Report Summary

This report provides information regarding the establishment of the Flour Mill Business Improvement Area (BIA) and Downtown Sudbury BIA tax rates and levies for 2024.

Relationship to the Strategic Plan, Health Impact Assessment and Community Energy & Emissions Plan (CEEP)

The report refers to operational matters.

Financial Implications

There is no budget impact, as the City collects the levied amounts, and remits the funds to each Business Improvement Area.

Background

Each spring the Flour Mill Improvement Area (BIA) and Downtown Sudbury BIA pass their budgets and levies for the current year and request Council’s approval of the same, together with the corresponding tax rate by-laws.

Upon City Council approval, the Finance Division establishes the appropriate tax rate and levies business improvement area taxes. The levy is applied against all properties in the commercial and industrial tax classes in each respective area according to the returned assessment roll.

Staff have reviewed the current value assessments in each BIA jurisdiction and tax rates have been established to meet budget requirements.

The BIA levy will coincide with the 2024 final tax billing and revenues will be remitted to the Flour Mill and Downtown Sudbury business improvement areas on or about the final tax instalment due dates.

2024 Operating Budgets

The 2024 tax levy for the Flour Mill BIA in the amount of \$15,965.62 is before Council for approval and a copy of the minutes approving this budget is attached for information.

The 2024 levy request for the Downtown Sudbury BIA is also before Council for approval. The 2024 budget provides for a levy of \$630,000 and a copy of this request is attached for information.

The City will provide 75% of the levy to the respective BIAs on June 28, 2024 with the remaining 25% to be provided on July 31, 2024.
