Re: Alex Singbush  
Manager of Development Approvals:

I am writing to voice  
my concerns for the  
zoning classification of  
parcel 407 W7, Lot 114, Plan M-1023  
Lot 12, Concession 2.  
Township of McKim

This lot is right beside  
our property 1 Poland Street.  
We had issues last year  
when he attempted to  
create a parking lot  
where we had to contact  
by law about water draining  
onto our property. He did  
correct it a bit but  
drain is still always got  
water. I also wonder  
if he will be getting more  
lights as he told us  
before that he might  
need to. I'm opposed  
to more lighting if it  
shines into our house  
at night with already  
the additional car traffic  
presently.

Re: Decision on amending  
Zoning by law  
for pin 73599-0325 Parcel 40767  
Lot 114 Plan M-1023 Lot R  
Concession 2, Township of McKim

I would like to be  
notified of the decision  
on this property and  
if and when work  
will be getting done  
as we had issues  
last year and had to  
contact by law to  
recify and is still often  
a issue.

Sincerely,
