Open Government

<http://open.canada.ca/en/maps/open-data-canada>

Open data is structured, machine-readable data that is freely shared, used and built on without restrictions or cost

What We are Doing:

- Transit Open Data Pilot Project

municipal **elections** ★ **élections** municipales

What is Coming:

- Public release of data sets for Election Results and Ward Boundaries

Our **Open Information** commitment is to proactively release accessible, transparent, relevant and timely information by, for and about the City of Greater Sudbury.

What we are Doing:

- Livestreaming of Council and Committee Meetings

What is Coming:

- Public tracking of MFIPPA requests

Open Dialogue refers to the formal and informal consultations that engage citizens in public debate and decision making

What We are Doing:

- Recent Public Consultation
 - Healthy Community Initiative Funds – March 24
 - Budget 2015 – January 20

What is Coming:

- Citizen satisfaction survey in first half of 2015

Open doors speaks to the accountability of elected and appointed officials and City staff for ensuring open, thoughtful and timely government decision making.

What We are Doing:

- Greater Sudbury Charter

What is Coming:

- Reports on Bill 8 and Accountability Officers / Whistleblower Policy
