WHEREAS Northern Ontario is experiencing the highest drug toxicity mortality rates in the province;  
AND WHEREAS elevated mortality rates are worsening in Greater Sudbury despite numerous multi-sector substance-use prevention, harm reduction, treatment and enforcement efforts;

AND WHEREAS addressing this complex crisis requires an intensification of leadership action commitments from multiple fronts to reverse the trend and save lives;

AND WHEREAS the Executive Committee of the Community Drug Strategy for the City of Greater Sudbury (CDS – CGS) strongly endorsed the need for a local leadership summit on the escalating drug toxicity crisis;

AND FURTHER THAT the Executive Committee, in recognition of the all-of-society complexity of the drug toxicity issue, strongly supported that the summit be planned and executed based on principles of inclusion and diversity, including the involvement of persons who use and are affected by substances;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury endorse the recommendations of the Executive Committee of the CDS – CGS for a local leadership summit on the escalating drug toxicity crisis, and request an information update, no later than the October 10, 2023, Council meeting, which would include describing:

- Terms of Reference
- Planned summit objectives,
- An approach for documenting practices in other communities that could be adapted for use here to reduce morbidity
- Details such as location options, timing, and potential costs/financing requirements
- Expected summit outcomes and other relevant information pertinent to the execution of this summit.

AND FURTHERMORE, that City staff provide support for this effort as required.
