I am Lise Brisson and writing to you on behalf of my parents, Claude and Cecile Arsenault. We are VERY much in favor for the rezoning of the Pinecrest School for seniors row housing, we would have attended the meeting but found out about it too late.

Our community needs this so much, my parents have been on a waiting list for over a year and are still at 7 on the waiting list.

They are 82 and 84 years old and we have been looking for a long time for something with NO stairs, a few stairs are not too bad but everything we looked at had at least 6 or 8 stairs. We have had to move their bed downstairs into the family room because they live in a back split house on MacMillan Dr. with many stairs. We did contact the people who have the row houses at the end of Pilon St. (that would have been perfect for them) but was told to not hold your breath. The Pinecrest location would be perfect for seniors, making it so much easier for them to access the highway because of the lights.

If there is another meeting for the public, we would most definitely attend.

PLEASE, PLEASE, we really do need this for our seniors.

Thank you,

Lise Brisson
