

IamResponding

Emergency Response Notification System

Community & Emergency Services Committee Meeting
March 17, 2025

Emergency Response Notifications

Reliably provides time-saving alerts and critical incident data to firefighters

IamResponding)))
a RapidSOS Solution

- Dispatched Location with Coordinates
- Incident Type & Initial Call Details
- Responder data – Who is Responding
- Hydrants/Water Sources
- Interactive Mapping
 - ✓ Location of incoming responders
 - ✓ Routing to incident
 - ✓ Street and aerial views of incident location
 - ✓ Ability to update incident location
- GeoFenced Preplans
- Integration with What3Words
