

By-law 2015-13

**A By-law of the City of Greater Sudbury to Authorize an Agreement with
Vale Canada Limited for the Supply of Water and Provision of
Sewage Treatment Services**

Whereas Council of the City of Greater deems it desirable to execute an agreement with Vale Canada Limited to set out the terms on which the City of Greater Sudbury will purchase potable, fluoridated water from Vale Canada Limited from their Vermillion Water Treatment Plant and sewage treatment services to be provided at their Copper Cliff Sewage Treatment Plant;

And Whereas the Council wishes to delegate authority to the General Manager of Infrastructure Services to act for the City in all matters related to the negotiation, execution, administration and management of the Agreement;

Now Therefore the Council of the City of Greater Sudbury Enacts as Follows:

1. The General Manager of Infrastructure Services hereby authorized to negotiate and execute on behalf of the City of Greater Sudbury an agreement with Vale Canada Limited for the supply of potable, fluoridated water and for the provision of sewage treatment services, to administer and manage the said agreement and make decisions required thereunder and to negotiate and execute all amendments thereto, all renewals and related documents.
2. This By-law shall come into force and take effect immediately upon the final passing thereof.
