ATTENTION: MAYOR AND COUNCIL

RE: VACANCY – BOARD OF DIRECTORS

As you are aware (further to correspondence dated May 20, 2021), there has been one (1) outstanding vacancy on the Downtown Sudbury BIA Board of Directors. To address this, the Board recently passed the following resolution:

22-204

THAT the Board recommends the appointment of Councillor Fern Cormier to fill a vacant position on the Board of Directors of Downtown Sudbury BIA for the balance of this term;

AND FURTHER THAT this fulfills the BIA By-Law which allows for up to two (2) Council Representatives to be appointed
CARRIED

The Board requests City Council to formally appoint Councillor Cormier for the balance of this term.

Thank you.
