For example, an elderly cat might be adopted at a much lower fee than a kitten. The municipality may also at its discretion offer promotion rates for adoption on occasion. Adoption fees have increased to stay competitive with market rates for rescues and other adoption centres. The cost of vet services has increased to market rates (the City no longer has a vet rebate, RFSO, RFP). The City is now required to pay full price for medications and other vet services. This aligns with other local rescues and OSPCA adoption rates.
