Subject: Greater Sudbury Library Board Vacancy (Councillor Fern Cormier)

At the meeting of October 24, 2024, the Greater Sudbury Public Library Board formally received and accepted the resignation of Councillor Fern Cormier from the Board.

The Board's Governance Committee has since conducted a recruitment process which formally evaluated applicants who previously applied to the Board through the City of Greater Sudbury's public application process. At the December 19, 2024 meeting the Greater Sudbury Public Library Board adopted a resolution recommending **Stacey Lavallie** to Council's Nominating Committee for appointment to the Greater Sudbury Public Library Board to fill the now vacant position.

Stacey Lavallie has confirmed that she intends to accept appointment to the Greater Sudbury Public Library Board should the Nominating Committee accept this recommendation.

Should you have any questions regarding this recommendation please contact me directly.

Sincerely,

Brian Harding
