Petition to: City of Greater Sudbury Mayor and Council

We, the taxpayers in the City of Greater Sudbury, petition the City of Greater Sudbury to halt further spending on the proposed twin-pad arena project at the Howard Armstrong complex in Valley East, and redirect their efforts and financial resources to rehabilitate the three arenas that the Valley twin pad was proposed to replace – Centennial Arena, Raymond Plourde Arena and Capreol Arena. For a number of years, maintenance of these arenas has been neglected and they are now in need of remedial work in some areas. These arenas provide regular economic stimulus in the local area

Please be advised the original petition is available for viewing at the Clerk's Services Department at 200 Brady St., 2nd floor, Sudbury
