Re: Extension to Rezoning Application Matters

Denis Gratton Construction Ltd would like to have an extension to the Rezoning Application Matters (conditional zoning approval, lapse date of August 14th, 2022) Considering the status of the last two years of Covid-19 we have not been able to get things up and running on this file. Denis Gratton is requesting a meeting with Building Control, the Ministry and the Nickel District Conservation Authority, to confirm any extra requirements. A two year extension would be idealistic. We Thank you for your attention to this matter.

I have also included a cheque in the amount of \$3,410.00 for the two year option.

Regards,

Denis Gratton
President
