Next Steps

Upon Council approval, applicants will receive written notification confirming their approved funding and the intended use of funds, and grant recipients will also receive a Post-project Final Report form. This form is to be completed by the applicant and returned following completion of their initiative for reconciliation by Financial Services.

Grant recipients will receive funding via electronic fund transfer or by cheque (where applicable) for the approved amount, whereas a capital funded project will be managed by the City of Greater Sudbury, working closely with the applicant. HCI funded capital projects will be prioritized based on Leisure Services Division annual work plans and initiated within 24 months in accordance with the HCI policy.

During the pandemic, approved grant funds supporting social activities will be issued upon confirmation that the initiative can proceed pursuant to public health protocols or restrictions established by the Province of Ontario, Public Health Sudbury & Districts, the City of Greater Sudbury and/or other regulatory bodies.

HCI funded capital projects will be prioritized based on Leisure Services' (or other assigned operating department's) annual workplans and initiated within 24 months in accordance with the HCI policy.

Should an HCI fund request not be approved, the applicant will be notified of same.
