Title: Request to Suspend Work on the Junction East Cultural Hub

Date: Tuesday, February 21, 2023

Moved By Mayor Lefebvre

Seconded By Councillor Signoretti

WHEREAS the City of Greater Sudbury is committed to supporting the revitalization and vibrancy of the community's historic downtown using a balance of public investment, private sector incentives and regulatory frameworks; and

WHEREAS current economic realities dictate that municipal investment in the downtown is ideally leveraged through public and private partnerships that are balanced between new construction and repurposing of existing infrastructure; and

WHEREAS while the City remains supportive of the Junction East Cultural Hub project's goals, the current municipal financial commitment limits Council's ability to address other priorities that are also important to Greater Sudbury's future; and

WHEREAS unprecedented capital cost pressures demand responsive, innovative approaches to municipal service delivery;

THEREFORE BE IT RESOLVED that, notwithstanding Council Resolutions CC2022-153 to CC2022-157, the City of Greater Sudbury directs staff to suspend work on the current configuration of the Junction East Cultural Hub project and continue to work with the project partners, the Greater Sudbury Public Library, the Sudbury Multicultural Folk Arts Association, and the Art Gallery of Sudbury to analyze the following alternate approaches that fulfill the project's original goals as follows:

1. *a) Reconfigure existing high-value infrastructure and community-owned buildings in downtown Sudbury to create effective shared spaces or partnerships that will result in sustainable, efficient operations over the long term; and*
2. *b) Redesign the Junction East Cultural Hub to reflect total project cost of approximately \$65 million and continues to reflect the desired outcome of a project that will be an enduring source of community pride*
