

How Does Greater Sudbury Become an Even Healthier Community?

1. The HCI Today
2. Envisioning the Future
3. Creating a Greater Sudbury

The HCI Until Today

Let's ask the next big questions.

What Does the HCI Look Like Today?

- Are we active?
- Are we successful?
- What comes next?

The Engagement Committee

- **Summer 2012**
- **Strategic Goal 4 :**
 - **The summit**
 - **Sustainability**
- **Our vision grew!**

What Does the Community Think?

...about a Healthy
Community

- What is their perception?
- What is their participation?
- What is their expectation?

- We've taught our community how to be healthier
- We've learned from a successful past
- We've learned from the community
- We've learned from the rest of the world
- **Now for the big question...**

WHAT SHOULD WE DO NEXT?

A Deeper Look at the Objectives

- **VISION**
- **COLLABORATION**
- **PROGRESS**
- **EVERYBODY!**

CREATE GREATER SUDBURY

What is it?

IT'S A FIRST!

- **True Inclusive Collaboration**
 - Because we've removed constraints
- **A Guide Using Proven Processes**
 - Because we've seen them work
- **A Healthy Community Hub**
 - The central resource for an engaged citizen

PROCESS MAP

THE PROCESS

- Design Thinking approach through a HC Lens
- Multi-phased process from inception to implementation
- Provide funding guidance for projects
- Incorporate a sponsorship framework for sustainability

How Will We Launch?

- The Summit is our launch event
 - Action Kits introduced
 - Results will populate website
- Site goes live after the Summit

What Will The Community Experience Be?

- 2014 Summit – End of May
- Promotional Campaign
- Voice
- Results
- Improvements in the HC Challenges

Requirements for Moving Forward

- Technical delivery
- Community Participation
- Meeting our budget
 - ~\$225 000
 - GSDC and Trillium Applications

Next Steps

- Submit funding applications
- Seeking support to move forward
- Council's Endorsement
 - Principle
 - Funding applications

Thank You
