 - b. Side of lot 56 of the revised plan on Winnipeg Street
 - c. Side of lot 61 of the revised plan on Winnipeg Street

Municipal requirements

1. Please update our office if the project description changes so that we may determine the impact (if any).
2. Should this application be approved, please provide notification of the new civic addresses as soon as possible.

Additional Developer Requirements:

- The developer will consult with Canada Post to determine suitable permanent locations for the Community Mail Boxes. The developer will then indicate these locations on the appropriate servicing plans.

- The developer agrees to include in all offers of purchase and sale a statement which advises the purchaser that mail will be delivered via Community Mail Box. The developer also agrees to note the locations of all Community Mail Boxes within the development, and to notify affected homeowners of any established easements granted to Canada Post to permit access to the Community Mail Box.
- The developer will provide a suitable and safe temporary site for a Community Mail Box until curbs, sidewalks and final grading are completed at the permanent Community Mail Box locations. Canada Post will provide mail delivery to new residents as soon as the homes are occupied.
- The developer agrees to provide the following for each Community Mail Box site and to include these requirements on the appropriate servicing plans:
 - _ Any required walkway across the boulevard, per municipal standards
