#### Recommendation

THAT the speed limits on Holland Road, from Woodbine Avenue to Sparks Street, Arvo Avenue, from Sparks Street to the North End and Lamothe Street, from Leon Avenue to Barry Downe Road, be returned to 50 km/h due to the closure of St Andrew School;

AND THAT the speed limit on Auger Avenue, from Hawthorne Drive to Huntington Drive be returned to 50 km/h due to the closure of St Bernadette School;

AND THAT the speed limit on Dublin Street, from Arthur Street to Attlee Avenue be returned to 50 km/h due to the closure of St Raphael School;

AND THAT a by-law be prepared to amend Traffic and Parking By-Law 2010-1 in the City of Greater Sudbury to implement the recommended changes all in accordance with the report dated December 24, 2015 from the General Manager of Infrastructure Services.

#### Background

St. Andrew School, St. Bernadette School and St. Raphael School have closed and 40 km/h school zone speed limits are still in effect for those areas.

To deal with numerous requests to reduce the speed limit near schools, City Council adopted a school zone speed reduction policy in 2001 and further revised the policy in 2009. The approved policy states the following:

That staff be directed to bring to the attention of City Council request for speed reduction zones adjacent to schools based on the following considerations:

- That a school speed zone be installed at schools with primary grade aged students.
- That the school speed zone be limited to residential streets or residential collector streets.
- That the maximum speed of the roadways considered for school speed zones be 50 km/h.
