

Dear counselor,

88

We, the residents of Onwatin Lake Rd. would like to request to have Notre Dame St. in Hanmer, from Gravel Rd. to Onwatin Lake paved. The road in question is dangerous; it is narrow for pedestrians, constant repair required because of the of the heavy truck traffic, justifiable, only access from Onwatin Lake. It is used by a number of trucking companies using the asphalt plant site to get material and the several surrounding pits. We pay high taxes and have roads that haven't been paved for over 40 years. We are tired of having the city come and patch over the patches and after a couple of days having the same holes re-appear. We are giving you this petition in order to have the road repaired as promptly as possible. It's come to a point where it's dangerous for our drivers, walkers, bikers and joggers to use the roads because of all the holes.

Thank you for your prompt consideration in this matter,

Onwatin Lake Residents
