Presented To: Policy Committee

Presented: Wednesday, Oct 21, 2009

Report Date Tuesday, Oct 13, 2009

Type: Presentations

Recommendation

For Information Only

Background

At the Council Meeting of August 12, 2009, Council passed a Resolution directing that a survey be completed, similar to the surveys conducted between 2001 - 2004, and that the results of that Survey be presented to Council to coincide with budget deliberations.

Paul Seccaspina - CEO, OraclePoll Research will present a summary of the findings at the Policy Committee Meeting of October 21, 2009.

Staff were directed to find a funding source for the Survey, which funding will come from the Office of the Executive Director, Administrative Services.

The full Report is attached under separate cover.
