Greater City of Sudbury (Animal Control)

attention: Kyle Anderson By-Law Enforcement Officer

I Jennifer Lapointe, have recently received a Verbal Abg Notice Case #'s 663381A, 663381B in which I choose to have my case heard before Council or Committee. My husband Dennis Ritor also recieved one of two notices but he was not part of the ~~alleged~~ incident that took place February 23 at 12:30 am. He had made his presence known but was completely shocked at the allegations that were brought to our attention at that time.

Sincerely

Jennifer Lapointe

&
Dennis Ritor
