

## Public Consultation Strategy

As required by the Sudbury Planning Application Review Team, a public consultation strategy has been developed and will be implemented for the proposed rezoning at 40 Eyre Street South as follows:

1. To inform surrounding properties the applicant/authorized agent will request the City's mailing list for all properties within a 120 metre radius of the subject lands.
2. A notice informing of the proposed rezoning and contact information of the authorized agent will be prepared and distributed to the above-noted mailing list.
3. All questions and comments received will be recorded and responded to as they come in.
4. Prior to City Staff report preparation, the agent will liaise with the City Planner with respect to comments/questions that have been received on the application.
