Residents of Maki Ave ()

(Please identify the petitioners in general terms. For example, residents of Ward #, residents of Street Name, residents of Community Name, residents of the City of Greater Sudbury)

Briefly state the matter or argument in support of your petition. (This statement must appear at the top of each page on which you collect signatures.)

Maki Ave is a very narrow street. Parking cars on the street's side causes potential traffic accidents and possibly, injuries to residents. This is heightened if cars are parked on both sides of the street. Backing cars in driveways is difficult when cars are parked on the street.

State the specific request for action you wish Council to undertake.

It is recommended that parking ^{NOT} be allowed on the EVEN side of Maki. Parking on the ODD side causes no problems. Cars driven down the hill have a difficult time passing through in the presence of cars parked on both sides of the street.
Speed bumps are also recommended.
