WHEREAS the City of Greater Sudbury looks to increase the population of the City to 200,000 by the year 2050, with immigration playing an important role in the economic growth and cultural diversity of our community;

AND WHEREAS the City of Greater Sudbury strives to become a welcoming community with amenities and facilities that support all those who want to make Greater Sudbury the best place to live, work and play;

AND WHEREAS the sport of cricket has grown to over 500 local registered and informal participants with different variations of the sport emerging;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs that staff prepare a business case for the 2024/2025 budget which will include the following:

- Consultation with local cricket leagues and players (formal and informal)
- A review of potential locations for the development of new cricket pitch(es) for recreational, tournament and league play
- Capital and operational costs for any new infrastructure
- Identification of potential sources of external sources of funds to support cricket infrastructure development
