

Complete Streets Design Guidelines Update

Presenter

LyAnne Chenier, Active Transportation Coordinator
Growth and Infrastructure Department

June 20, 2022

2019-2027 Strategic Plan Priorities

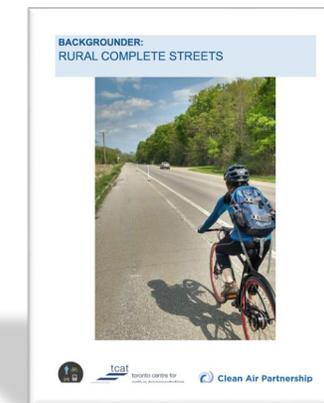

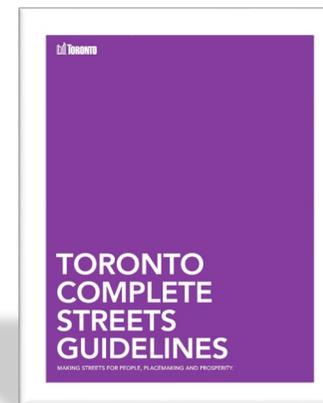

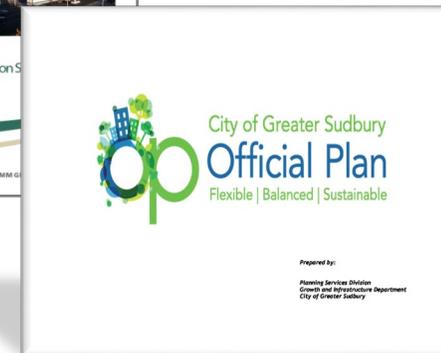

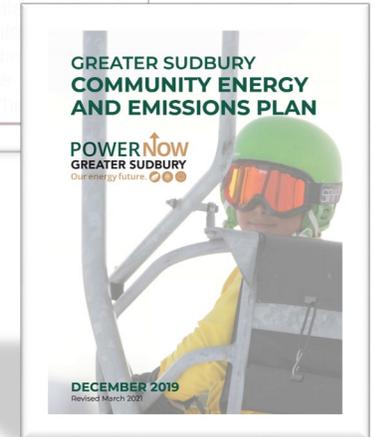

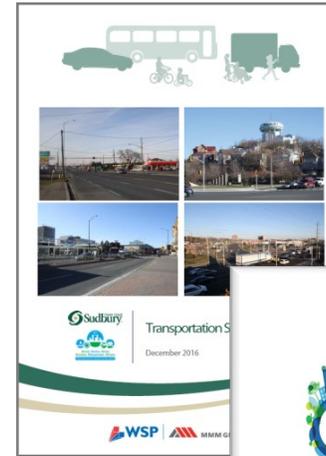

What are Complete Streets?

What is the Purpose of the Project?

- Integrate existing policies, standards, guidelines within the City
- Incorporated best practices on complete streets
- Provide unified guidance on street planning and design to city staff, decision-makers, and external stakeholders
