

# Greater Sudbury's Sustainable Mobility Advisory Panel

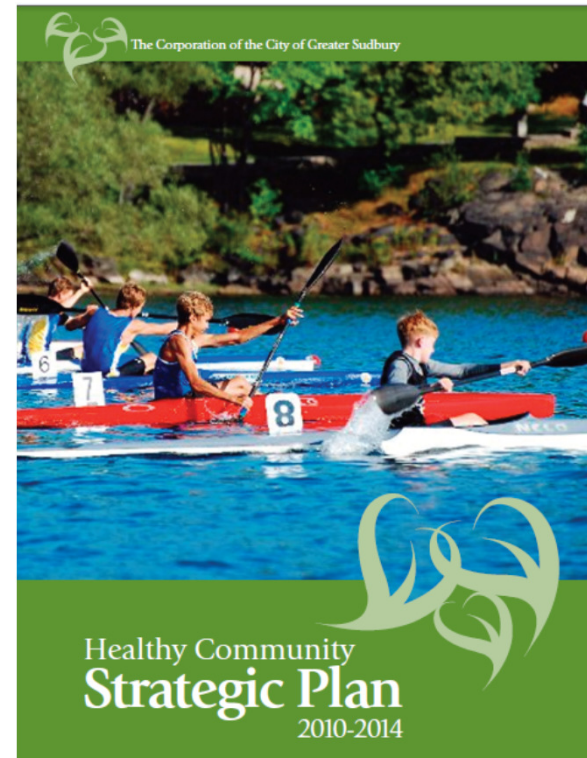

Update  
April 14, 2014

Sustainable Mobility Advisory Panel

**Priority #5: Healthy Community**  
Prioritize and take action toward  
Sustainable Mobility Plan

**Goal #2:** Advocate for the  
implementation of the  
Sustainable Mobility Plan

# 1. Complete streets policy implementation

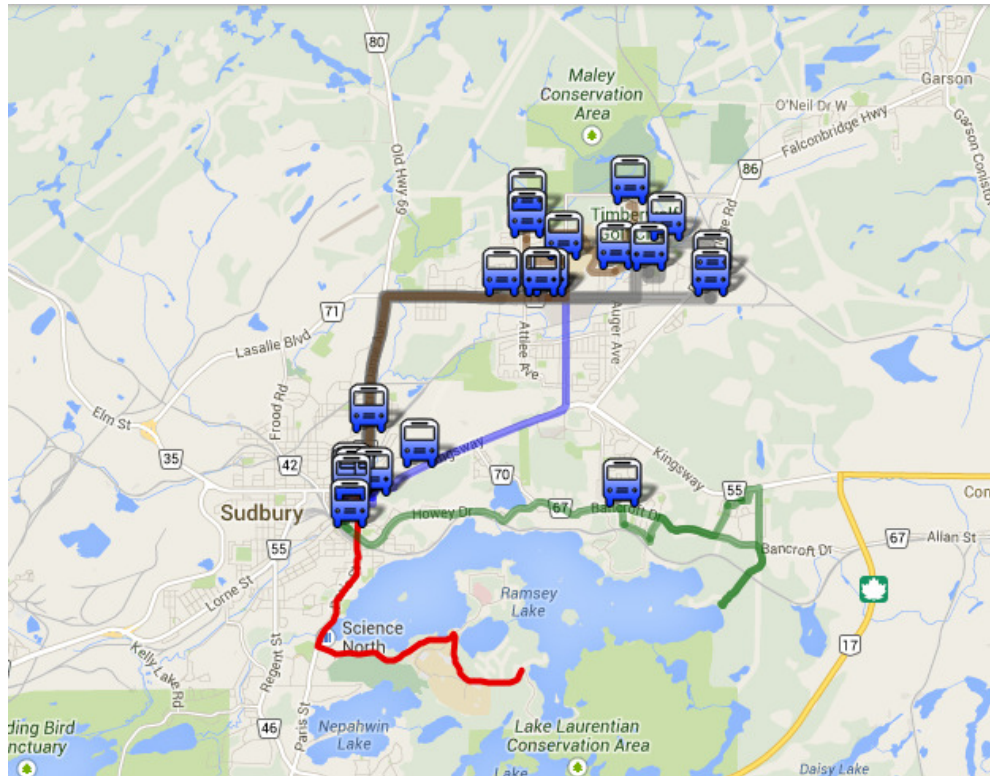

## 2. Cycling and walking infrastructure defined clearly in budget

### 3. Public transit must grow and change with the community.

## 4. Public transit on Google Maps

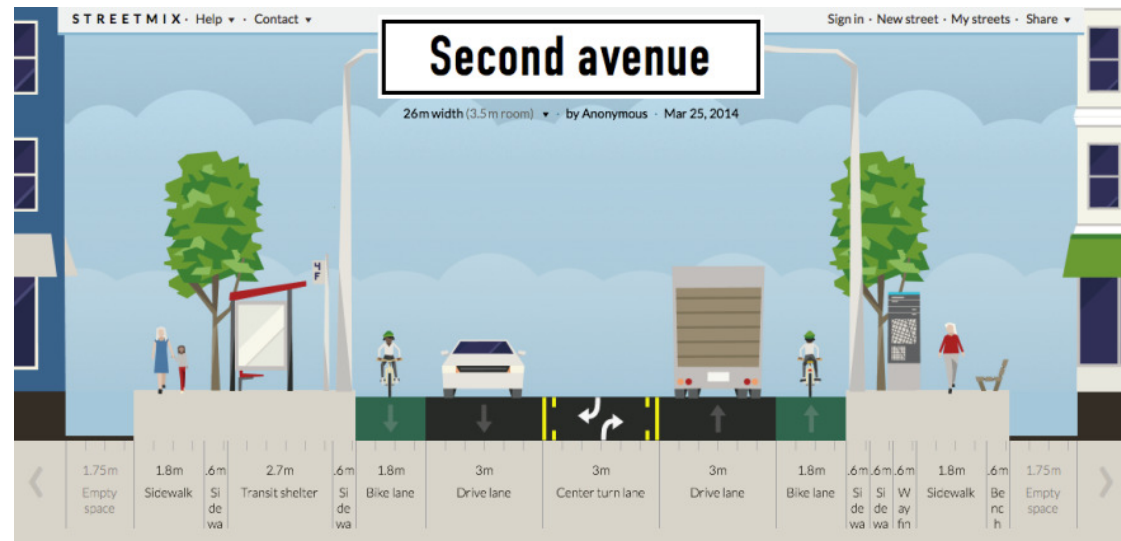

## 5. Public transit planner appointed to SMAP

## 6. Transportation demand management

# Thank you
