- 1 J. Corsi Developments Inc. – Application to amend and revise a Draft Approved Plan of Subdivision, Corsi Hill Subdivision, Sudbury

**The Planning Committee meeting was adjourned and the Public Hearing was opened to deal with the following application:**

Report dated October 15, 2019 from the General Manager of Growth and Infrastructure regarding J. Corsi Developments Inc. – Application to amend and revise a Draft Approved Plan of Subdivision, Corsi Hill Subdivision, Sudbury.

Kevin Jarus, Tulloch Engineering, agent for the applicant, was present.

Glen Ferguson, Senior Planner, outlined the report.

*At 1:11 p.m., Councillor Landry-Altmann arrived.*

Planning Department Response to Committee Questions:

In response to questions from a Committee member, Mr. Ferguson stated that there is a section in the Official Plan called the Comprehensive Plan Unit Development (CPUD) and it allows the development of open space lands that sometimes involve difficult to develop lands. In exchange for the development of those lands, there are incentives written into the CPUD. He also stated that Block 11 will be transferred to the City, whereas Block 10 will remain with the developer. Mr. Ferguson further stated that the application was circulated to Drainage staff as well as Development Engineering staff and they stated they have no concerns regarding the water drainage on the site on Copper Street.

Applicant or Agent's Closing Remarks:

Mr. Jarus stated that the intent of the application is to reduce the amount of area that would be conveyed to the municipality. He also said that, originally, Blocks 10 and 11 were going to be transferred to the City because the owner, at that time, did not see a use for the property. However, the owner has found that there is potential for further development on Block 10 and would like to retain the property for potential future development.

The Chair asked whether there was anyone in the audience who wished to speak in favour or against this application and seeing none:

**The Public Hearing concerning this matter was closed and the Planning Committee resumed in order to discuss and vote on the application.**

The following resolution was presented:

PL2019-141 McCausland/Kirwan: THAT the City of Greater Sudbury's delegated official be directed to amend the conditions of draft approval for a plan of subdivision on those lands described as PIN 73588-0987, Part 1, Plan 53R-14036, Except Part 1, Plan 53R-17900 & Plan 53M-1356, Lot 8, Concession 2, Township of McKim, File 780-6/16002, as outlined in the report entitled "J.
