# Community Services Committee

Fire Service Establishing and Regulating By-law Framework Presented by: Fire Chief Dan Stack Monday, March 26, 2012

#### Background

- Fire protection provincially mandated municipal responsibility
- Responsibility of municipal councils to be familiar with general fire protection requirements, practices, and procedures

#### Core Services

- Current by-law does not provide an accurate reflection of our core services:
  - Prevention
  - Protection
  - Suppression

#### **By-law Process (Draft)**

- Revisions based on best practice
- Circulate for stakeholder input (OFM)
- Legal Services review of draft

**Community Services Committee** - briefing of the framework for by-law development

#### **By-law Approval**

- return to standing Committee (April/May)
- Committee review and endorse final draft
- Recommend to Council for approval

- Mandate and Vision of the Fire Service
  - Provide fire protection services & emergency response, public fire & life safety education, and fire prevention initiatives
  - Vision to be a well planned, well trained and well equipped emergency response agency

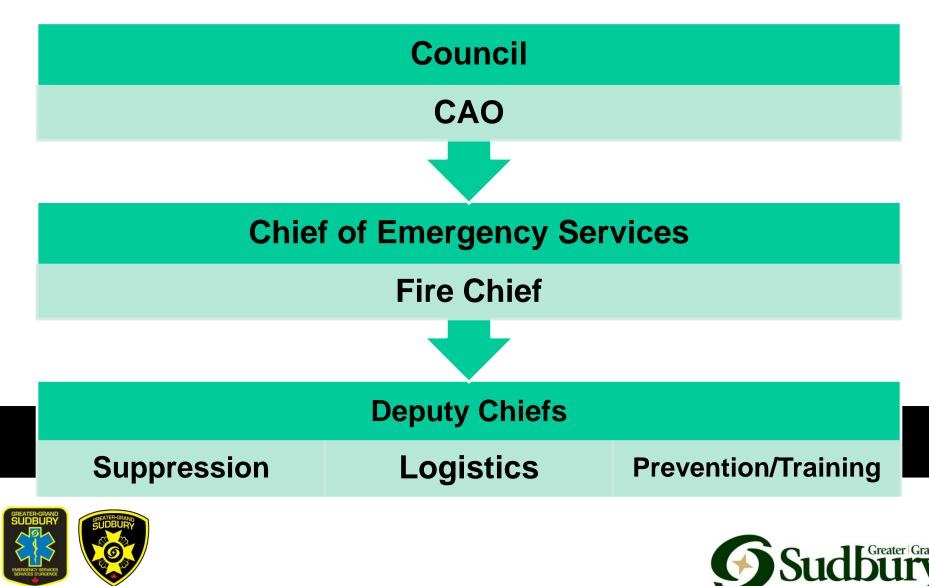

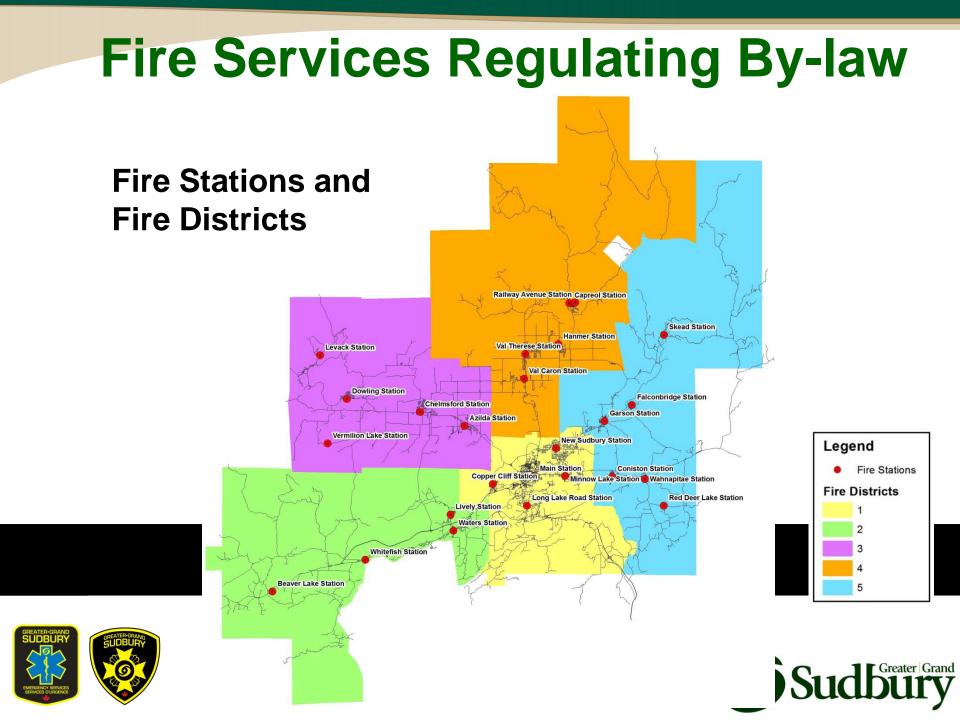

- Primary Goals of the Fire Service
  - Provide appropriate public fire & life safety education and other fire prevention programs
  - Provide exceptional training to its members
  - Provide effective, timely and adequately staffed emergency response to CGS

- Fire Services provided
  - Overview of the current services being provided form part of the revised by-law
