Annual Status Report on the Wrongdoing Hotline

> For the Year Ended May 31, 2021

> > June 7, 2021

BACKGROUND

On June 1, 2016, the City opened its 'Wrongdoing Hotline' for citizens, employees and contractors to report complaints that could be deemed illegal, dishonest, wasteful or a deliberate violation of policy.

This report summarizes the complaints received from June 1, 2020 to May 31, 2021, provides comparative statistics for the previous two years and discusses the costs and benefits of the Wrongdoing Hotline program.

OBSERVATIONS

- 1. Significantly more complaints were received during the year ended May 31, 2021 than in the prior two years (292 in 2021 versus 165 in 2020 and 124 in 2019). The reason for this increase is the large number of complaints about the failure to maintain social distancing and safe business practices during the pandemic.
- 2. Only 21 (or 7.2 percent) of the 292 complaints received during the year ended May 31, 2021 required a detailed investigation compared to 18% in 2020 and 30% in 2019. The number of active complaints under investigation at the end of May 2021 was 8 compared to 7 in 2020 and 6 in 2019.
- 3. The costs for investigations by third parties in 2021 were \$8,286 compared to zero in 2020 and 2019.
- 4. The internal costs for managing detailed investigations and administering the hotline were \$57,500 in 2021 compared to \$44,000 in 2020 and \$49,500 in 2019.
- 5. The 292 complaints received during the year ended May 31, 2021 came from 98 identifiable and 151 anonymous complainants. Fifteen of the identifiable individuals filed more than one complaint.
- 6. While there are costs associated with maintaining the wrongdoing hotline, it provides the following advantages which appear to outweigh these costs:
 - promotes openness, transparency and accountability within the City which supports the strategic objective of responsive, fiscally prudent, open governance;
 - promotes timely actions to address legitimate complaints filed with the City;
 - improves the coordination of investigations by having the Auditor General's Office independently assign, monitor and report on the status and cost of administering complaints;
 - clarifies the responsibilities for conducting timely investigations that meet identified service levels
 - provides an effective buffer between the Office of the Ombudsman which has been able to rely on the Auditor Generals' Office to coordinate investigations within the City; and
 - reduces the cost for investigations by external consultants.
