Title: Request to Increase Councillors' Office Expense Budgets to Reflect Inflationary Costs
Date: Tuesday, March 18, 2025

Moved By Councillor Lapierre
Seconded By Councillor Cormier

WHEREAS the City of Greater Sudbury Councillors are each provided with an annual office expense budget to cover the cost of items such as office supplies, printing and postage, meals, travel and meeting expenses incurred in the course carrying out their Councillor duties;

AND WHEREAS prior to and in 2016 the Councillors were provided with an office expense budget of \$10,489 each annually which was reduced in 2017, and now stands at \$9,180;

AND WHEREAS the cost of expenses such as printing and postage to communicate with constituents, office supplies and travel for professional development has increased significantly, making it increasingly challenging for Councillors to stay within the set budget which has remained at the same level for many years;

THEREFORE BE IT RESOLVED that the City of Greater Sudbury directs that staff present a business case during the 2026 budget deliberations for Council's consideration to increase the Councillors' individual office expense budgets to an amount that reflects inflationary increases for similar eligible expenses in other CGS lines of business.

Title: Putting Canada First - Greater Sudbury's Economic Strategy Amid US Tariffs
Date: Tuesday, March 18, 2025

Moved By Mayor Lefebvre
Seconded By Councillor McIntosh

WHEREAS the United States government, for a number of months, has continued to threaten the imposition of significant tariffs on Canadian goods;

AND WHEREAS many Canadian municipalities wish to take steps to support the Canadian economy, Canadian businesses and protect local jobs;

AND WHEREAS Council for the City of Greater Sudbury passed motion CC2025-51 on February 18, 2025 to request guidance from the federal and provincial governments with respect to acquisition of goods from the United States, to direct staff to develop a framework to prioritize acquisitions from countries other than the United States and to encourage senior levels of government to consider stimulus funding to assist Canadian companies impacted by the tariffs;

NOW THEREFORE BE IT RESOLVED THAT staff be directed to present amendments to the City's Purchasing Bylaw at the April 22nd meeting of the Finance & Administration Committee that will provide strategies to enable the City to prioritize procurement from Canadian and non-US entities while such tariffs are in effect or are still being threatened, wherever possible recognizing that certain Goods and Services may only be available in the United States;

AND THAT such strategies include a review of different CGS purchasing processes and their related thresholds to maximize the ability to purchase Goods and Services from Canadian sources;

AND THAT the review incorporate a definition of "Canadian or non-US Supplier" into its purchasing policy which includes requirements that will have the proposed work performed by a workforce of which at least 90% is Canadian or non-US based and has an office or production facility in Canada;

AND THAT such definition be used for higher value procurements to allow for a scoring advantage to be implemented for suppliers that meet such a definition;

AND THAT the strategies to be proposed herein be reviewed in accordance with the changes to imposed tariffs, on a regular basis with Committee with recommendations for changes to ensure their effectiveness.
