**Objective**

Councillor Ward1

For the past 10.5 years I have been employed as the Maintenance manager and health and safety coordinator for the Conseil scolaire public du Grand Nord de l'Ontario.

As a manager in the public sector I am well aware of the duties and responsibilities and how a board operates. My duties are also to manage an operating budget for 18 buildings across Northern Ontario as far as Longlac. I am often involved in planning for future budgets and maintain a transparent and accountable purchasing process with public funds. I also put together tendering packages for small construction projects and snow removal, and a variety of ministry mandated inspections.

My role as a safety coordinator has helped our school board improve dramatically our workplace reportable accidents even as far as top 3 in the province 7 years ago. I helped create a provincial health and safety committee for the 13 French school boards in Ontario of which I am vice-president. Our committee has successfully introduced a full health and safety training web-site accessible to all French school boards in Ontario. I am often involved with the Sudbury fire prevention services in dealing with fire code issues.

I am very familiar with all municipal services including water and sewer treatment plants. During my 20 yrs in the construction industry I was site supervisor for the construction of such facilities as well as sewer and water services, bridges, hydro dams and also worked as a carpenter on buildings such as Pioneer Manor. I hold a small water treatment plant operator designation, Canadian playground safety inspection (CPSI) designation as well as many other safety training certificates.

Yours truly

Denis Ferron

re: **Application for Councillor, Ward 1 (due to vacancy)**

Dear Members of the Nominating Committee,

The time has come in my life to stop wishing things will happen in my community and start being an instrument of change and progress....Time to get involved at a more influential level than letters to the editors of local papers and solving all the city's problems around the water cooler at work. It's time to find the answer to that age old question....

"what's it all about, Alfie?"

Through my many years of volunteer work, I have no shortage of life experience to fill the demands of a councillor's shoes. I possess all the necessary skills to be a top performer and advocate for the constituents of Ward 1.

Yes, I reside Ward 2, however most of my waking hours are spent in Ward 1. To quote Miranda Lambert in her hit country song "The House that built me", where she recounts a return to her childhood home in an effort to be reminded of her humble roots and who she really is, similarly, I can say that Ward 1 is the "Ward that built me"...

I grew up on Cranbrook Crescent, shopped at Cinotti's meat market in Gatchell on Saturdays with my father, attended Corpus Christi and Lockerby Composite Schools, worshipped at St. Pat's Parish, learned to drive on the streets south of Ontario and west of Regent, walked the rocks and streams on the way to St. Charles lake building makeshift bridges over Lily Creek as a teenager long before Moonglo was conceived and drank milkshakes at Gloria's Restaurant when it was just a single building.

Ward 1 constituents are people with whom I grew up or children and parents of people with whom I grew up, and that's why I still care enough about the people who live in my old neighbourhood to take this life changing step in my own journey.

My wish, with this application, is to serve those people and places that shaped the woman I am today. It's time to give back and begin my foray into municipal politics where I can affect positive change and continue the great work that Mr. Cimino started in Ward 1.

I strongly believe I am meant to be a voice for the people in Ward 1 on council, so I trust you will allow me the chance to prove that a personality like mine with a skillset like mine, can work in an atmosphere of collaboration with the Mayor and the rest of the councillors in our City.

Thank you for your time and consideration. I am looking forward to speaking to you on July 8, and I am excited about my years ahead in public service.

Yours truly,  
Mary Henderson

Dear Committee Members:

Please accept this letter in support of my application for appointment as Interim Councillor for Ward 1.

I have lived in Ward 1 for 14 years with my husband and two sons, 16 and 17. As a resident of Ward 1, I feel I can address the concerns of Ward 1 residents and represent them for the next 5 months. I do not intend to run for the full four-year term as Councillor of Ward 1 in the upcoming Municipal elections.

I have been a member of the City of Greater Sudbury Committee on Drinking Water Source Protection and the Lakes Advisory Panel for several years and have chaired or participated in a number of other community-led committees. During the course of this work, I have had the opportunity of working with Councillors, Staff and citizens with the goal of improving our city and preserving its natural beauty for future generations.

I have also participated in the Ward 1 Community Action Network and have been involved in the construction and maintenance of the Ward 1 Delki Dozzi Community Garden.

My community work includes:

Dec. 2006-present	Environmental NGO Representative City of Greater Sudbury Drinking Water Source Protection Committee
Dec. 2010-present	Committee Member City of Greater Sudbury Lakes Advisory Panel
Nov. 2006-present	Co-Chair Coalition for a Liveable Sudbury
Oct. 2010-present	Board Member Greater Sudbury Watershed Alliance
July 2010-present	Co-Chair Ramsey Lake Stewardship Committee

Nov. 2011-present    Chair  
Friends of Sudbury Transit

Sept. 2001-Jun. 2007 Parent Volunteer & Council Member (Chair, 2007)  
MacLeod Public School

Because of my previous involvement with the City and community, I am confident I can transition to the role of Councillor without difficulty and look forward to representing the people of Ward 1.

Thank you for your consideration in this matter.

Sincerely,

A handwritten signature in cursive script that reads "Lilly Noble". The signature is written in black ink and is positioned above the printed name.

July 4<sup>th</sup>, 2014

Office of the City Clerk  
Sudbury, Ontario

Office of the City Clerk ,

I am applying to the appointment of Councilor of Ward 1. Throughout my life I have gathered a great many skills and abilities that I could put to excellent use as a representative of the people in Ward 1 and Sudbury in general.

As a volunteer I have worked with many different people from many backgrounds to achieve community goals. Whether it was with St John Ambulance as a Youth Officer, Sea Cadets as a Sail Instructor, Community Theatre as a Set Designer/Technical Operator, or as Mentor for the Duke of Edinburgh's award; whatever the organization I have brought a my natural desire for structure and well researched plans to benefit of one and all. During my time with these organizations I was enriched with experiences and knowledge from many people.

As young man I worked in a variety of industries. Manufacturing, Agriculture, Retail, Customer Service, Government, Construction, and Technical Support; where I was able to bring my skills and knowledge to benefit of my employer. During my time in these industries I gained skills and insight in these fields, and learned some of the perspective of the people in these fields.

As a land owner and land lord in Sudbury I have gained experience and knowledge of working with the city infrastructure and a more keen interest in where my tax dollars go and what they do.

In the future I will bring my varied experiences to work for the people of Sudbury. Starting with an appointment to Ward 1 as an interim Councilman, where I will represent the people of the ward, like my Mother ( a home owner in the ward ) and several friends. And later to run for Councilman of Ward 4 where I own and live. I will use my long years of customer service to serve the good people of Sudbury and give something back to my community.

Thanks,

Jeff Wilson-Williams
