

APPENDIX 2 – DOG FECES INFORMATION SHEET

No Dog Poop Bags Permitted in Roadside Litter Containers.

Please bring your dog poop bags back home.

You can either:

1. flush the dog poop down the toilet or
2. inter mix the dog poop bags with your other household garbage (approximately 10% dog poop in bags to 90% other garbage).

This will help keep your neighborhood litter containers clean and reduce the chance that your waste collector will be sprayed with the disease-causing bacteria found in dog poop.

Thank you!
