Dear Mr Leduc

November 1/2019

Attached is the petition for street calming on Stonegate Drive.

The excessive speed and volume of traffic on Stonegate Drive must stop. We have new families with young children and their safety is paramount. Something must be done to reduce the speed and volume on our street.

I have spoken with the residents of Stonegate Drive and all are in agreement that something must be done to curb the speed and volume.

The best solution would be to make Stonegate Drive a cul de sac as originally proposed when it was being developed.

Other solutions would be:

Stop signs on both Beatrice and Attlee

No right turn from Beatrice to Stonegate

Speed bumps on Stonegate / *TRAFFIC CALMING*

Even making the street one way

Your attention to the concerns of the residents of Stonegate Drive is imperative. We do not want someone to get injured on our street. Stonegate Drive was not intended to be a through street. It is far too narrow for the volume of traffic and speeding is a daily occurrence. The street is used as a short cut by people who do not live here.

Please take our concerns seriously.

We await your response.

Thank you
