<b>Tax Year</b>	<b>Roll Number</b>	<b>Reason for Recommendation</b>
2019	030.030.00500.0000	Inspected property and spoke with owner August 29 2019. There is no change in value even though the garage was demolished, because there was never an assessed detached garage on file.
2019	160.015.15500.0000	On site August 9 2019. Confirmed the above ground pool was removed. Spoke with home owner and confirmed that the pool did not add value to her assessment and as such there would be no decrease in assessed value as a result of the pool removal.
