**PETITION**  
**Request to the Greater City of Sudbury**

**We the Residents of Billiards Way, Ward 9**

*(Please identify the petitioners in general terms. For example, residents of Ward #, residents of Street Name, residents of Community Name, residents of the City of Greater Sudbury)*

**Briefly state the matter or argument in support of your petition. (This statement must appear at the top of each page on which you collect signatures.)**

Billiards Way is a relatively new street that Dalron has been developing over the past 4 years. It has become heavily populated with families with kids and dogs, often of which need to cross Algonquin Road. Where Billiards way meets Algonquin Road, there is a hill, making it difficult for kids, dog walkers and drivers to cross or turn left onto Algonquin. Traffic is constant and heavy at times, and ALWAYS FAST! As I considered my request of either a cross walk vs. a stop sign, the decision was an easy one – last year, there was a crosswalk put in at Algonquin and Trail view – this has not slowed down drivers, nor does it give the pedestrian the right of way. I would have been hit if I weren't aware of the car that wasn't slowing down while I waited to cross. In my efforts to get this petition signed, EVERY house was in support, thanking me for taking the initiative in doing this, because it's well over due. I heard stories about high school kids almost getting hit by cars; one dog owner is \$4000 in debt because her dog was hit by car at our intersection; parents have told me that they've directed their kids to walk out through the (inactive) construction site to get to Holy Cross/ St. Benedict's HS, just to avoid crossing Algonquin! I wish I could have taken videos of all my encounters with these strangers/neighbours to help explain to you the NEED for this request. It is very dangerous to cross the street at Billiards way & Algonquin Road, and we request a STOP sign to make this a three way stop before any one else gets hurt.

*Note: Someone from each household of every home with the exception of two have signed this petition. The two missing never seemed to be home when I was out getting signatures.*

**State the specific request for action you wish Council to undertake.**

We, the residents of Billiards way, plead to have a STOP sign put in place ON Algonquin Road AT Billiards way, therefore making it a 3 way stop. The traffic on Algonquin road would be required to STOP before passing by Billiards way.
