnic tables would be a great place for families and older adults to gather and compete. The tennis courts should be repaved similar to the courts at James Jerome. Also get rid of the skate/bike ramps which are useless and instead refurbish the basketball courts so the teens don't have to go to Sudbury to play on decent courts. The Outdoor rink shack is rarely open to the public because the food bank is there. This makes no sense to have this valuable asset in the heart of the community and business area which should be used for its original purpose for the playground/tennis/rink area, off limits because of the once a week food bank. The food bank is important but could be relocated to the citizens centre or one of the many church halls or any number of more suitable locations. This shack should be opened and staffed for concessions and rentals and access to bathrooms to keep everyone outdoors and using the play areas. The James Jerome park is a good example of how this should work. There is less damage and vandalism when there are lots of people using the area, and a few security cameras would help find any culprits quickly. The empty green space around TM Davies arena would be perfect for Skate Park and Parkour park as there are no houses nearby so the noise would not be an issue. This would attract all ages, but teens in particular need more access to outdoor sports that don't cost money. Also the teens hang out there and break bottles and do damage as there is no engagement with any outdoor activities. All the developments I mentioned are in the public view which would make me feel better sending my own child there for the day. All of the local schools are within walking distance. There are stores and the arena nearby. Tim Hortons and Subway are just down the hill. This is the centre of this town and all ages can easily walk to this area. There is no need for more parking as there is ample parking already at the arena. There can be concession stands or water refill stations, covered picnic areas. and paved accessible paths throughout this area. We don't need another park everyone has to drive to which is what we would get with 6th avenue golf course. We should spend every dollar on a town centre development on land we already have, making the health, happiness and fitness of our citizens the top priority.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The large vacant land across from Walden Daycare centre (between the daycare and the Arena) is privately owned but would be ideal for the outdoor aquatic centre. The land is large enough for an outdoor swimming centre, skate park, parkour park, bocce courts, walking paths, picnic areas, splash pad and also room for lots of parking.

-
- Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)**
- | |
|--------------------------|
| 1. Teens (13-17) |
| 2. youth (6-12) |

| 4. Adults (18-64) |
| 5. Families |
| 6. Pre-school kids (0-6) |

Q12. Please add any additional comments about recreation in Lively/Walden here.

It is important to give our young people something interesting and exciting to engage with, and to give them pride in our town. This is the group I feel lacks anything that's challenging and also FREE that they can walk or bike to.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Downhill Skiing
Ice Sports / Skating (outdoor)
Playground Equipment
Skateboarding
Splash Pads

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Skateboard park, splash pads and outdoor rink facilities in winter.

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Affordability
Environmental stewardship

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Concentrate on maintaining existing parks and facilities only
Provide new recreation opportunities for youth
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Disagree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

not answered

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

not answered

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Simon Lake Park
2. Centennial Park (Whitefish)
3. Lively Ski Hill Property
4. Sixth Avenue Playground
5. Green Space behind Lively Citizen Service Centre/Library
6. Anderson Farm

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

In order to fix Simon Lake, the Sewage Treatment Plant needs to be addressed. It is going to continue to become more of a problem as Lively's population increases. The stench from Simon Lake in the summer is repulsive and the neon green algae is an eyesore. That beach used to be a viable place to swim and there are already existing facilities there but because of the sewage plant down the creek, it will continue to degrade. With the population expanding constantly, the already taxed sewage plant will need an upgrade or complete overhaul to bring it up to sustain the amount of people it services. Recreational facilities that are newly built will require planning and surveying and studies and 6 million isn't going to go far.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

I do not believe Lively needs NEW recreational facilities, with the exception of a skateboard park and a splash pad maybe in upper Lively. The existing facilities need to be upgraded and fixed to be viable options again, like the Lively Ski Hill, Hillcrest outdoor rink, Simon Lake beach (needs to be cleaned up by the City bc of their sewage plant negligence) and Centennial Park. Those already exist and could be made amazing with the correct improvements and people overseeing the projects.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)
2. youth (6-12)
3. Pre-school kids (0-6)
4. Families
5. Seniors (65 +)
6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Please please look into the sewage treatment plant and the capacity issues it currently has before doing anything to Simon Lake, as nothing will change unless that is addressed.

Q13. You can also upload PDF documents here. not answered

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Basketball (outdoor)
Ice Sports / Skating (outdoor)
Playground Equipment
Splash Pads
Sport Fields (e.g. baseball, soccer, etc.)

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Skateboard park, proper basketball courts

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Affordability
Modern facilities
Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in outdoor, seasonal facilities
Provide new recreation opportunities for youth
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Disagree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

not answered

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Other (please specify)
I don't think we need more swimming amenities

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Sixth Avenue Playground
2. Anderson Farm
3. Centennial Park (Whitefish)
4. Lively Ski Hill Property
5. Simon Lake Park
6. Green Space behind Lively Citizen Service Centre/Library

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Outdoor rink covering (similar to Nairn) to the two main outdoor rinks, proper basket ball courts for Hillcrest, skateboard park for 6th ave,

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

6th ave playground....splash pad for the kids, basketball courts, ice rink covering.....Hillcrest, ice covering, basketball court, better lighting

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)
2. youth (6-12)
3. Pre-school kids (0-6)
4. Seniors (65 +)
5. Families
6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

I am 100% against the proposed golf course purchase. There isn't enough money to develop and the high purchase price is ridiculous.

6th avenue golf course

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. Adults (18-64)
 3. Seniors (65 +)
 4. Pre-school kids (0-6)
 5. youth (6-12)
 6. Teens (13-17)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

Lively would benefit from a swimming area for summer use. Meetbird park provided much needed relief from the summer heat by many residents. Young and old alike. We need something to replace this.

Q13. You can also upload PDF documents here.

1. Green Space behind Lively Citizen Service Centre/Library
2. Centennial Park (Whitefish)
3. Lively Ski Hill Property
4. Simon Lake Park
5. Anderson Farm
6. Sixth Avenue Playground
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

The green space behind Lively (old Sixth Ave golf course property) could be used to create a multi-use recreation facility with indoor and outdoor space for various activities

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. youth (6-12)
	2. Teens (13-17)
	3. Pre-school kids (0-6)
	4. Families
	5. Adults (18-64)
	6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

As a parent of a young child, it would be great to have a facility in the years to come to bring our kids/teens to for various activities, rather than having to drive into Sudbury to access programs/activities such as gymnastics, dance, martial arts, swimming lessons, etc.

Q13. You can also upload PDF documents here. not answered

Downhill Skiing
Ice Sports / Skating (outdoor)
Splash Pads
Swimming (indoor)

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Pool

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Affordability
Modern facilities
Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in indoor, year-round facilities
Investment in outdoor, seasonal facilities
Provide swimming opportunities

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Other (please specify)
Indoor pool similar to Espanola Rec Complex

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Concessions / snacks
Diving board(s)
Inflatable obstacle course
Picnic area

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Lively Ski Hill Property
2. Green Space behind Lively Citizen Service Centre/Library
3. Anderson Farm
4. Sixth Avenue Playground
5. Centennial Park (Whitefish)
6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Lively needs a public swimming area, preferably indoor if at all attainable

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Sixth Ave Golf and Country Club

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

- 1.
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

All 6 locations on offer here are non-starters, imo. Simon Lake Park has been closed due to blue-green algae issues for years. The others are already well used spaces.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Purchase the 6th Avenue Golf Course space. Parking lot already there, dewar & water already there, potential restaurant / wedding venue facility already there. Converting a golf course into walking trails wouldn't be very difficult. An outdoor swimming pool here though would be an exorbitant cost taxpayers cannot afford, but a stand alone Community Centre would be an investment in citizen's of all ages long term health, and would allow all of us to be active indoors year round.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Seniors (65 +)
2. Adults (18-64)
3. Teens (13-17)
4. Families
5. youth (6-12)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

1. Don't spend our tax dollars hiring anyone to act as "consultants" on this project. Consult the people who live here. 2. Explore and report to the citizens as to what kind of federal & provincial monies are specifically available for the purchase & development of the golf course property. 3. Please report to Waldonites what the age demographics are for our neighborhood. 4. What user fees will be put in place for any "facilities" that may be built?

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Lively

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Downhill Skiing
Playground Equipment
Splash Pads
Swimming (indoor)
Swimming (outdoor)

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Swimming classes

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Affordability
Multi-use facilities

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in indoor, year-round facilities
Investment in outdoor, seasonal facilities
Provide swimming opportunities

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Outdoor public pool

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Picnic area
Splash play area
Water slide

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Anderson Farm
2. Lively Ski Hill Property
3. Green Space behind Lively Citizen Service Centre/Library
4. Sixth Avenue Playground
5. Centennial Park (Whitefish)
6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

The area adjacent to the arena (used now for overflow parking) and front lawn of Anderson farm would be a perfect spot for a outdoor pool and splash pad, with change rooms and washrooms.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. Teens (13-17)
 3. youth (6-12)
 4. Seniors (65 +)

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Disagree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

not answered

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

not answered

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Green Space behind Lively Citizen Service Centre/Library
2. Anderson Farm
3. Sixth Avenue Playground
4. Lively Ski Hill Property
5. Simon Lake Park
6. Centennial Park (Whitefish)

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Downtown Sudbury has the indoor tennis bubble. I think something like this that could accommodate multiple sports for kids and adults would be greatly used. It would stop us from depending on the school board for the use of the schools, and allow us to have a place to offer activities throughout the whole year.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. youth (6-12)
2. Teens (13-17)
3. Pre-school kids (0-6)
4. Families
5. Adults (18-64)
6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Whatever is decided, please take into consideration the affect on the taxpayer.....we pay a considerable high amount of taxes already with what we currently have. If it means that my taxes are going to increase considerably to accommodate a facility to be available, then it lessens/stops the ability to actually use the facility.

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Lively

Q15. Which age group describes you? 40 to 49 years

Q16. Are any members of your household aged 17 or younger? Yes

Q17. Are any members of your household aged 65 or older? No

(choose up to three)	Acquire more land for future parks Investment in indoor, year-round facilities Upgrade existing parks, recreation facilities, paths and open spaces
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Community room for training / parties Diving board(s) Easy accessibility for seniors, families and people with special needs Picnic area
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Anderson Farm 2. Green Space behind Lively Citizen Service Centre/Library 3. Sixth Avenue Playground 4. Lively Ski Hill Property 5. Centennial Park (Whitefish) 6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

We need a swimming area, upgrading to the ski hill and upgrading for the playground.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Sixth Avenue golf course needs to be made into a recreational facility with swimming and other sports entertainment.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. Teens (13-17)
 3. youth (6-12)
 4. Adults (18-64)
 5. Seniors (65 +)
 6. Pre-school kids (0-6)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

We have very little recreation opportunities in Walden as compared to the Valley and Chelmsford. We are the forgotten area. We Weser to come last when opportunities are being built.

Q13. You can also upload PDF documents here.

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Sport Fields (e.g. baseball, soccer, etc.)
Swimming (outdoor)
Walking or Hiking
Water Sports (e.g. canoeing, kayaking, etc.)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
If Simon Lake was cleaned up and algae raked, it could be used for swimming again.
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Affordability
Environmental stewardship
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Concessions / snacks
Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Simon Lake Park
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

There is funding from government to clean up Simon Lake and also get the people from the reserve involved. The aboriginals believe in the Environment and clean water, let's get them to help with some of the funding. One of the residents on McCharles Lake made a prototype raker for Algae but it was never accepted by the city, let's look at this again. We have a beautiful park at Simon Lake with a change house and washrooms, it is only used for walking.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Aerobics, Fitness or Weight training Cross-country Skiing Ice Sports / Skating (indoor) Splash Pads Swimming (outdoor)
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Yes (please specify) the loss of Meatbird has been a loss for free, accessible outdoor swimming for families
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Accessibility and inclusivity Affordability Sustainability
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Investment in indoor, year-round facilities Provide swimming opportunities Other (please specify) affordable recreation activities for ALL
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Other (please specify) Free and accessible swimming like Meatbird offered, if the location is available by bus only, then free bus service to this location is a must in order for families to take advantage of this recreation.
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Concessions / snacks Easy accessibility for seniors, families and people with special needs Picnic area Splash play area
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Anderson Farm 2. Sixth Avenue Playground 3. Green Space behind Lively Citizen Service Centre/Library 4. Simon Lake Park 5. Centennial Park (Whitefish) 6. Lively Ski Hill Property

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

1.If a pool is created at Anderson Farm then an indoor/outdoor pool is best so that it is accessible all year round 2.6th Ave. Playground add splash pad for summer activities and keep outdoor rink for winter 3. Pool and splash pad would draw families and is accessible and central for all 4. Poor choice as lake is not safe to swim in 5. Open park for camping, swimming, change/washrooms and picnic recreation 6. Keep as ski hill only

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

6th Ave golf course location has all ammenities for indoor and outdoor activities. Busing or transportation would be needed to make it available to families without funds. Change pond into swimming hole like Meatbird, add playground equipment and splash pad, picnic area for young families.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Pre-school kids (0-6)
3. Teens (13-17)
4. youth (6-12)
5. Adults (18-64)
6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Our community prides itself on socio-economical activities. People come from all over the city for Anderson events, and Meatbird was a free location for all to enjoy. We need to continue to focus on ammenities to improve community satisfaction, and pride of belonging.

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cross-country Skiing
Cycling or Mountain Biking
Downhill Skiing
Ice Sports / Skating (indoor)
Swimming (outdoor)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
A nice beach with great swimming. Simon Lake and McCharles Lake do not meet this criteria.
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Affordability
Environmental stewardship
Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces
- Other (please specify)**
Invest in and improve the Lively Ski Hill.
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Easy accessibility for seniors, families and people with special needs
- Other (please specify)**
A nice, sandy beach, clean water to swim in, a playground. Space on the beach for multiple families to spread out.
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Lively Ski Hill Property
2. Centennial Park (Whitefish)
3. Anderson Farm
4. Sixth Avenue Playground
5. Simon Lake Park
6. Green Space behind Lively Citizen Service Centre/Library
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Lively Ski Hill: a new lift (perhaps a two person chair lift). Also, make some runs on the left side of the lift so you can ski down and turn left, instead of only right the whole time. A beginner hill with a magic carpet would be great. Centennial Park: a new play structure, similar to 6th Ave playground. Get out of the trailer park business and make some great trails, and community gardens with all of the space. Anderson Farm: keep it running. Keep running the school programs. 6th Ave playground: fix the tennis courts so you can actually play tennis. The asphalt is all broken and uneven. Make a real skate park. Maybe the bored teens wouldn't be smashing glass everywhere and it would be safe for kids to play ball hockey in these areas. Simon Lake Park: Plant more trees to replace all of the ones that have died/are dying. Deal with the horrible water quality issue through the "city of lakes". If we are going to brag about our city having the most lakes, let's actually take care of them and make them have water quality to be proud of. Stop dumping sewage, stop letting sewage overflow into the waterways. Stop spending money heating a building that nobody is allowed to use ever. Make community gardens. Make an orchard park (check out the "Orchard Park" in Huntsville, Ontario). Green Space behind the library: it is good how it is. Don't let it get bad.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Why isn't there a public beach and boat launch on Panache? Long lake boat launch/beach: put in a nice dock for the boat launch. Put in a long dock at the side of the beach for swimming. Have a large swim raft out from the dock and beach.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Pre-school kids (0-6)
3. youth (6-12)
4. Teens (13-17)
5. Adults (18-64)
6. Seniors (65 +)

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Basketball (outdoor)
 - Ice Sports / Skating (outdoor)
 - Splash Pads
 - Swimming (outdoor)
 - Tennis or Pickleball
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- No
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Affordability
 - Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Concentrate on maintaining existing parks and facilities only
 - Investment in outdoor, seasonal facilities
 - Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
splash pad and outdoor pool (don't need diving or slide facilities)
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Easy accessibility for seniors, families and people with special needs
 - Picnic area
 - Splash play area
 - Other (please specify)**
washroom facilities
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Sixth Avenue Playground
 2. Green Space behind Lively Citizen Service Centre/Library
 3. Simon Lake Park
 4. Centennial Park (Whitefish)
 5. Anderson Farm
 6. Lively Ski Hill Property
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Out door pool/splash park - washroom facilities where present basketball and tennis court is - move tennis court/pickle ball and basket ball to green space behind library - improve out door rink with roof like Nairn Centre did - improve a clean/repair present washroom facilities at Centennial park - maybe try and clean up Simon Lake swimming area Leave Anderson Farm as is - do not change it Lively ski hill chalet could use some upgrades

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Don't think the city should be purchasing any additional properties or facilities, we can't afford more infrastructure costs

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. youth (6-12)
2. Teens (13-17)
3. Seniors (65 +)
4. Families
5. Pre-school kids (0-6)
6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Younger children have the present playground which appears to be in good shape. A roof over the outdoor rink would make it much easier to maintain, by the volunteers, as it wouldn't get ruined in our winter rain storms

Q13. You can also upload PDF documents here.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Downhill Skiing Gymnasium Sports Ice Sports / Skating (indoor) Swimming (indoor)
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Yes (please specify) Indoor pool for kids
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Modern facilities Multi-use facilities Sustainability
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Concentrate on maintaining existing parks and facilities only Investment in indoor, year-round facilities Provide new recreation opportunities for older adults
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	not answered
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	not answered
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Community room for training / parties Easy accessibility for seniors, families and people with special needs
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Anderson Farm 2. Green Space behind Lively Citizen Service Centre/Library 3. Lively Ski Hill Property 4. Simon Lake Park 5. Sixth Avenue Playground 6. Centennial Park (Whitefish)
Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.	Add indoor pool and outdoor play area

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

NOT the 6 avenue golf course . Spend money on improvements of existing property OR add facilities on property already owned. Don't spend it on buying contaminated land. This place has been for sale for ever

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Seniors (65 +)
3. Teens (13-17)
4. youth (6-12)
5. Pre-school kids (0-6)
6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Don't waste any money on buying contaminated land. The water might be treated now but the land is contaminated you will end up having an environmental nightmare Use the land already owned. It would probably cost less to clean Simon Lake which has a picnic area already We don't need another walking trail, we need a place where families go in the winter months Espanola has great facility, should ask them about operating costs

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Gymnasium Sports Swimming (indoor)
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Yes (please specify) Community Center were the kids could hang out and play some sports and games and a swimming pool indoors to be used by all and year round!!
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Accessibility and inclusivity Multi-use facilities
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Investment in indoor, year-round facilities Provide new recreation opportunities for older adults Provide swimming opportunities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Other (please specify) Indoor swimming and sport complex! Utilized all year round and help our kids off the streets and for our seniors Swimming and pool exercise will help keep us healthy!
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Easy accessibility for seniors, families and people with special needs
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Green Space behind Lively Citizen Service Centre/Library 2. Sixth Avenue Playground 3. Lively Ski Hill Property 4. Anderson Farm
Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.	<p>A sport complex is needed in Walden. One like Espanola ar the valley! We need this to enhance this community and will keep our young ones off the streets and out of trouble as we all know they are all bored. We need to invest an ALL YEAR round facility and not a water hole that could be utilized for only a few months!!</p>

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. youth (6-12)
3. Teens (13-17)
4. Seniors (65 +)
5. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Every person I talk with wants a sport center with indoor pool but were put down on Facebook after mentioning the idea. They mostly decided they were not in the click and not wanting to engage in this decision as they assumed the decision was already made 😊

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Aerobics, Fitness or Weight training
Skateboarding
Swimming (indoor)
Swimming (outdoor)
Walking or Hiking

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)

Fitness centre that offers kids programming. So many don't participate in organized sport and need to learn physical literacy and exercise in a fun interactive way. Fitness for life means both improved physical and mental health.

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Multi-use facilities
Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in indoor, year-round facilities
Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Other (please specify)

Outdoor pool created in consultation with local user groups to help develop a facility to offset the closure of LU pool. Include community programming to engage local residents.

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Community room for training / parties
Easy accessibility for seniors, families and people with special needs
Picnic area
Other (please specify)
Proper lane ropes and appropriate depth to allow for lane swimming.

Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**

1. Anderson Farm
2. Green Space behind Lively Citizen Service Centre/Library
3. Centennial Park (Whitefish)
4. Sixth Avenue Playground
5. Lively Ski Hill Property
6. Simon Lake Park

Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

A multi-use facility that is accessible for senior and those with mobility issues. Expand recreational programming to those living in the Lively/Walden area.

Q10. **Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.**

not answered

 6. Lively Ski Hill Property
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Simon Lake Park - The park is not used as the water is unfit for swimming. Improve the water quality. 6th Ave. Playground
- Install security cameras

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Families
	2. Teens (13-17)
	3. youth (6-12)
	4. Seniors (65 +)
	5. Adults (18-64)
	6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

An indoor pool and gym with the arena would benefit all age groups in Walden and could be used year round. Simon Lake park is not being used as the water is unfit for swimming..... therefore upgrades are not needed here unless water quality can be improved.

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Lively

Q15. Which age group describes you? 70 to 79 years

Q16. Are any members of your household aged 17 or younger? No

Q17. Are any members of your household aged 65 or older? Yes

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cross-country Skiing
Cycling or Mountain Biking
Walking or Hiking
Water Sports (e.g. canoeing, kayaking, etc.)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
A maintained hiking trail system like Kivi Park.
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Affordability
Environmental stewardship
Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Disagree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- not answered
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Picnic area
Other (please specify)
We don't feel a swimming area is required in Lively. More of a sustainable nature reserve that can be used by everyone would be a better suited option. Kivi Park would be a comparable setup.
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Green Space behind Lively Citizen Service Centre/Library
2. Simon Lake Park
3. Centennial Park (Whitefish)
4. Lively Ski Hill Property
5. Anderson Farm
6. Sixth Avenue Playground
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- Expanding and maintaining the green space in any of the areas.
-

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Adults (18-64)
2. Families
3. Seniors (65 +)
4. youth (6-12)
5. Teens (13-17)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

As stated several times in this survey, we believe a space similar to Kivi Park would be a celebrated success in the Lively/Walden area.

Q13. You can also upload PDF documents here. not answered

 - Multi-use facilities
-
- Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in outdoor, seasonal facilities
 - Provide swimming opportunities
 - Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Outdoor public pool
-
- Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Community room for training / parties
 - Concessions / snacks
 - Picnic area
 - Sand volleyball court
 - Splash play area
-
- Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Anderson Farm
 2. Green Space behind Lively Citizen Service Centre/Library
 3. Lively Ski Hill Property
 4. Sixth Avenue Playground
 5. Simon Lake Park
 6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Anderson Farm is an excellent location for the outdoor pool + splash pad + event space + park concept. Green space behind library a close second.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. youth (6-12)
2. Pre-school kids (0-6)
3. Families
4. Teens (13-17)
5. Adults (18-64)
6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Please don't let this one drag on. You have the concept. You know what we need. Let's get on it!

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Lively

Q15. Which age group describes you?

30 to 39 years

Q16. Are any members of your household aged 17 or younger?

Yes

Q17. Are any members of your household aged 65 or older?

No

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

The ski hill needs to be kept operational, as over the years the city had seen many of the outskirts community ski hills shut down in favor of Adanac. Which serves only to highlight that this city only prioritizes new Sudbury and the rest of the communities which were promised more facilities has seen many shut down with no new ones to take their place. Not everyone who uses the ski hill in Lively can drive, many children use it in the winter while saving parents expenditures of having to drive the 40+km round trip to Sudbury just to go skiing.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

 6. Green Space behind Lively Citizen Service Centre/Library
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

The Lively Ski hill has had the same antique lift since it began. It is no good for snowboarders and is a challenge for new skiers. Every time someone falls on the lift it has to stop. This leads to incredibly long lineups and non experienced riders are quickly discouraged while more experienced riders become more and more frustrated. Ultimately a new lift would be able to take riders and mountain bikers up in the summer making it a four season operation. I don't know if any of you have ever been to a ski chalet before but it looks nothing like the dump at the bottom of Lively Ski Hill. Most people put there stuff on in the car because it is over crowded and falling apart. Nothing to be proud of there. Go to Espanola and see what they have done with their ski centre. They are very proud of it.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The former Sixth Avenue Golf course is a perfect property to replace what we have lost. It has a very large pond between the third and fourth hole that could be dredged for a swimming area. It already has a series of walking paths. The former clubhouse is breathtaking and could be made into a banquet hall and clubhouse. It's a no brainer.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Adults (18-64)
2. Teens (13-17)
3. youth (6-12)
4. Families
5. Seniors (65 +)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Finally there is a way to provide some decent recreation facilities in Walden. The purchase of the former Sixth Avenue Golf Course and upgrades to the poor, long suffering ski hill will go a long way toward having year round, healthy, outdoor opportunities in Walden.

Q13. You can also upload PDF documents here.

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cycling or Mountain Biking
Downhill Skiing
Swimming (outdoor)
Tennis or Pickleball
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- No
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Affordability
Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces
Other (please specify)
A t-bar or even a chairlift at the ski hill
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Lively Ski Hill Property
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- We need a new tow at the ski hill. A t-bar or a chairlift.
-

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

You should buy 6th avenue golf course, make a swimming hole there as well as a community centre out of the building. The rest could be walking and cross country trails.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)
2. youth (6-12)
3. Families

Q12. Please add any additional comments about recreation in Lively/Walden here.

The beach on Simon lake is full of algae most of the summer, Centennial is nice but too far for kids to ride their bikes. The swimming area at 6th avenue golf course would be a good replacement to meatbird lake.

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Naughton

Q15. Which age group describes you?

60 to 69 years

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Swimming (indoor) Swimming (outdoor) Water Sports (e.g. canoeing, kayaking, etc.)
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Yes (please specify) INDOOR SWIMMING!!!!!! Or both since meatbird closed but indoor would be better since year round
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Accessibility and inclusivity Affordability
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Investment in indoor, year-round facilities Provide swimming opportunities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Other (please specify) Indoor as it is year round
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Easy accessibility for seniors, families and people with special needs Picnic area
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Sixth Avenue Playground 2. Centennial Park (Whitefish) 3. Simon Lake Park 4. Anderson Farm 5. Green Space behind Lively Citizen Service Centre/Library 6. Lively Ski Hill Property
Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.	Sixth avenue playground should be changed to manmade lake or indoor pool

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Park off of Ronald crescent is old and outdated and potentially dangerous for kids also black lake road itself sucks so maybe redoing that road would be nice

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Adults (18-64)
 2. Seniors (65 +)
 3. Families
 4. youth (6-12)
 5. Pre-school kids (0-6)
 6. Teens (13-17)
-

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Cycling or Mountain Biking
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Don't Know
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Accessibility and inclusivity Affordability Sustainability
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Investment in outdoor, seasonal facilities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Disagree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	not answered
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	not answered
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Lively Ski Hill Property 2. Anderson Farm 3. Green Space behind Lively Citizen Service Centre/Library 4. Centennial Park (Whitefish) 5. Simon Lake Park 6. Sixth Avenue Playground
Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.	
The city should donate funding to the Walden mountain bike club. The sport has greatly grown on the last two years with record memberships and the club is having trouble keeping up with trail upgrades.	

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Lively/Walden should work with the Walden Mountain bike club to develop an asphalt pump track built by company called Velo Solutions. I have seen neighborhoods change by having one of these. <https://velosolutions.com/asphalt-pump-tracks/>

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Adults (18-64)
2. Teens (13-17)
3. youth (6-12)
4. Families
5. Pre-school kids (0-6)
6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Swimming (outdoor)
Walking or Hiking
Other (please specify)
Bike path from copper cliff to Lively

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Outdoor pool set up in proximity to the Lively Arena with an optional covered shelter so that it can be used into the shoulder seasons by schools. There are several retractable shelters available and it would lower the capex for construction.

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Multi-use facilities

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Concentrate on maintaining existing parks and facilities only
Investment in outdoor, seasonal facilities
Provide swimming opportunities

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Outdoor aquatic park including facilities such as water slides, spray pools, diving tank

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Water slide

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Anderson Farm
2. Sixth Avenue Playground
3. Green Space behind Lively Citizen Service Centre/Library
4. Lively Ski Hill Property
5. Centennial Park (Whitefish)
6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Outdoor pool with retractable shelter & 100 ft water slide if positioned at lively arena , water could be heated with roof top solar panels

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Ski trail behind coronation apartment building that travels all the way to Naughton. Expand the beach at Silver Lake in the south end and have a shuttle to this area.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. youth (6-12)
2. Teens (13-17)
3. Seniors (65 +)
4. Adults (18-64)
5. Pre-school kids (0-6)
6. Families

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Downhill Skiing
 - Ice Sports / Skating (indoor)
 - Ice Sports / Skating (outdoor)
 - Swimming (outdoor)
 - Walking or Hiking
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
- Outdoor Swimming similar to what the former Meatbird Facility was like and hiking trails.
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Environmental stewardship
 - Multi-use facilities
 - Sustainability
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
 - Investment in outdoor, seasonal facilities
 - Provide swimming opportunities
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Picnic area
 - Sand volleyball court
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
- 1. Lively Ski Hill Property
 - 2. Anderson Farm
 - 3. Centennial Park (Whitefish)
 - 4. Green Space behind Lively Citizen Service Centre/Library
 - 5. Sixth Avenue Playground
 - 6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

1-Lively Ski Hill equipment rentals and ski lessons available onsite. Lively is a small hill and is perfect for introducing anyone to the sport. It is not overwhelming and the hill has produced many amazing skiers over the years. 2-Anderson farm has a community garden which I would like to see more funds to maintain programs to teach the youth of Walden about horticulture and agriculture and where the food we eat comes from. A green house facility would be an excellent addition. 3-centennial park seems more like a camp ground now and not the beach I remember when I was a child. Better marketing of this facility would be beneficial for local residents. 4-green space behind library- introduce new gardens and refresh existing to complement hardscape features and become more inviting use of gazebo. 5-sixth Avenue playground had upgrades this past year with new bedding installed at kiddy playground. This park seems to be in good condition however I am unaware of the current condition of the washroom facility as they have never been open on my visits. 6-Simon lake - seems to look well maintained as clean. The water is not great for swimming as it has had frequent issues with blue green algae. In my opinion it would not be beneficial to add additional tax payers funds to this facility.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The former sixth avenue golf course would be ideal to provide a replacement to what was lost with the meatbird facility. The property could feature hiking trails which are existing and would need minimal effort to implement, a swimming hole, plenty of fields for activities and could employ additional local resources seasonally. Cross country ski trails could be easily maintained in the winter months. This facility would be an accessible in town option within walking distance to ALL local schools. Encouraging the youth of the community to get active and involved.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. youth (6-12)
2. Pre-school kids (0-6)
3. Teens (13-17)
4. Seniors (65 +)
5. Families
6. Adults (18-64)

 6. Pre-school kids (0-6)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

Should be inclusive but also have some kind of security to make sure the teenagers don't ruin it for everyone. Lively had Meatbird and you could take your grandchildren there to play in the little park, and let them splash and play on the beach. You could walk around the lake and pretend you were on a great adventure with them but still be safely around other people. As an older adult, you could take a chair to Meatbird and sit out and read while enjoying the sounds of other people and not be alone in your house or apartment. We need something like that again.

-
- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cross-country Skiing
 - Cycling or Mountain Biking
 - Downhill Skiing
 - Ice Sports / Skating (outdoor)
 - Walking or Hiking
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
- More walking trails in through the bush. Spaces for people to go with their pets off leash.
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Environmental stewardship
 - Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
 - Investment in outdoor, seasonal facilities
 - Provide new recreation opportunities for youth
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Disagree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- not answered
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Picnic area
 - Splash play area
- Other (please specify)**
- That it doesn't disrupt the environment
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Sixth Avenue Playground
 2. Green Space behind Lively Citizen Service Centre/Library
 3. Anderson Farm
 4. Lively Ski Hill Property
 5. Centennial Park (Whitefish)
 6. Simon Lake Park
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Crosswalk to the playground from the park area. Lots of seniors and family cross here. Also a skating oval in the back park behind the library would be nice for families. Hard to share the ice with hockey players and visa versa at the playground at times.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)
2. Families
3. youth (6-12)
4. Adults (18-64)
5. Seniors (65 +)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

We moved to lively for the green space and ease to get around. Since my few years living here I have already seen trees clear cut. Please help maintain and protect the green space we have. It would be nice to have a "kivi style" park in the area. Somewhere where people can go be outside and have different opportunities to learn and play. A natural dirt bike path, different levels of walking paths, skate path, etc would encourage others from around the city to come and enjoy all the community has to offer.

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Lively

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Aerobics, Fitness or Weight training
Cross-country Skiing
Gymnasium Sports
Swimming (indoor)
Walking or Hiking
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
Indoor cardio exercise spaces to rent - I own a small fitness business and teach classes for kids and adults. Prior to the pandemic I rented the arena hall for classes. I'd love to rent a large room for classes that is suitable for fitness with the appropriate floor material and offer many youth and adult classes during the week evenings. The city buildings for rent do not have the proper floor materials for fitness classes
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
Affordability
Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in indoor, year-round facilities
Provide new recreation opportunities for youth
Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
Indoor swimming for year round access
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Community room for training / parties
Easy accessibility for seniors, families and people with special needs
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Anderson Farm
2. Green Space behind Lively Citizen Service Centre/Library
3. Simon Lake Park
4. Lively Ski Hill Property
5. Sixth Avenue Playground
6. Centennial Park (Whitefish)

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Anderson Farm has land for parking, new buildings, and indoor/outdoor swimming. Community events are currently held at this location, very central, and has lots of opportunity to create new amenities and make use of the existing museum buildings. Green space behind the library, not as large of a space as Anderson Farm but still a central location in Lively. Simon Lake park, has parking area and unused land for a building. Lively Ski Hill, unused land area and central. Sixth Avenue park, only because it's central but no land for a new building. Centennial Park, too far for a community building

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Sixth Avenue golf course - has a large parking area, an existing building for a much-needed family restaurant, land for a new swim/recreation building, existing walking and cross skiing spaces, and still central for Lively citizens

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. youth (6-12)
3. Teens (13-17)
4. Pre-school kids (0-6)
5. Adults (18-64)
6. Seniors (65 +)

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority) 1. Families

Q12. Please add any additional comments about recreation in Lively/Walden here.

Use existing infrastructure rather than adding more real estate costs. Sustainability is important and spending money on additional property when existing properties such as Anderson Farm are under utilized is insanity.

Q13. You can also upload PDF documents here. not answered

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Skateboarding
 - Splash Pads
 - Swimming (outdoor)
 - Walking or Hiking
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
See above selections
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Environmental stewardship
 - Multi-use facilities
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in outdoor, seasonal facilities
 - Provide new recreation opportunities for older adults
 - Provide new recreation opportunities for youth
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Outdoor public pool
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Easy accessibility for seniors, families and people with special needs
 - Picnic area
 - Splash play area
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
- 1.
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

Each of those areas have a destination activity already in place and require normal Maintenance. The replacement of meat bird park with those funds should be a central green space that will accommodate an outdoor swimming pool, splash pad with picnic areas and an activity such as skateboarding. Walking/hiking, seniors activity centre and green space would be a great addition to Waldens future. The above locations cannot provide this multi concept and a new central location like the former Sixth Ave golf course and clubhouse would be an ideal investment for the area.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

As noted above, an opportunity of having 4 million would be best used to purchase a central acreage that could be enhanced to allow for several activities that would appeal to as many people as possible - various ages, various mobility abilities, artists/ photography and green space that allows for walking/hiking (which can be connected to existing walking), a central building to accommodate fitness, change rooms , seniors centre and ideal space for including an outdoor swimming pool, splash pad and skateboarding. This concept requires acreage, a healthy ecosystem and the necessary infra structure to support a recreational destination ,,,, an ideal location for all of these activities would be the former Sixth Ave golf course. It is next to the former meat bird park and offers the best opportunity to replace the lost park with the added attraction of being able to support a much more diversified concept. This property already has hiking trails, a pump house and underground irrigation system, various pond sites and a large commercial building. The central location of 80 acres will be an environmental asset that will have a lasting impact on health, recreation and the environment.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Seniors (65 +) 2. Teens (13-17) 3. youth (6-12) 4. Families 5. Adults (18-64) 6. Pre-school kids (0-6)
--	--

Q12. Please add any additional comments about recreation in Lively/Walden here.

Walden is a very desirable destination with good access to all of greater Sudbury. A central green space that allows for recreational opportunities for all segments of the population would be a terrific asset and an added attraction for everyone in the region.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Aerobics, Fitness or Weight training
Downhill Skiing
Swimming (indoor)
Walking or Hiking

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Swimming

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Affordability
Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in indoor, year-round facilities
Provide new recreation opportunities for youth

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Outdoor public pool

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Change areas / locker rooms
Community room for training / parties

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Anderson Farm
2. Lively Ski Hill Property

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

There is space at Anderson farm to add more recreational activities and perhaps even an opportunity to re-purpose the farm. The lively ski hill is a great asset and should be made more accessible.

 6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

there have been many good ideas posted on the "ideas" page. as long as the space is improved for accessible use to all age groups, I would like to see improvements made for walking, hiking, quiet areas for sitting and contemplating life. our population is aging but at the same time we have to make our town attractive to young families so the town grows.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The old sixth avenue gold course property would be such an amazing addition to the greenspace in Lively! It already has a clubhouse that could be used as a base building for a fitness centre, seniors centre, etc. and even a small store with local artisans in there all year long, as well as space to rent for parties and events. If managed properly the city could sustain the cost of the amenities with off shoot project that pay some of the cost of upkeep, if not all. The property itself lends itself superbly for hiking, biking and walking trails in summer and snow shoeing, cross country skiing and fat biking in winter and toboggan hill for the kids. we wouldn't have to drive to Forest Ridge to take the kids tobogganing! The property close to the clubhouse off Sixth ave , with ample parking for citizens who use the park, would be ideal for swimming pool, splash pad and possible skateboard park and picnic area allowing for a multi use destination for all ages..... not to mention that the green space and healthy ecosystems would be very beneficial to the environment. You could create a man made lake near the clubhouse as well for outdoor use in the summer and as an ice skating rink in the winter. Keeping green trees and ponds healthy and intact , that are on that property, will keep the air clean, the birds and animals that roam in there alive and well for future generations. All parts of the city would benefit from an area in lively that everyone could use, similiar to Kivi Park. We all used the gold course when it was there and enjoyed the ups and downs of the terrain and the numerous natural ponds and wildlife we saw along the way. Lets try to keep this jewel of a property green and accessible to all! It would be a very prudent investment in the future of our Great city of lakes.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Seniors (65 +)
2. Adults (18-64)
3. Families
4. Teens (13-17)
5. youth (6-12)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

We can only benefit from investment is our greenspaces. Too much commercialization and building development makes for a boring town and a landscape too full of buildings and not full enough of healthy living options. Let's protect and expand our greenspaces.

-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
- Indoor year round swimming
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Diving board(s)
 - Easy accessibility for seniors, families and people with special needs
- Other (please specify)**
- good supervision decent parking
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Green Space behind Lively Citizen Service Centre/Library
 2. Anderson Farm
 3. Lively Ski Hill Property
 4. Centennial Park (Whitefish)
 5. Simon Lake Park
 6. Sixth Avenue Playground
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

None of the above areas are very good for a new swimming center. The center needs to be in the town of Lively.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

None of the above areas are very good for a new swimming center. The center needs to be in the town of Lively.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. youth (6-12)
 3. Teens (13-17)
 4. Adults (18-64)
 5. Seniors (65 +)
 6. Pre-school kids (0-6)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

Do not purchase the Sixth Avenue golf course as there will not be enough money to build a swimming center. The swimming center should be on land presently owned by the city.

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Lively

Q15. Which age group describes you?

70 to 79 years

Q16. Are any members of your household aged 17 or younger?

No

Q17. Are any members of your household aged 65 or older?

Yes

<p>Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)</p>	<p>Cycling or Mountain Biking Downhill Skiing Ice Sports / Skating (outdoor) Swimming (outdoor) Walking or Hiking</p>
<p>Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?</p>	<p>Yes (please specify) Walking hiking, cross country ski, a few fairways on the old sixth avenue golf course to hit a couple balls if the city hurry's up and buys it already. Lively money better stay in lively and not go to other parts of Walden.</p>
<p>Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)</p>	<p>Multi-use facilities Other (please specify) Buy sixths ave golf course potential is huge for that place and anyone that doesn't agree hasn't walked the property. The club house can be rented out for events and cover some of the cost of the park.</p>
<p>Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)</p>	<p>Acquire more land for future parks Investment in outdoor, seasonal facilities Other (please specify) We lost a park and need one back . Do not use this. Money to maintain existing parks , that is no gain at all and a huge loss to Lively. Our tax dollars need to pay for maintenance on existing parks. Walden pays lots in taxes and it's all going to Sudbury.</p>
<p>Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.</p>	<p>Agree</p>
<p>Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?</p>	<p>Other (please specify) Outdoor pool or swimming hole . Lots of room to dig a hole on sixth ave golf course.</p>
<p>Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)</p>	<p>Easy accessibility for seniors, families and people with special needs Picnic area Other (please specify) Man made beach on the old sixth avenue golf course.</p>

Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).** 1.

Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

Sixth ave golf course wasn't even listed? Almost looks like you already have your mind made ion to spend lively money in existing Walden parks instead of using tax dollars for what they were intended for.

Q10. **Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.**

Sixth ave golf course, but it.

Q11. **Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)** 1.

Q12. **Please add any additional comments about recreation in Lively/Walden here.**

The ice list of ages is silly, everyone is equal and equally needs recreational facilities in lively.

Q13. **You can also upload PDF documents here.** not answered

Q14. **Which of the following communities do you live in or closest to?** Lively

Q15. **Which age group describes you?** 40 to 49 years

Q16. **Are any members of your household aged 17 or younger?** Yes

not answered

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Walden Cross Country (www.waldenxc.ca) should be provided with funding to expand their parking lot and offer more trails (for skiing, snowshoeing, mountain biking, and fat biking).

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. youth (6-12)
2. Teens (13-17)
3. Adults (18-64)
4. Seniors (65 +)
5. Families
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Investments/improvements should definitely be made at Walden Cross Country in Naughton. There is a lot of space at this site. The parking lot should be expanded and the trails should be enhanced. This facility is a real gem!

 - Downhill Skiing
 - Ice Sports / Skating (indoor)
 - Ice Sports / Skating (outdoor)
 - Sport Fields (e.g. baseball, soccer, etc.)
-
- Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Don't Know
-
- Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Environmental stewardship
 - Multi-use facilities
 - Sustainability
-
- Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
 - Provide swimming opportunities
 - Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Community room for training / parties
 - Easy accessibility for seniors, families and people with special needs
 - Picnic area
 - Splash play area
-
- Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Anderson Farm
 2. Lively Ski Hill Property
 3. Centennial Park (Whitefish)
 4. Sixth Avenue Playground
 5. Simon Lake Park
 6. Green Space behind Lively Citizen Service Centre/Library
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I think Anderson farm is a gem and it could be utilized by having more functions such as weddings, receptions, revenue from these events put back into maintaining the facility, a covered area for concerts.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The sixth avenue golf course Anderson farm Jessie Hamilton public school

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)
2. Seniors (65 +)
3. Families
4. youth (6-12)
5. Adults (18-64)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

We need to keep our youth active, they are not all into sports, so we need to put money into arts as well, some of our facilities are just outdated, fielding park could use an update

Q13. You can also upload PDF documents here. not answered

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Gymnasium Sports
Swimming (indoor)
Swimming (outdoor)

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
A Swimming/rec centre with gym

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Affordability
Multi-use facilities

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in indoor, year-round facilities
Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Swimming beach at a lake, river or pond

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Other (please specify)
Clean cost efficient swimming location, cleaning up Simon Lake Park would be ideal. It already has a clubhouse with concession possibilities.

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Simon Lake Park
2. Anderson Farm
3. Centennial Park (Whitefish)
4. Green Space behind Lively Citizen Service Centre/Library
5. Lively Ski Hill Property
6. Sixth Avenue Playground

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I believe we should be focusing on existing parks. Simon Lake Park is beautiful and we should improve this location along with the quality of Simon Lake. It used to be enjoyed by hundreds back in the day. Let's bring this beautiful gem back

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

DO NOT INVEST IN MORE PROPERTY, WE ALREADY HAVE ENOUGH THAT WE CANNOT AFFORD TO MAINTAIN.

[REDACTED]

1. Lively Ski Hill Property
 2. Anderson Farm
 3. Sixth Avenue Playground
 4. Green Space behind Lively Citizen Service Centre/Library
 5. Simon Lake Park
 6. Centennial Park (Whitefish)
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- 1 Better lift, enhanced runs, 2 enhanced playground, better sliding, marked running trails, outdoor yoga 3 more structures (equipment like Kivi park and Minnow Lake) zip line 4 plants, a talking circle, where people could gather to talk, fountain 5 better/more equipment slides in water clean up discharge plant 6 enhance fields soccer baseball, add better playground activities

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Kinsman sports complex is drastically in need of playground equipment. Splash pad update. Fix tennis court. Off leash park for dogs. Bonnie street playground also needs upgrading

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Pre-school kids (0-6)
3. youth (6-12)
4. Teens (13-17)
5. Seniors (65 +)
6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

We don't need to buy the 6th Avenue golf course. No swimming facilities cost \$2M. It's too far out and we'd just be buying a swamp in the Everglades. Please please do not purchase this eyesore. It is not a steal. Maybe 2 many people have ulterior motives.

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cross-country Skiing
 - Cycling or Mountain Biking
 - Ice Sports / Skating (indoor)
 - Splash Pads
 - Walking or Hiking
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- No
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Affordability
 - Multi-use facilities
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Concentrate on maintaining existing parks and facilities only
 - Investment in outdoor, seasonal facilities
 - Upgrade existing parks, recreation facilities, paths and open spaces
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Disagree
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Splash pad
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Community room for training / parties
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Centennial Park (Whitefish)
 2. Sixth Avenue Playground
 3. Simon Lake Park
 4. Lively Ski Hill Property
 5. Green Space behind Lively Citizen Service Centre/Library
 6. Anderson Farm
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**

not answered

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

We should invest some of the funding into upgrading the trail system at Walden Cross County and Bike Club. Add to the existing trail system and expanding the parking lot to allow more capacity for usage. The small scale events already hosted there can become more large scale. Great for our local economy!

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority) 1.

Q12. Please add any additional comments about recreation in Lively/Walden here.

not answered

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Naughton

Q15. Which age group describes you? 40 to 49 years

-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- not answered
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Concessions / snacks
 - Easy accessibility for seniors, families and people with special needs
 - Splash play area
 - Water slide
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Lively Ski Hill Property
 2. Sixth Avenue Playground
 3. Green Space behind Lively Citizen Service Centre/Library
 4. Simon Lake Park
 5. Anderson Farm
 6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Keep ski hill operating with more amenities. Splash pad behind citizen centre. Enhance 6th ave playground and add cameras. Please fill the wasted space at Simon Lake. Roof over rink at 6th avenue

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

NOT 6th avenue golf course. Waste of money. It's not what we need.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
 2. Teens (13-17)
 3. youth (6-12)
 4. Seniors (65 +)
 5. Pre-school kids (0-6)
 6. Adults (18-64)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

Do not choose 6th avenue golf course. Something shady is going on there.

Q13. You can also upload PDF documents here.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Cross-country Skiing Playground Equipment Splash Pads Swimming (outdoor) Walking or Hiking
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	Don't Know
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Accessibility and inclusivity Environmental stewardship Sustainability
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Acquire more land for future parks Investment in outdoor, seasonal facilities Provide swimming opportunities
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	Agree
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Easy accessibility for seniors, families and people with special needs Inflatable obstacle course Sand volleyball court Splash play area Water slide
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1. Centennial Park (Whitefish) 2. Lively Ski Hill Property 3. Sixth Avenue Playground 4. Anderson Farm 5. Green Space behind Lively Citizen Service Centre/Library 6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

An outdoor inflatable waterpark at Centennial park would be great to have. I'd like to see Lively ski hill become a tubing hill with a tow rope. Expanding sixth Avenue playground by adding more accessible equipment would be good (or a spray park), this could also be done in the greenspace behind the library. Adding a free run dog park space could be nice at the back field at Anderson Farm. More facilities at Son Lake park could be nice.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Walden Cross Country ski trails could expand their trails, the lighting on them for night skiing, and the parking area.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)
2. youth (6-12)
3. Families
4. Adults (18-64)
5. Pre-school kids (0-6)
6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Lively needs more outdoor recreation facilities especially now that Meatbird lake and the ski hill have closed. Also the existing facilities need improvement due to heavier use.

Q13. You can also upload PDF documents here.

-
- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Aerobics, Fitness or Weight training
Cross-country Skiing
Cycling or Mountain Biking
Walking or Hiking
Water Sports (e.g. canoeing, kayaking, etc.)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
More trails
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
Affordability
Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
Investment in outdoor, seasonal facilities
Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
Clean up the beach at Simon lake and use that already established facility
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
Concessions / snacks
Easy accessibility for seniors, families and people with special needs
Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Simon Lake Park
2. Green Space behind Lively Citizen Service Centre/Library
3. Lively Ski Hill Property
4. Anderson Farm
5. Sixth Avenue Playground
6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Simon lake already has the change room , concession stand and washroom building . The park is already pretty nice. Upgrade the park play area and clean up the beach. Water bubblers in the water will keep water flow and allow everyone to swim there without issues. The parking lot is already there and massive it's a win win

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Expand the snowshoes trails at naughton trails and skill trails. More lights for longer course at night time

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cross-country Skiing
 - Cycling or Mountain Biking
 - Swimming (indoor)
 - Swimming (outdoor)
 - Walking or Hiking
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available? Yes (please specify)**
- Swimming opportunities at lakes not regularly impacted by algae blooms like Simon Lake. Perhaps Makada Lake
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Multi-use facilities
 - Sustainability
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
 - Provide new recreation opportunities for youth
 - Provide swimming opportunities
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**

 - Splash play area
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Anderson Farm
 2. Centennial Park (Whitefish)
 3. Green Space behind Lively Citizen Service Centre/Library
 4. Lively Ski Hill Property
 5. Sixth Avenue Playground
 6. Simon Lake Park
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- I think a new location with access to a lake not regularly impacted by algae blooms (as is the case on Simon Lake) would be best. I do not have any recommendations for existing facilities/properties.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

As suggested above a new public beach would be beneficial or investments into expanding/improving off road cycling/hiking trails in the area.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Families 2. youth (6-12) 3. Pre-school kids (0-6) 4. Teens (13-17) 5. Seniors (65 +) 6. Adults (18-64)

 4. Sixth Avenue Playground
 5. Centennial Park (Whitefish)
 6. Simon Lake Park
-
- Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- Anderson farm is easily accessible and central in lively. If walking paths are upgraded and an outdoor pool added the space would be better utilized.
-

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Land around the Walden Arena. I believe the land surround the Walden arena should be beautified and used in a more community based way. An outdoor pool here would be ideal!! Planting of trees, adding landscape and upgrading walking paths would do a lot to make Lively more appealing. It is also centrally located making it accessible to many more people.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Adults (18-64) 2. Families 3. youth (6-12) 4. Seniors (65 +) 5. Teens (13-17) 6. Pre-school kids (0-6)
--	--

Q12. Please add any additional comments about recreation in Lively/Walden here.

I recently had the opportunity to see the recreation facilities in Hanmer (area surrounding the Howard Armstrong Recreation Centre). It is beautifully maintained with wonderful walking paths and amenities. Lively is beyond embarrassing in it's offerings. I have been a life long resident of the Walden Area and am extremely disappointed in the condition of the arena, tennis courts, walking paths and lack of facilities. As Lively continues to expand it is important to have amenities and instil pride in our community. We need a pool, walking paths, and for heavens sake let us make Lively beautiful again!!! Lively has become run down and ugly...we need to change and the community needs to have pride again.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Cross-country Skiing
Cycling or Mountain Biking
Walking or Hiking
Water Sports (e.g. canoeing, kayaking, etc.)

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Whitewater kayaking on the vermilion river near centennial park

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Affordability
Modern facilities

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Concentrate on maintaining existing parks and facilities only
Provide new recreation opportunities for older adults
Provide swimming opportunities

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Agree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

Swimming beach at a lake, river or pond

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Inflatable obstacle course
Water slide
Other (please specify)
Easily accessible such as parking

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Lively Ski Hill Property
2. Centennial Park (Whitefish)
3. Simon Lake Park
4. Green Space behind Lively Citizen Service Centre/Library
5. Anderson Farm
6. Sixth Avenue Playground

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Simon lake - fix the algae problem, you can't swim at the beach Ski hill - more lit trails Centennial - there is some nice whitewater runs there but improvement such as carving a train from bottom to top and making some eddys on the shore to access the waves

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The rr55 has some really dangerous spots with no paved shoulder , makes cycling treacherous

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority) 1. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

not answered

Q13. You can also upload PDF documents here. not answered

5. Green Space behind Lively Citizen Service Centre/Library
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
Anderson Farm or behind Lively Ski hill - splash pad Lively golf course - green space for walking Lively ski hill - Lift
-
- Q10. **Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.**
Purchase the Lively golf course for walking trails, sell the club house and 5 acres surrounding it to a cohousing project

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Adults (18-64)
2. Seniors (65 +)
3. Teens (13-17)
4. youth (6-12)

Q12. Please add any additional comments about recreation in Lively/Walden here.

It would be best to upgrade existing facilities within Lively and if more green space is needed, purchase PART of the Lively golf course for walking trails. The rest can be sold by the owners or city to a worthwhile project that can utilize the club house which would require too much conversion and expense by the city coffers.

Q13. You can also upload PDF documents here. not answered

Q14. Which of the following communities do you live in or closest to? Azilda

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Cross-country Skiing
Cycling or Mountain Biking
Tennis or Pickleball
Walking or Hiking
Water Sports (e.g. canoeing, kayaking, etc.)

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)

Interested in pickle ball; don't know if/where that is currently available. There is a serious problem with invasive Eurasian milfoil in Walden Lakes, e.g. in McCharles Lake and others - would like to be able to canoe/kayak without increasing the problem. Also, what can we do about the Eurasian milfoil problem?

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Affordability
Environmental stewardship
Sustainability

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in outdoor, seasonal facilities
Provide new recreation opportunities for older adults
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Disagree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

not answered

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

Picnic area
Sand volleyball court
Other (please specify)
safe appealing water. e.g. Simon Lake Park is a beautiful park plagued by algae. Can we do more to address the algae? I believe the Park is underused because of the algae problem.

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Simon Lake Park
2. Anderson Farm
3. Lively Ski Hill Property
4. Centennial Park (Whitefish)
5. Green Space behind Lively Citizen Service Centre/Library
6. Sixth Avenue Playground

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Simon Lake Park - address the lake water quality (algae, invasive Eurasian milfoil) is a priority; improve playground equipment; improve pathway through the park so it is more stable for bicycles (crusher dust vs sand); add additional recreational features such as a sand volleyball. Stop cutting some areas of grass there regularly (i.e. cut some areas a few times a year if you want to keep trees out of it), and shrink the grass area by having native plants on borders of what grass area would actually be used for play. There is now a lot of cut grass area not being used (much). To help address climate change, we must prioritize native plants and allow nature to flourish. This park has so much recreation potential, particularly if the water quality issue can be addressed. Anderson Farm has much mowed grass area. Can we add recreational opportunities and decrease mowed area, as per comments above for Simon Lake Park.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Walden Cross Country - expand trail system; improve parking.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Teens (13-17)
3. youth (6-12)
4. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

We are fortunate to have so many beautiful lakes in the area. Lake quality is definitely a priority, at a minimum, education on what we must and must not do when using the lakes.

Q13. You can also upload PDF documents here. not answered

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

6th Avenue Gold Course - would be a good location for a swimming area

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)
 2. Seniors (65 +)
 3. Adults (18-64)
 4. youth (6-12)
 5. Pre-school kids (0-6)
 6. Families
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

not answered

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Lively

Q15. Which age group describes you?

60 to 69 years

Q16. Are any members of your household aged 17 or younger?

No

Q17. Are any members of your household aged 65 or older?

No

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Aerobics, Fitness or Weight training
 - Cycling or Mountain Biking
 - Downhill Skiing
 - Swimming (outdoor)
 - Water Sports (e.g. canoeing, kayaking, etc.)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Don't Know
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Affordability
 - Environmental stewardship
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
 - Investment in outdoor, seasonal facilities
 - Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Centennial Park (Whitefish)
 2. Lively Ski Hill Property
 3. Simon Lake Park
 4. Anderson Farm
 5. Green Space behind Lively Citizen Service Centre/Library
 6. Sixth Avenue Playground
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- Centennial Park: Bring in new sand for beach annually as it once was. Don't allow campers along the water, where it used to be open area. Improve playground equipment. Canoe/kayak rentals etc. Expand hiking trails. Possible transportation certain days in summer. Ski hill: make necessary improvements to keep hill running, including building needs. Simon Lake Park: solution for algae? Use water pump fountain (similar to Meatbird) to circulate and reduce stagnation).

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

I like the idea of buying the golf course property for outdoor recreation. City owned beach, accessible to public area on Panache Lake. It's a giant lake but feels like such an elitist place because unless you have a boat to launch or property, there's no way to enjoy the lake. We have lived in area for 8 years and my kids have never been on the lake. Or the Camp Wassakwa property (I know there's a waterski camp there currently). But make that an area for people to enjoy.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. youth (6-12)
3. Teens (13-17)
4. Pre-school kids (0-6)
5. Seniors (65 +)
6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

I don't support an indoor pool for the reason that it would certainly mean closing of RH Dow pool in Copper Cliff. That community has so little left, far less funding, let them keep their pool.

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Other (please specify)
Whitefish

Q15. Which age group describes you?

40 to 49 years

Q16. Are any members of your household aged 17 or younger?

Yes

Q17. Are any members of your household aged 65 or older?

No

- Cross-country Skiing
Cycling or Mountain Biking
Downhill Skiing
Walking or Hiking
Water Sports (e.g. canoeing, kayaking, etc.)
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
A maintained year-round greenspace similar to that of Kivi Park which could accommodate playgrounds walking/hiking areas, cross-country ski paths, etc.
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Environmental stewardship
Multi-use facilities
Sustainability
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
Concentrate on maintaining existing parks and facilities only
Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Disagree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Other (please specify)**
A swimming pool/splash pad is not sustainable and costly to maintain.
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Other (please specify)**
A swimming pool/splash pad is not sustainable and costly to maintain.
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**

4. Lively Ski Hill Property
5. Anderson Farm
6. Sixth Avenue Playground
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- As stated previously in question #2. A maintained year-round greenspace similar to that of Kivi Park which could accommodate playgrounds walking/hiking areas, cross-country ski paths, etc.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The entire area between Black Lake Road and Mikkola. This should area should never become available for development. It is used by many for hiking and would be perfect to turn into a large greenspace area with lots of accessibility.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Adults (18-64) 2. Families 3. Seniors (65 +) 4. Teens (13-17) 5. youth (6-12) 6. Pre-school kids (0-6)
--	--

Q12. Please add any additional comments about recreation in Lively/Walden here.

The community needs to understand the operating costs of the facilities they are proposing will not be long-term sustainable. As well, the capital costs will likely exceed the funds we have for this project. It needs to be community based that all ages can use - not just a splashpad for kids.

Q13. You can also upload PDF documents here.	not answered

-
- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Downhill Skiing
Ice Sports / Skating (outdoor)
Playground Equipment
Swimming (outdoor)
Walking or Hiking
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
Accessible swimming to Lively residents-Centennial park is not accessible without a vehicle or using public transit, which is not frequent nor goes to Whitefish to my knowledge.
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
Affordability
Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in indoor, year-round facilities
Provide swimming opportunities
Upgrade existing parks, recreation facilities, paths and open spaces
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Easy accessibility for seniors, families and people with special needs
- Other (please specify)**
Safe water source for public use.
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Lively Ski Hill Property
2. Anderson Farm
3. Green Space behind Lively Citizen Service Centre/Library
4. Sixth Avenue Playground
5. Simon Lake Park
6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Unfortunately none of the above options have safe natural water sources for swimming or are easily accessible to the residents of Lively unless you have a vehicle or can find transportation. Families with children or teens from Lively can no longer walk or bike to Meatbird Lake. Using any of the other Lively town sites will need to be assessed re: traffic, parking, noise, etc.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. youth (6-12)
2. Families
3. Teens (13-17)
4. Seniors (65 +)
5. Pre-school kids (0-6)
6. Adults (18-64)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Meatbird Lake, when it was clean, was a big part of our family's life when our children were young-it was accessible and safe, encouraged physical activity and being outdoors. As a health professional and citizen of this community for 30+ years, I am saddened at it's loss. It can not be replaced. Other/additional recreation space needs to be accessible and affordable/free where it is most needed. I have yet to use Kivi Park as I am not driving nor paying to be outdoors.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Focus on improving existing facilities such as Walden Cross country Ski club and Bike clubs. They have huge volunteer bases and can get a lot of extra value out of a little money and then sustain it for very little money. Walden could use the money for larger parking area, which is often full, expanding the lower ski and bike trails to make a larger selection for beginner and younger/senior members and helping with existing infrastructure. The last thing the city needs is to make yet another new facility that will cost lots of money to maintain. They should focus on fixing up aging existing city infrastructure and supporting volunteer based clubs that can make a dollar to a long way and are affordable to the public.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. youth (6-12) 2. Teens (13-17) 3. Adults (18-64) 4. Seniors (65 +) 5. Families 6. Pre-school kids (0-6)

If the city were to provide an indoor pool the adding onto the existing hockey arena would make sense. That may provide the opportunity to improve the severely lacking girls/women's change room facilities in the arena.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Teens (13-17) 2. youth (6-12) 3. Pre-school kids (0-6) 4. Families 5. Adults (18-64) 6. Seniors (65 +)

 - Other (please specify)**
Large enough waterbody that can accommodate open water swimming
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
1. Green Space behind Lively Citizen Service Centre/Library
 2. Simon Lake Park
 3. Centennial Park (Whitefish)
 4. Anderson Farm
 5. Sixth Avenue Playground
 6. Lively Ski Hill Property

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I believe that investment should be made to help Walden Cross Country and Walden Mountain Bike Club expand their trail networks

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Walden Cross Country/Walden Mountain Bike Club - expand the trail networks and provide more parking opportunities
Develop trail network north of the Sugarbush subdivision to allow for year round use, currently only accessible in the winter

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Adults (18-64)
 2. Families
 3. Teens (13-17)
 4. Seniors (65 +)
 5. youth (6-12)
 6. Pre-school kids (0-6)
-

Q12. Please add any additional comments about recreation in Lively/Walden here.

not answered

<p>Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)</p>	<p>Ice Sports / Skating (outdoor) Playground Equipment Swimming (outdoor) Walking or Hiking Other (please specify) Whatever is inclusive in that it does NOT require vaccine passports!!!! Otherwise reduce our taxes as we will not benefit from yet another recreational facility!!!!</p>
<p>Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?</p>	<p>Yes (please specify) Somewhere that does not require vaccine passports.</p>
<p>Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)</p>	<p>Accessibility and inclusivity Other (please specify) Being able to enter/utilize this area without the use of vaccine passports.</p>
<p>Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)</p>	<p>Investment in outdoor, seasonal facilities Provide swimming opportunities Other (please specify) Whatever doesn't require vaccine passports.</p>
<p>Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.</p>	<p>Agree</p>
<p>Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?</p>	<p>Swimming beach at a lake, river or pond</p>
<p>Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)</p>	<p>Concessions / snacks Picnic area Sand volleyball court Water slide Other (please specify) Whatever doesn't require vaccine passports</p>
<p>Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).</p>	<p>1. Anderson Farm 2. Green Space behind Lively Citizen Service Centre/Library 3. Centennial Park (Whitefish) 4. Lively Ski Hill Property 5. Simon Lake Park 6. Sixth Avenue Playground</p>

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Six avenue playground is overrun by youth who bully and litter. Maybe invest in some surveillance there. The rest of the money should go to an inclusive outdoor space that doesn't discriminate based on whether you have a badge to show or not. There are already enough places for those people to attend. I'm still paying taxes for services I cannot use, either give us a major tax break or create a facility that doesn't discriminate.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

Open up the existing recreation facilities to those who chose not to get the vaccine. Especially since outbreaks are happening amongst the vaccinated anyways at these establishments.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Families
	2. youth (6-12)
	3. Pre-school kids (0-6)
	4. Adults (18-64)
	5. Teens (13-17)
	6. Seniors (65 +)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Whatever you do with this money make sure it's inclusive to all. Vaccinated or not.

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)

Aerobics, Fitness or Weight training
Cycling or Mountain Biking
Sport Fields (e.g. baseball, soccer, etc.)
Tennis or Pickleball
Walking or Hiking

Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?

Yes (please specify)
Pickleball

Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)

Accessibility and inclusivity
Affordability
Multi-use facilities

Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)

Investment in indoor, year-round facilities
Investment in outdoor, seasonal facilities
Upgrade existing parks, recreation facilities, paths and open spaces

Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.

Disagree

Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?

not answered

Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)

not answered

Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).

1. Anderson Farm
2. Green Space behind Lively Citizen Service Centre/Library
3. Sixth Avenue Playground
4. Centennial Park (Whitefish)
5. Lively Ski Hill Property
6. Simon Lake Park

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Personally I am most interested in Pickleball so that would be an outdoor or indoor upgrade to current facilities. Also Fitness either at any of the facilities. In town of Lively

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Adults (18-64)
2. Families
3. Seniors (65 +)
4. youth (6-12)
5. Teens (13-17)
6. Pre-school kids (0-6)

Q12. Please add any additional comments about recreation in Lively/Walden here.

We have only taken advantage of walking trails at Walden ski club and the one that connects Walden field to Fielding park. We are to Pickleball and since it is considered the fastest growing sport it is highly lacking playing opportunities in Greater Sudbury.

Q13. You can also upload PDF documents here. not answered

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The City Parkland that is used for the trail facility at the Walden Trails sees a tremendous amount of usage by people from all over the city, year-round. Skiing, snowshoeing and cycling in the 3 winter months. In the 8-month non-winter period, the parking lot is again filled with people, walking, running and cycling. More parking is required and more beginner skiing and mountain biking trails are required. The parking lots are filled and the beginner trails are quite crowded on the weekends.

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Families
2. Adults (18-64)
3. youth (6-12)

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Cross-country Skiing
 - Ice Sports / Skating (indoor)
 - Ice Sports / Skating (outdoor)
 - Swimming (outdoor)
 - Walking or Hiking
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
- a place to relax and swim
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Affordability
 - Environmental stewardship
 - Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Investment in outdoor, seasonal facilities
 - Provide new recreation opportunities for youth
 - Provide swimming opportunities
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Concessions / snacks
 - Diving board(s)
 - Easy accessibility for seniors, families and people with special needs
 - Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
- 1.
-
- Q9. **For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.**
- none of the above need upgrades to serve the long term needs
-

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

The 6th Avenue Golf Course would be an ideal place to start. With a minimum effort much of this facility could be ready quickly. The property at Neimi Road and Megan Duhamel Drive

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)	1. Adults (18-64)
	2. Seniors (65 +)
	3. Pre-school kids (0-6)
	4. Teens (13-17)
	5. youth (6-12)
	6. Families

Q12. Please add any additional comments about recreation in Lively/Walden here.

The City has taken a popular and well used facility away and has done nothing to replace it.

Q13. You can also upload PDF documents here.	not answered

- Q1. **From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)**
- Skateboarding
 - Swimming (outdoor)
 - Tennis or Pickleball
 - Walking or Hiking
 - Other (please specify)**
indoor exercise for seniors
-
- Q2. **Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?**
- Yes (please specify)**
a senior park with senior friendly equipment
-
- Q3. **What are the most important factors when it comes to recreation amenities? (choose up to three)**
- Accessibility and inclusivity
 - Affordability
 - Multi-use facilities
-
- Q4. **From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)**
- Acquire more land for future parks
 - Provide new recreation opportunities for older adults
 - Other (please specify)**
we miss our beach a splash pad just wouldn't cut it
-
- Q5. **I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.**
- Agree
-
- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Swimming beach at a lake, river or pond
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Easy accessibility for seniors, families and people with special needs
 - Picnic area
 - Other (please specify)**
outdoor washrooms
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
- 1.
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Sixth Avenue Golf Course - natural pond there can be made into beach area, walking trails already exist. Building already there for indoor activities very cost effective skateboard area can be put there. don't understand the blindness with this idea.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1.

Q12. Please add any additional comments about recreation in Lively/Walden here.

Why can we not accommodate all age groups. The entire community misses their beach. A senior friendly park like down south would be nice.

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Lively

Q15. Which age group describes you?

60 to 69 years

Q16. Are any members of your household aged 17 or younger?

No

Q17. Are any members of your household aged 65 or older?

Yes

--	--

Q12. Please add any additional comments about recreation in Lively/Walden here.

Somewhere we can have clean, safe water to swim in, with easy access for all. We need a sandy play place for little children, and a partly shady place for older adults who watch children. We need an exercise facility and walking trails. Children need play equipment - older children and teens need this most of all.

- Q6. **If you agreed to the above question, what type of public swimming facility is most needed in the area?**
- Splash pad
-
- Q7. **Which of these features are important to you in a swimming amenity? (choose up to 5)**
- Change areas / locker rooms
 - Community room for training / parties
 - Concessions / snacks
 - Easy accessibility for seniors, families and people with special needs
 - Picnic area
-
- Q8. **Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).**
- 1. Sixth Avenue Playground
 - 2. Anderson Farm
 - 3. Lively Ski Hill Property
 - 4. Simon Lake Park
 - 5. Green Space behind Lively Citizen Service Centre/Library
 - 6. Centennial Park (Whitefish)
-

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

I believe Sixth Ave would be a great area because the building is already there to improve if needed and use right away. Fitness, outdoor walk in the land etc. Place to keep warm. Out of the way maybe won't get vandalized.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q1. From the list below, please select what you feel are the most important public recreation opportunities in the Lively/Walden area. (choose up to five)	Aerobics, Fitness or Weight training Cross-country Skiing Cycling or Mountain Biking Ice Sports / Skating (indoor) Ice Sports / Skating (outdoor)
Q2. Are there any recreation activities that you would like to see offered in the Lively/Walden area that are not currently available?	not answered
Q3. What are the most important factors when it comes to recreation amenities? (choose up to three)	Affordability Sustainability Other (please specify) amenities that reflect the interest of various age groups and/or families
Q4. From the list below, please select what you feel are the most important factors when considering improvements needed to serve Lively/Walden. (choose up to three)	Concentrate on maintaining existing parks and facilities only Provide new recreation opportunities for youth Upgrade existing parks, recreation facilities, paths and open spaces
Q5. I believe it is important that the City develops a new swimming opportunity in the Lively/Walden area.	not answered
Q6. If you agreed to the above question, what type of public swimming facility is most needed in the area?	Outdoor aquatic park including facilities such as water slides, spray pools, diving tank
Q7. Which of these features are important to you in a swimming amenity? (choose up to 5)	Change areas / locker rooms Easy accessibility for seniors, families and people with special needs Splash play area
Q8. Prioritize the City-owned facilities noted below, in order of your location preference for new or enhanced recreational amenities in the Lively/Walden area (1 being the highest priority, 6 being the lowest priority).	1.

Q9. For each location where you feel investment should be made, please provide your ideas for improvements/enhancements.

Location would GREATLY depend on the type of recreation to be provided. Walking distance is a great advantage for families and young teens for skateboard park, splash pads or outdoor gyms. Anderson Farm or 6th Ave would accommodate that type of facility and patrons.

Q10. Please list any other municipal properties and/or non-City owned properties you would like to see considered for new recreation amenities in the Lively/Walden area (up to three). Provide your ideas for improvements/enhancements at these locations.

not answered

Q11. Please prioritize which populations most need recreation opportunities (1 being the highest priority, 6 being the lowest priority)

1. Teens (13-17)

Q12. Please add any additional comments about recreation in Lively/Walden here.

Long-term maintenance in regards to safety and cost versus usage is important. Simon Lake would be a beautiful landscape if lakes algae could be controlled enough to allow swimming. If this is manageable then upgrading the play space would be fantastic.

Q13. You can also upload PDF documents here.

not answered

Q14. Which of the following communities do you live in or closest to?

Copper Cliff

Q15. Which age group describes you?

40 to 49 years

Q16. Are any members of your household aged 17 or younger?

No

Q17. Are any members of your household aged 65 or older?

No
