Re: Amendment to Surplus Fill By-Law 2003-282

I have read the report dated June 18, 2015 regarding Amendment to Surplus Fill By-Law 2003-282, and I am satisfied with the analysis. I support staff's recommendation to shift disposal responsibility to the Contractor as outlined in Scenario 2.

A handwritten signature in black ink, appearing to read "Ron Foster". The signature is stylized and written in a cursive-like font.
