Thank you for contacting Canada Post regarding plans for Site Plan Control Proposal **at Fabian Crescent Subdivision**

Please see Canada Post's feedback regarding the proposal, below.

**Service type and location**

1. Canada Post will provide mail delivery service to this subdivision through centralized Community Mail Boxes (CMBs).
2. Given the number and the layout of the lots in the subdivision, we have determined that 3 CMB(s) will be installed on 1 site(s). I recommend the following:
  - a. side of lot 21

**Municipal requirements**

1. Please update our office if the project description changes so that we may determine the impact (if any).
2. Should this application be approved, please provide notification of the new civic addresses as soon as possible.

**Developer timeline and installation**

1. Please provide Canada Post with the excavation date for the first foundation/first phase as well as the date development work is scheduled to begin.

**Please see below for any additional requirements for this developer:**
